To Whom It May Concern,

This filing was delayed due to the following difficulties that were experienced while attempting to file the form 5500 electronically:

- Our former plan administrator was negligent in her duties and did not make anyone aware of the deadline to file form 5500. She was recently terminated.
- The first notification that management received regarding this filing was an email from ADP Retirement Services that was intercepted from our former plan administrator's account on August 19, 2013. We took immediate action to file form 5500 as quickly as possible to avoid further delay.

I have every intention of complying with reporting and disclosure rules. I believe that the late filing of this Form 5500 is the result of reasonable cause, not willful neglect. I do not anticipate the same issues in the future and the filings in the future will be timely. I would ask for abatement of the purposed late filing penalty.

Thank you,

Erik Stamell
