PETROHAWK ENERGY CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012 AND 2011

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Petrohawk Energy Corporation 401(k) Plan (the “Plan”) is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan sponsored by Petrohawk Energy Corporation (“Petrohawk” or the “Company”). On August 25, 2011, BHP Billiton Limited acquired 100% of Petrohawk’s outstanding shares of common stock. At the date of this report, Petrohawk remains an indirect, wholly-owned subsidiary of BHP Billiton Limited.

As a result of the acquisition of Petrohawk by BHP Billiton Limited in 2011, all assets and liabilities of the Plan were transferred to the BHP USA Retirement Savings Plan, to be held therein in trust, effective December 31, 2012.

Administration of the Plan: The trustees of the Plan control and manage the operation and administration of the Plan. The John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) serves as the custodian and record keeper of the Plan’s assets. The Plan is subject to the provisions of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Eligibility: Employees of the Company who have attained the later of 21 years of age and have completed one month of service are eligible to participate in the Plan. An employee can commence participation in the Plan on entry dates of January 1, April 1, July 1, or October 1 after completion of the eligibility requirements.

Contributions: Each year, participants may contribute up to 75% of their pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Code (“IRC”) limitations. The amount of a participant’s deferral contribution, for any given pay period, may not exceed the net amount of the participant’s paycheck, after applicable taxes have been paid or withheld, and any deductions authorized by the participant or required by law have been made. The amount a participant may defer cannot be less than 1% of compensation per pay period. For the years ended December 31, 2012, the Company contributed 100% of each participant’s deferral contribution, limited to a 10% maximum of each participant’s compensation. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, allocations of the Company’s discretionary contributions, if any, and investment earnings, and charged with withdrawals and investment losses, and an allocation of Plan investment fees. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit provided from the participant’s vested account.

PETROHAWK ENERGY CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012 AND 2011

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Investments: Participants direct the investment of their contributions and the Company's matching contributions into various investment options offered by the Plan. The Plan offered thirty-six pooled separate accounts as investment options for participants.

Vesting: Participants vest immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant vests at the rate of 20% for each year of service, with the result that a participant becomes 100% vested after five years of service.

Forfeited Accounts: Forfeitures on non-vested Employer matching contributions were applied to reduce Employer matching contributions. During the year ended December 31, 2012, forfeitures of \$744,464 were used to reduce employer contributions. At December 31, 2012 and 2011, there were no unallocated forfeitures. The Plan also permits forfeitures to be used to pay expense of the Plan. No forfeitures were used to pay Plan expenses in 2012.

Participant Loans: Participants may not borrow any amounts from the Plan.

Payment of Benefits: On termination of service, a participant may generally elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or installments for required minimum distributions at age 70½ years. Upon death or disability, a participant or their beneficiary receives a lump sum payment of the participant's vested balance. Non-vested benefits are forfeited to the Plan upon distribution of the terminated participant's account in accordance with the Plan document. The Plan requires that all terminated employee account balances less than \$5,000 be automatically distributed.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), and with the requirements of ERISA, and have been consistently applied in the preparation of the Plan's financial statements.

Use of Estimates: The preparation of the Plan's financial statements in conformity with US GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Risks and Uncertainties: The Plan utilizes various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements.

PETROHAWK ENERGY CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012 AND 2011

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The units of the pooled separate accounts are stated at fair value as determined by John Hancock, based on the fair value of the underlying investments of the accounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the pooled separate accounts are deducted at the fund level from income earned on a daily basis and, therefore, are not separately reflected at the Plan level. Consequently, fund management fees and operating expenses are reflected as a reduction of investment return for such investments.

Unit Values: Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the fund, but do have an interest therein represented by units valued daily. The funds appreciate or depreciate, earn dividends and earn interest. Earnings are automatically reinvested in additional units. Generally, contributions to and withdrawal payments from each fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Administrative Costs: Substantially all third party administration costs of the Plan and its trust are charged against the net appreciation of investments or against principal if there are no earnings. Certain legal and accounting costs are absorbed by the Company.

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

Excess Contributions Payable: The Plan is required to return to participants contributions received during the Plan year in excess of the annual IRC limits.

NOTE C - FAIR VALUE MEASUREMENTS

In applying the valuation principles in ASC 820 to financial assets and liabilities, a three-tiered fair-value hierarchy was used to prioritize the inputs when evaluating fair value:

- *Level 1* - Observable inputs that reflect quoted market prices (unadjusted) for identical assets in active markets.
- *Level 2* - Includes other inputs that are directly or indirectly observable in the marketplace.
- *Level 3* - Unobservable inputs which are supported by little or no market activity.

PETROHAWK ENERGY CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012 AND 2011

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

Effective December 31, 2012, all assets were transferred to another plan and accordingly, the Plan held no assets.

The following table sets forth by level within the fair-value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2011. As required by ASC 820, financial assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement by type and category of investment. The Plan is able to value the pooled separate accounts based on observable market data for similar instruments, which resulted in the Plan reporting its pooled separate accounts as level 2.

	Fair Value at December 31, 2011			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts:				
Balance Lifecycle/ Lifestyle (a)	\$ -	\$ 21,986,692	\$ -	\$ 21,986,692
Equity (b)	-	11,370,784	-	11,370,784
Income (c)	-	7,771,783	-	7,771,783
Total investments measured at fair value	<u>\$ -</u>	<u>\$ 41,129,259</u>	<u>\$ -</u>	<u>\$ 41,129,259</u>

- a) Balanced Lifecycle/Lifestyle - portfolios designed to provide a balance of growth, income and capital conservation through a mix of equity and fixed-income exposures.
- b) Equity - pursues capital appreciation foremost by investing in equity securities across domestic and international markets and across certain market capitalizations; may be exposed to all market risks.
- c) Income - a high level of current income is sought by broadly investing in fixed-income securities through various sectors of the bond market and gaining exposure to various types of credit and interest rate risk.

The Plan limits transfer activity for the pooled separate accounts. In general, participants are allowed a maximum of two exchanges per calendar month. An exchange is defined as the full or partial rebalance of a participant's account or single or multiple fund-to-fund transfers that involve multiple investment options on one day.

As of December 31, 2011, there were no restrictions on redemption (subject to eligibility requirements) or unfunded commitments for any of the major classes of assets.

NOTE D - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments are units of pooled separate accounts offered by John Hancock. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

PETROHAWK ENERGY CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012 AND 2011

NOTE E - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth by ERISA. In the event the Plan is terminated, participants become 100% vested in their accounts. The Plan has not terminated, however, as previously noted, all assets and liabilities of the Plan were transferred to another plan effective December 31, 2012.

NOTE F - FEDERAL INCOME TAX STATUS

The Plan has received a favorable determination letter from the Internal Revenue Service (the "IRS") dated April 7, 2010, stating that the Plan and related Trust are designed in accordance with the requirements of the Internal Revenue Code (the "IRC"). Subsequent to receiving the determination letter, the Plan was amended and restated effective as of October 1, 2010 by the adoption of the Volume Submitter 401(k) Plan sponsored by Hinkle Elkouri Law Firm, LLC which received a favorable advisory letter from the IRS, dated March 31, 2008, stating that the form of the Volume Submitter Plan was acceptable for use by employers for the benefit of their employees. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company believes it is no longer subject to income tax examinations for the years prior to 2009.

NOTE G - INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan as of December 31, 2012 and 2011, and for the year ended December 31, 2012, included in the Plan's financial statements and supplemental schedules, that was prepared by, or derived from financial information prepared by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from John Hancock that such information is complete and accurate.
