BAYSIDE, NY 11361

I was engaged to review the accompanying statements of the net assets available for the benefits of Specialty Professional Services Corp., 404 (K) Plan #002 as of December 31, 2012, and the related statement of changes in net assets available for benefits for the year then ended in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the administrator of the Plan.

A review consists principally of inquiries of Plan personnel and analytical procedures applied to financial date. It is substantially less in scope than an audit in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material medications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles in the United States of America.
