HEALTH AND WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2012 and 2011

NOTE 1 - Description of the Plan

The following description of Relief Enterprises, Inc. Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

The Plan and Trust was established July 1, 2001 to provide health and other benefits to eligible participants. The sponsoring employer, Relief Enterprises, Inc. has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides medical, dental, vision, prescription drug coverage, life and supplemental accident, and dismissal wage/unemployment benefits for eligible participants. The Plan provides substantially all these benefits on a self-funded basis. The Plan also carries a stop-loss insurance policy which covers both specific and aggregate claims in excess of the deductibles as specified in the contract. Life and accidental death and dismemberment benefits are fully insured under the Plan

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Sponsor or Plan Administrator to the other at least 60 days, but not more than 90 days, prior to the anniversary date of effective coverage under this Plan.

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2 - Summary of Significant Accounting Policies

Accounting Method

The accounts of the Plan are maintained on an accrual basis of accounting for financial reporting purposes.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, eligibility credits, claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and equivalents

Cash equivalents include money market funds used in general operations.

Employer Contributions

Employer contributions are recognized as income in the month the employees worked.

Benefits

Benefits expense is recorded when paid. Hours worked through December provide participants with benefits eligibility through February.

Benefit Claims Payable

The obligation for benefit claims payable is an estimate for self-funded benefits incurred on or prior to December 31, but paid after December 31. The estimate was calculated based on a review of actual claims paid subsequent to year-end, with incurred and received dates of December 31, and prior.

Benefit Claims Incurred, But Not Reported

The obligation for benefit claims incurred, but not reported is an estimate for self-funded benefits incurred on or prior to December 31, but reported and paid by the Plan after December 31. The estimate was calculated using available claims experience data and projected future claims.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Estimated Obligation for Future Benefits Based on Accumulated Eligibility

The Plan currently provides two months of extended coverage to participants once they lose their eligibility. The estimate was calculated using available claims experience data and projected future claims.

Subsequent Events

In preparing the financial statements as of December 31, 2012, management considered the impact of subsequent events occurring through September 16, 2013 for potential recognition or disclosure in these financial statements.

NOTE 3 - Employer Contributions Receivable

During May 2009, the Company entered into an agreement ("the 2009 agreement") to pay a minimum of $25,000 per month to the Plan for the prior years' unpaid contributions balances.

As of December 2011, the Plan recorded contributions receivable of $283,253. This represents contributions actually received by the Plan subsequent to December 31, 2011 through May 2012.

During the year ended December 31, 2011, the Company made payments of approximately $1,110,000 for contributions due in both the current year and prior years. As of December 31, 2011, the Company owed the Plan approximately $1,615,000 in contributions receivable as of December 31, 2011. Of this amount, $1,330,000 has been offset as doubtful accounts due to the uncertainty of collection.

The Plan recorded contributions receivable of $183,278 for 2012. These represent contributions actually received by the Plan subsequent to December 31, 2012 through July 2013.

As of December 31, 2012, the Company made payments of approximately $880,000 for contributions due in both the current year and prior years. The Company still owed the Plan approximately $1,756,000 in contributions receivable as of December 31, 2012. Of this amount, $1,573,000 was offset as doubtful accounts due to the uncertainty of collection.

NOTE 3 - Employer Contributions Receivable (Continued)

The Company continues to owe the Plan a substantial amount of contributions for prior years. However, the Company has made payments of contributions necessary to fund the ongoing operations of the Plan through the date of this report.

NOTE 4 - Excess Loss Indemnity Policy

Certain benefits may be provided under the terms of two separate Excess Loss Indemnity Policies written by Gerber Life Insurance Company for policy periods commencing April 1, 2012 and 2011. The policies contain two excess loss provisions. The first of which applied to individual participant claims, whereby when the claims paid on behalf of an eligible participant or dependent exceed $60,000 for policy year 2012 and 2011, respectively, the insurance carrier would reimburse the plan for 100% of the excess up to a maximum aggregate amount per person per policy period. The second provision involves aggregate plan claims, whereby when the total aggregate claims paid on behalf of all eligible participants or dependents exceed a specified amount based on a percentage of employer contributions, the insurance carrier will reimburse the Plan 100% of the excess up to a maximum aggregate amount of $1,000,000, less the amount reimbursed for individuals under the specific individual policy noted above.

NOTE 5 - Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes, and is currently subject to income tax on its net investment income. The Trustees believe that the Trust does not have any net taxable income for the tax years ended December 31, 2012 or 2011 and, therefore, no tax liability is reflected in these financial statements.

NOTE 6 - Dismissal Wage/Unemployment Benefit (DUB)

The Plan offered dismissal wage/unemployment benefits to eligible participants upon termination of employment. This benefit was discontinued in a prior year and only three participants have remaining vested benefits as of December 31, 2012.

NOTE 7 - Reclassifications

Certain items have been reclassified in the 2011 financial statements so as to be consistent with current year presentation. These reclassifications had no effect on the excess of net assets available for benefits over benefit obligations.

NOTE 8 - Related Party Transactions

FCE Benefit Administrators, Inc. receives commissions and reimbursement of administrative fees from one of the Plan's insurance carriers of approximately $6,156 and $7,020 for the years ended December 31, 2012 and 2011, respectively. The insurance commissions and fees are paid by the insurance company and are not an expense of the Plan.
