Communication with Those Charged with Governance

September 20, 2013

To the Management of the Hospital Housekeeping Systems LTD. 401(k) Benefit Plan

We have completed a DOL limited-scope audit of the financial statements of Hospital Housekeeping Systems LTD. 401(k) Benefit Plan (the "Plan") as of and for the year ended December 31, 2012 and have issued our report thereon dated September 20, 2013. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated January 31, 2013, our audit was conducted in accordance with auditing standards generally accepted in the United States of America except that, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform any audit procedures with respect to the information described in Note 3, except for comparing such information with the related information included in the financial statements and supplemental schedules. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the plan custodian, was audited by us in accordance with auditing standards generally accepted in the United States of America and was subjected to tests of your accounting records and other procedures we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, and except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information prepared and certified to by the custodian, we considered the internal control of Hospital Housekeeping Systems LTD. 401(k) Benefit Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies and other matters noted during our audit in a separate letter to you dated September 20, 2013.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing we previously communicated to you through email.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm (as appropriate), our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. A summary of the significant accounting policies adopted by Hospital Housekeeping Systems LTD. 401(k) Benefit Plan is included in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed but certain disclosures were expanded during 2012. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

For purposes of this letter, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no corrected or uncorrected misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 20, 2013.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the plan, and business strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information in Documents Containing Audited Financial Statements

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This information is intended solely for the information and use of the addressee and management of Hospital Housekeeping Systems LTD. 401(k) Benefit Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Holtzman Partners, LLP
