WellMed Medical Group, P.A. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended December 31, 2012

NOTE 1 - Description of the Plan

The following description of the WellMed Medical Group, P.A. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was first established on January 1, 2012 as a spin-off from the WellMed Medical Management, Inc. 401(k) Plan ("Management Plan"). The Plan is a multiple employer defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Collectively, the participating employers are ("the Company"). WellMed Medical Group, P.A. ("WellMed") is the Plan's sponsor and Optum Partner Services Plan Administration Committee is the Plan's administrator.

Contributions

Eligible employees are automatically enrolled in the Plan as soon as administratively feasible after their hire date at an employee pre-tax contribution deferral rate of 3% of their eligible pay, unless they decline to participate within a prescribed time limit or they elect a different pre-tax contribution deferral rate. Participants who miss the deadline to decline participation will have 90 days from the first biweekly pay date in which employee pre-tax contributions are deducted from their eligible pay to cancel their future contributions and request a withdrawal of any employee pre-tax contributions, including any associated earnings and losses, made to their account since that first bi-weekly pay date. Different enrollment rules apply to eligible employees who are acquired employees.

Each year, the participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). Elective deferrals include pre-tax deferrals, Roth deferrals and rollover contributions. In general, the Plan provides for automatic employee pre-tax contribution rate increases until the participant's pre-tax contribution deferral rate reaches 6%. Participants are notified of the automatic rate increases in advance and have the opportunity to decline the automatic increase. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Company makes a safe harbor matching contribution equal to 100% of applicable contributions up to 3% of compensation, plus 50% of the next 3% for a max contribution of 4.5% as defined in the Plan document. Participants hired after January 1, 2012 become eligible for safe harbor matching contributions once they are credited with one year of service and 1,000 hours. Participants who were employed on December 31, 2011 with an employer who adopted the Plan as of January 1, 2012, were immediately eligible on January 1, 2012, regardless of any service requirement. The Company may, in its discretion, contribute an additional amount to the Plan, to be distributed among participants pro rata based upon compensation within limitations as determined by the Code. No discretionary contributions were made for the year ended December 31, 2012.

WellMed Medical Group, P.A. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended December 31, 2012

NOTE 1 - Description of the Plan (cont.)

Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions, rollover contributions and an allocation of the Company's contributions and plan earnings (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them through a registered investment company.

Vesting

Participants are immediately vested in their salary reduction, rollover contributions, safe harbor match contributions, and earnings thereon. Participants who leave the Plan because of death, normal retirement, disability, partial or complete termination of or complete discontinuance of contributions to the Plan are considered 100% vested. Company discretionary contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

Less than 2 years	0%
2 or more	100%

Participants with rollover balances from the Management Plan were 100% vested in the employer contributions made under the Management Plan.

Forfeited Accounts

As of December 31, 2012, forfeited nonvested accounts totaled \$91,924. During the year ended December 31, 2012, the Company contributions were reduced by \$46,706 from forfeiture accounts. Forfeitures can be used to reduce future company contributions or to pay certain administrative expenses.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the Plan document. The Plan provides for normal retirement at age 65. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment.

There are no amounts owed to the participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2012.

WellMed Medical Group, P.A. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended December 31, 2012

NOTE 1 - Description of the Plan (cont.)

Termination of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. These loans are secured by the balance in the participant's account. The loans bear interest at rates which are commensurate with local prevailing rates at the date of inception of the loan as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Administrative Expenses

The Company pays a portion of the Plan's administrative expenses.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Risks and Uncertainties

The Plan has investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

WellMed Medical Group, P.A. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended December 31, 2012

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represents the difference between the sale proceeds and the fair value of the investment as of the beginning of the period or the cost of the investment if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on a cash basis, which approximates generally accepted accounting principles.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - Information Prepared and Certified by Custodian - Unaudited

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Transamerica Life Insurance Company ("the Custodian").

	<u>2012</u>
Statement of changes in net assets available for benefits:

Note 4: All investment information.

WellMed Medical Group, P.A. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS As of and for the Year Ended December 31, 2012

NOTE 4 - Investments

During the year ended December 31, 2012, the Plan's investments (including gains and losses on investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

Pooled separate accounts	\$ 1,644,740
--------------------------	--------------

NOTE 5 - Party-in-interest

Fees paid by the Plan to the Custodian for investment management services are party-in-interest transactions. These fees are netted against investment income.

NOTE 6 - Tax Status

Effective January 1, 2012, the Plan spun-off from the Management Plan. Although the Plan has yet to apply for a determination letter, the Company believes the Plan is designed in compliance with the applicable qualification requirements of the Code. The Plan will apply for its own determination letter prior to the date required by the Internal Revenue Service (IRS). The Company is aware of certain operational issues impacting the Plan. The Company will take corrective actions for these issues and believes the Plan will maintain its qualified status.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The 2012 Plan year is open for examination by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE 7 - Plan Transfers

Effective January 4, 2012, the investment balances of \$15,843,911 were transferred from the WellMed Medical Management, Inc. 401(k) Plan into this Plan. During 2012 the Centers for Family Medicine 401(k) Profit Sharing Plan merged into the Plan and investment balances of \$4,665,837 were transferred into the Plan. Effective January 1, 2013, the recordkeeper and trustee functions were transferred to Fidelity Management Trust Company ("Fidelity") and the investment balances of \$26,594,240 were liquidated and transferred in cash to Fidelity.

NOTE 8 - Subsequent Events

The Plan has evaluated subsequent events through September 20, 2013, which is the date the financial statements were approved and available to be issued, for events requiring recording or disclosure in the Plan's financial statements.

Effective January 1, 2013, the Board of Directors resolved to change the Plan's name to Optum Partner Services 401(k) Savings Plan.
