Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Prime Home Health Services, LLC 401(k) Pension Plan as of December 31, 2012 and 2011, and the changes in its net assets available for benefits for the year ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2012 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. PRIME HOME HEALTH SERVICES, LLC 401(k) PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2012 AND 2011

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Prime Home Health Services, LLC 401(k) Pension Plan (the "Plan"), provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

A. GENERAL

The Plan is a defined contribution plan, which became effective January 1, 2010 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of Prime Home Health Services, LLC (the "Company") are eligible to participate in the Plan upon completion of the earlier of one year of service or three consecutive calendar months of service and are at least 21 years of age. The entry date for participants who satisfy the one year of service requirement is the earlier of the first day of the Plan year that occurs after the date the one year of service requirement is satisfied or the date that occurs six months after the date the one year of service requirement is satisfied. The entry date for participants who satisfy the three consecutive calendar months of service requirement is the date such requirement is satisfied.

B. CONTRIBUTIONS

Each year participants may contribute up to 100% of their annual compensation, as defined in the Plan document, not to exceed amounts prescribed by the Internal Revenue Service (IRS). All employees who are eligible to make contributions under the Plan and who have attained age 50 before the close of the Plan year are eligible to make additional catch-up contributions up to amounts prescribed by the IRS. Participants direct the investment of their contributions and the employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Participants may also contribute amounts representing distributions from other qualified plans. The Company, at its discretion, may elect to make a matching contribution or a Qualified Non Elective Contribution up to limits described in the Plan document. Participants may participate in the Company's discretionary matching contributions if they have completed one year of service, are at least 21 years of age and are actively employed at the end of the plan year. The entry date for eligible participants for the Company's discretionary matching contributions is January 1st or July 1st coincident with or following the date eligibility requirements are satisfied. For 2012, the Company made discretionary matching contributions of $32,667.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

C. PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and Company discretionary matching contributions and allocations of (a) the Company Qualified Nonelective Contributions, and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. VESTING

Participants are immediately vested in their contributions and Employer Qualified Nonelective Contributions plus actual earnings thereon. Participants become vested in benefits arising from the Company discretionary matching contributions as follows:

Years of Service for Vesting	Percentage
Less than 1 year	0%
1 to 2 years	25%
2 to 3 years	50%
3 to 4 years	75%
4 years or more	100%

E. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account, and bear interest at a rate of 4.75%, which is determined by the prime rate as published in the Wall Street Journal on the 14th day of each month plus 1.5%. Principal and interest is paid ratably through payroll deductions within a maximum term of five years. If a loan is used to purchase a primary residence, then a longer repayment term is permitted.

F. PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's interest in his or her account, either as a lump-sum or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account either as a lump-sum distribution or in installments. Participants who have attained age 59½ are eligible to receive in-service withdrawals from the vested interest in their accounts.

Hardship withdrawals are permitted, as defined.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

G. FORFEITED ACCOUNTS

At December 31, 2012 and 2011, forfeited nonvested accounts totaled $415 and $535, respectively. The Company may elect to use all or any portion of the forfeitures account to pay administrative expenses incurred by the Plan. The portion of the forfeitures account that is not used to pay administrative expenses will be used first to restore previous forfeitures of participants' accounts and then to reduce Company contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through October 1, 2013, which is the date the financial statements were available to be issued.

B. ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

D. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

E. INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received rather than on an ex-dividend basis and the effect is not material to a fair presentation. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

F. PAYMENT OF BENEFITS

Benefits are recorded when paid.

G. OPERATING EXPENSES AND ADMINISTRATION

The Company pays certain administrative expenses of the Plan, including audit, legal, and third party administrator fees. The Company may elect in the future not to pay these fees, which would affect the financial return to participants.

Plan trustees do not receive compensation for their services to the Plan.

H. NEW ACCOUNTING STANDARDS

In May 2011, Financial Accounting Standards Board (FASB) issued *Auditing Standards Update (ASU) No. 2011-04), Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs*. The objective of this update is to improve the comparability of fair value measurements presented and disclosed in financial statements prepared in accordance with U.S. generally accepted accounting principles (GAAP) and International Financial Reporting Standards (IFRSs), by changing the wording used to describe many of the requirements in U.S. GAAP for measuring fair value and disclosing information about fair value measurements. The amendments include those that clarify FASB's intent about the application of existing fair value measurement and disclosure requirements and those that change a particular principle or requirement for measuring fair value or for disclosing information about fair value measurements. This ASU, which is to be applied prospectively, is effective for public entities during interim and annual periods beginning after December 15, 2011 (early application is not permitted). For nonpublic entities, the amendments are effective for annual periods beginning after December 15, 2011 (an early application is not permitted). Nonpublic entities may early implement during interim periods beginning after December 15, 2011. Some of the disclosures required by the amendments in the ASU are not required for nonpublic entities.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. RECLASSIFICATIONS

Certain reclassifications have been made to prior year financial statements to conform to the current year presentation. These reclassifications did not result in any change in previously reported net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation method used for assets measured at fair value. There have been no changes in the method used at December 31, 2012 and 2011.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012 and 2011:

American Funds 2015 Target Date Retirement Fund - R2, 15,547 and 11,157 shares, respectively	148,473	99,522

* Less than 5% of Plan assets.

During 2012, the Plan's investments in mutual funds (including gains and losses on mutual funds bought and sold, as well as held during the year) appreciated in value by $49,460 exclusive of dividend income earned on investments of $13,635 and interest income earned on notes receivable from participants of $692.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

All Plan investments are managed by American Funds. American Funds Retirement Plan Services is the trustee of the Plan. American Funds and American Funds Retirement Plan Services companies are subsidiaries of The Capital Group Companies and therefore, these transactions qualify as party-in-interest transactions. Fees totaling $370 were paid directly to American Funds Retirement Plan Services from the Plan during 2012. Other fees and expenses such as investment fees and plan administration fees may be deducted directly from investment returns in accordance with the applicable investment option selected by the participant.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed AccuDraft.com Inc, by a letter dated March 31, 2008 that its Volume Submitter Profit Sharing Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan adopted AccuDraft.com Inc.'s Volume Submitter Profit Sharing Plan. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable sections of the IRC and therefore, believes that the Plan is qualified.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. Currently, the 2011 plan year is under audit by the IRS, and the plan administrator expects that no issues will be identified as a result of the audit. Additionally, the plan administrator believes the plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2009.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - FIDELITY BOND COVERAGE

For 2011 and 2012, but not limited to through the date of the independent auditor's report the Company inadvertently did not maintain adequate fidelity bond coverage for the Plan in accordance with ERISA. As of the date of the independent auditors' report the Company was in the process or correcting the fidelity bond coverage requirement for the Plan to be in accordance with ERISA.

NOTE 10 - EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability on the Statement of Net Assets Available for Benefits with a corresponding deduction on the Statements of Changes in Net Assets Available for Benefits. Excess contributions for both years amounted to $26,009, of which $6,761 remains outstanding as of December 31, 2012.
