Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule.

We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2012, and schedule of reportable transactions for the year ended December 31, 2012, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Anixter Inc. Employee Savings Plan

Notes to Financial Statements

Years ended December 31, 2012 and 2011

Note 1. Description of Plan

The following description of the Anixter Inc. Employee Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, established January 1, 1994, is a defined-contribution plan covering all non-union domestic employees of Anixter Inc. and Accu-Tech Corporation (collectively, the “Employer”). Participants are eligible to enroll in the Plan on their date of hire. Participants who do not opt out during the 60 day period beginning on their date of hire are automatically enrolled in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Transfer of Assets

In December of 2010, the Company purchased the stock of Clark Security Products, Inc and the assets of General Lock, LLC (collectively “Clark”). In accordance with the provisions of the sale, Clark merged its 401(k) Savings Plan with and into the Plan effective July 1, 2011. Accordingly, the assets and outstanding participant loan balances of the Clark 401(k) Savings Plan of \$10,072,838 were transferred to the Plan.

Administrative Expenses

The Employer pays substantially all administrative expenses.

Contributions

Non-highly-compensated participants, as defined in the Plan agreement, may elect to contribute up to 50% of pre-tax compensation, up to limits established by the Internal Revenue Service (IRS). Highly-compensated participants may contribute up to 9% of pre-tax compensation, as defined by the Plan, limited to IRS maximum amounts. Subject to IRS limitations, the Employer makes a matching contribution equal to 25% of that portion of a participant’s contribution that does not exceed 6% of a participant’s compensation, as defined.

Anixter Inc. Employee Savings Plan

Notes to Financial Statements (continued)

Note 1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contributions and Plan earnings and losses. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Employer contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts, plus actual earnings thereon, is based on two years of continuous service. Participants are 100% vested after two years of credited service or upon death, disability, or attaining age 65 while still an employee.

Investment Options

Upon enrollment in the Plan, a participant may direct Employer and participant contributions, in 1% increments, in one or a combination of the investment options offered by the Plan. Participants may change their investment options daily, subject to restrictions imposed by the trustee or its affiliated funds, related to excessive trading.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates, as determined by the record-keeper. Principal and interest are paid ratably through regular payroll deductions. Loan repayment periods range from one to five years, in whole-year increments.

Payment of Benefits

On termination of service, death, disability, or retirement, a participant or beneficiary may receive a lump-sum amount equal to the vested value of their account. Benefits are recorded when paid.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Anixter Inc. Employee Savings Plan

Notes to Financial Statements (continued)

Note 2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Recently issued and adopted accounting pronouncements

In May 2011, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2011-04 ("ASU 2011-04"), Fair Value Measurement: Amendments to Achieve Common Fair Value Measurements and Disclosure Requirements in U.S. GAAP and IFRS. Some of the key amendments to the fair value measurement guidance include the highest and best use and valuation premise for nonfinancial assets, application to financial assets and financial liabilities with offsetting positions in market risks or counterparty credit risk, premiums or discounts in fair value measurement and fair value of an instrument classified in a reporting entity's shareholders' equity.

Additional disclosures for fair value measurements categorized in Level 3 of the fair value hierarchy include a quantitative disclosure of the unobservable inputs and assumptions used in the measurement, a description of the valuation processes in place, a narrative description of the sensitivity of the fair value to changes in unobservable inputs and inter-relationships between those inputs and the level in the fair value hierarchy of items that are not measured at fair value in the consolidated balance sheet but whose fair value must be disclosed. ASU 2011-04 became effective for the Plan on January 1, 2012 and is required to be applied prospectively. As this guidance provided only disclosure requirements, the adoption of this standard did not impact the Plan's financial results.

Fair Value Measurements of Investments

The following presents information about the Plan's assets measured at fair value on a recurring basis at the end of 2012, and the valuation techniques used by the Plan to determine those fair values. The inputs used in the determination of these fair values are categorized according to the fair value hierarchy as being Level 1, Level 2 or Level 3.

Fair Value Measurements of Investments (continued)

In general, fair values determined by Level 1 inputs use unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access. The Plan's assets valued by Level 1 inputs are comprised of mutual funds which are traded actively on a public exchange and valued at quoted prices at the end of the fiscal year.

Anixter Inc. Employee Savings Plan

Notes to Financial Statements (continued)

Note 2. Summary of Significant Accounting Policies (continued)

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The Plan presents, in the statements of changes in assets, the net realized and unrealized appreciation or depreciation in fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. See Note 3, "Investments" for more information regarding the Plan's fair value measurement of its investments.

Purchases and sales of securities are recorded on the trade date. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Note 3. Investments

All investment information disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2012 and 2011, and net realized and unrealized appreciation in fair value of investments in mutual funds for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee, Fidelity Management Trust Company.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and schedules.

Note 5. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian, recordkeeper, and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 6. Plan Termination

Although they have not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Plan Amendment

Highly-compensated participants were previously allowed a contribution up to 7% of pre-tax compensation, as defined by the Plan, limited to IRS maximum amounts. Effective July 1, 2012 the maximum contribution was increase to 9% due to increases in overall employee participation rates in the Plan.

Note 8. Income Tax Status

The Plan has received a determination letter from the IRS dated August 29, 2013, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation.

* Deemed distributions represent a portion of participant loans in default or non-payment status as of year end. This amount is included in the current value of the participant loans reported in the Statement of Assets Available for Benefits, but excluded from the current value reported on the Form 5500.

Note 10. Personal Retirement Accounts

Employees hired on or after June 1, 2004 who earn a benefit under a Personal Retirement Account (cash balance account) in the Anixter Inc. Pension Plan (Pension Plan) receive a separate contribution to the Plan in a Personal Retirement Enhancement Account. The contribution equals the interest earned on the Personal Retirement Account in the Pension Plan and is based on the 10 year Treasury securities rate as of the last business day of December. The contribution is invested consistent with the participants' deferral elections. As a result of a change in the Company's Pension plan effective December 31, 2013, all employees will now receive this contribution in a Personal Retirement Enhancement Account.

Note 11. Risk and Uncertainties

The Plan invests in various mutual fund securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Assets Available for Benefits.
