- Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

- Significant estimates have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP. Significant estimates are estimates at the financial statement date that could change materially within the next year.

    - Non-exempt party-in-interest transactions [as defined in ERISA section 3(14) and regulations under the section] that were not disclosed in the supplemental schedules or financial statements.

    - Investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

    - Additional information that you have requested from us for the purpose of the audit.
    - Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
    - Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
    - Complete minutes of the meetings of the plan administrative committee, board of trustees, and committees of trustees, or summaries of actions of recent meetings for which minutes have not yet been prepared.
- There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

- We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
    - Management;

    - Others when the fraud could have a material effect on the financial statements.

- The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- All required filings of plan and trust documents with the appropriate agencies have been made.
- The Plan obtained its latest determination letter on May 11, 2009, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

- The Plan and the trust established under the Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

- The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

- The Plan has complied with the fidelity bonding requirements of ERISA.

- We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable and we are in compliance with DOL regulations regarding ERISA section 408(b)(2).

- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

- We acknowledge our responsibility for presenting the supplemental schedule in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and we believe the supplemental schedule, including its form and content, is fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- We have obtained the service auditor's report from our service organization Mass Mutual Financial Group. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2012.

- We understand that you prepared the trial balance for use during the audit and that your preparation of the trial balance was limited to formatting information into a working trial balance based on management's chart of accounts.

- As part of your audit, you prepared the draft financial statements, related notes, and supplemental schedules. We have designated an individual who possesses suitable skill, knowledge, and/or experience to understand and oversee your services; have made all management judgments and decisions; and have assumed all management responsibilities. We have evaluated the adequacy and results of the service. We have reviewed, approved, and accepted responsibility for those financial statements and related notes.

- We understand that as part of your audit, you prepared the adjusting journal entries necessary to convert our cash basis records to the accrual basis of accounting and acknowledge that we have reviewed and approved those entries and accepted responsibility for them.
