METAL SEAL PRECISION LTD  
401(k) PLAN  
Notes to the Financial Statements  
December 31, 2012

Note 1 - Plan Description:

The following description of the Metal Seal Precision LTD (the "Company") 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established November 1, 2011 for the benefit of employees working for Metal Seal Precision LTD. All full time employees are immediately eligible upon employment and have attained the age of 18 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan was designed to qualify under Section 401(k) of the Internal Revenue Code to provide tax-deferred retirement savings for the participants. The Plan participants are able, within certain specified limitations, to determine the amount to be withheld from their paychecks and contributed to the Plan, up to 80% of pretax annual compensation, limited to \$17,000 for 2012. The Company may also make discretionary contributions as determined annually by the Company.

Employer Matching

The employer will match 75% of every dollar contributed by the employee up to 6% of annual compensation.

Vesting

The participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant vests ratably from 20% each year of service to 100% for five years of credited service.

Withdrawals

Under extreme financial hardship (as defined by the plan), the participants of the plan may withdraw up to the amount of the actual contributions made. The Plan also allows for "in service" withdrawals at 59 1/2. These withdrawals may be taken from fully vested accounts only.

## Notes to the Financial Statements

### Note 1 - Plan Description - continued:

#### Forfeited Accounts

If amounts forfeited are profit sharing contributions, the forfeitures shall be allocated to the individual accounts of the qualifying participants. Forfeitures of matching contributions will also be allocated to the individual accounts of the qualifying participants.

#### Payment of Benefits

On termination of service due to death, disability or retirement, the distributions will be made pursuant to the election of the participant.

### Note 2 - Summary of Significant Accounting Policies:

The following accounting policies, which conform with accounting principles generally accepted in the United States, have been used consistently in the preparation of the Plan's financial statements.

#### Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### Investment Valuation and Income Recognition

The investments held by Captial Bank and Trust Company are reported at their fair value as determined by the holders of the investments. Earnings from investments includes interest and dividends received and appreciation or depreciation in the fair value of the investments.

## Notes to the Financial Statements

### Note 3 - Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

Statement of Financial Accounting Standards (SFAS) No. 157, Fair Value Measurements, established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 consists of observable inputs, either directly or indirectly, but are not quoted prices, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they are generally the most reliable evidence of fair value. The Plan measures fair value using Level 2 or Level 3 inputs when Level 1 inputs are not available.

Level 2 Fair Value Measurements - The fair value of Pooled Separate Accounts is based on the observable values of the underlying investments and underlying pools of securities.

Level 3 Fair Value Measurements - The fair value of General Investment Accounts is liquidation value based on actuarial formulas with no observable price. Participant Loans and Life Insurance are not actively traded and significant other observable inputs are not available. The fair value of the Participant Loans is equal to the amortized cost of the loans.

## Notes to the Financial Statements

### Note 5 - Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur.

These potential changes could materially affect participants' account balances and amounts reported in the statement of net assets available for benefits.

Participants should refer to the specific fund's prospectus and annual report for a full description of each fund's investment holdings and significant concentrations of credit risk.

### Note 6 - Plan Termination:

Although it has not expressed any intent to do so, the Plan sponsor reserves the right to terminate the Plan at any time by a written resolution of the Board of Trustees, subject to Plan provisions and the Employee Retirement Income Security Act of 1974. In the event of Plan termination, all benefits will be distributed to the participants in accordance with Plan provisions.

### Note 7 - Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated in August, 2001 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).
