To the Board of Trustees
Aegis Protective Services 401K Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Aegis Protective Services 401K Plan, which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2529.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 1, which was certified by State Street Bank & Trust, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of analysis of investments, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401K PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description Of Plan

The following description of the Aegis Protective Services 401K Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A) General

The Plan is a defined contribution plan and provides retirement benefits to employees who are not covered by a collective bargaining agreement. The Plan does permit contributions by the employees. The Plan became effective January 1, 2008. The date of the most recent IRS determination letter is October 7, 2008. The Plan operates as Automatic Data Processing Prototype 401(K) and Profit Sharing Plan. All holdings are maintained in participant directed accounts.

B) Eligibility

Employees after reaching age 21 and completing six months of service are eligible to participate in the Plan. Employees may contribute between 1% and 90% of their compensation. The Company can make a discretionary matching contribution or a nonelective contribution.

C) Vesting and Forfeitures

Employees are 100% vested in employee contributions. Employer contributions vest on a six year schedule as follows:

Less than 2 years -	0%
At least 2 years, but less than 3 years -	20%
At least 3 years, but less than 4 years -	40%
At least 4 years, but less than 5 years -	60%
At least 5 years, but less than 6 years -	80%
Six or more years -	100%

Forfeitures will be used to reduce Employer Contributions or to pay plan expenses.

D) Disability and Withdrawals

Employees who die or become eligible for disability under the Social Security Act will become 100% vested in their account balance. The Plan permits loans against the employees' account balance. Employees can withdraw their account balances at any time up to age 59 1/2 subject to certain withdrawal tax penalties and hardship rules. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum.

E) Limited Scope

The trustee's certification applies to investment assets, transactions, and income, and the schedule of investments.

Note 2 - Summary Of Significant Accounting Policies

A) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

**AEGIS PROTECTIVE SERVICES
401K PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

B) Estimates

The preparation of financial statements in conformity accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C) Investment Valuation and Income Recognition

Investments are reported at fair value. Market prices are supplied by State Street Bank and Trust at December 31. Unrealized gains and losses in market value are reflected in the Statements of Changes in Net Assets Available for Benefits. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measureable date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D) Receivables

Contributions based on employee deductions prior to December 31 and not received are recorded as receivables.

Interest accrued and dividends declared on investments and not received by December 31, are recorded as receivables.

There were no receivables at year end.

G) Payment of Benefits

Benefits are recorded when paid.

H) Operating Expenses

All expenses of maintaining the Plan are paid by the Company.

Note 3 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. Upon termination all employee accounts will be 100% vested and will be distributed to employees as soon as administratively feasible.

Note 4 - Investments

The Plan's investments are held by State Street Bank and Trust. Schedule A presents the fair values of those investments. All investments are separately identified including those representing 5% or more of the plan's net assets.

Generally accepted accounting principles define fair value, establish a framework for measuring fair value, and establish a fair value hierarchy that prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the

Note 4 - Investments - continued

principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach are used to measure fair value. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for identical assets.
- Level 3 inputs are unobservable and have the lowest priority, and rely on management's fair value measurement policies and procedures.

All investments held by the Organization are valued at level 1 inputs.

During 2012, the Plan's investments (including investments bought, sold, as well as held during the year) had a net appreciation in fair value of \$4,730 and a net realized gain of \$208 as follows:

<u>2012</u>	<u>APPRECIATION</u>	<u>NET REALIZED GAIN(LOSS)</u>
Common/Collective Trusts	\$ 57	\$ 27
Mutual Funds	4,673	181
TOTAL	<u>4,730</u>	<u>208</u>
<u>2011</u>		
Common/Collective Trusts	(85)	23
Mutual Funds	(1,575)	15
TOTAL	<u>(1,660)</u>	<u>38</u>

Note 5 - Related Party Transactions

Certain plan investments are shares of common/collective trust managed by State Street Bank and Trust. State Street Bank and Trust is the trustee of the plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 6 - Tax Status

The Internal Revenue Service has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC), based on all amendments adopted as of October 24, 2008. The Plan administrator believes the Plan is no longer subject to tax examination for years prior to 2009.

Note 7 - Subsequent Events

In preparing these financial statements, the Trust has evaluated events and transactions for potential recognition or disclosure through August 8, 2013, the date the statements were available to be issued.

**AEGIS PROTECTIVE SERVICES
401K PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
