INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
United Transportation Union Officer, Staff, LO and GO 401(k) Retirement Plan
North Olmsted, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of the United Transportation Union Officer, Staff, LO and GO 401(k) Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the United Transportation Union Officer, Staff, LO and GO 401(k) Retirement Plan as of December 31, 2012 and 2011, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

NOTE A - DESCRIPTION OF PLAN

The following description of United Transportation Union ("Union") Officer, Staff, LO and GO 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all employees of the Union who are age twenty-one or older and have attained one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants are notified of the maximum percentage of pretax annual compensation that they may contribute, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Additional profit sharing amounts may be contributed at the option of the Union's board of trustees. Contributions are subject to certain IRS limitations.

Participant Accounts. Each participant's account is credited with the participant's contributions and Union contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Union's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after four years of credited service.

Payment of Benefits. On termination of service due to death, disability, retirement or other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions. The Plan refunded the 2012 and 2011 excess contributions to the applicable participants prior to March 15, 2013 and 2012.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Expenses of maintaining the Plan are paid directly by the Union and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C - INVESTMENTS

The following presents investments that represent 5 percent or more of the Plan's net assets:

	<u>2012</u>	<u>2011</u>
T. Rowe Price Retirement 2020	\$416,539	\$254,389
T. Rowe Price Retirement 2015	242,966	156,653
T. Rowe Price Retirement 2035	59,554	36,375
T. Rowe Price Retirement 2025	54,759	39,575
T. Rower Price Growth Stock	48,782	29,469
T. Rowe Price Equity Income	36,955	21,637
T. Rowe Price Retirement 2030	34,921	16,605
PIMCO Total Return	31,200	15,190

During 2012 and 2011, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) changed in value as follows:

	<u>2012</u>	<u>2011</u>
Mutual funds	<u>\$82,906</u>	<u>\$(21,967)</u>

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: inputs consist of unadjusted quoted market prices for identical or similar assets or liabilities in active markets that the Plan has the ability to access or quoted prices for identical or similar assets or liabilities in inactive markets.

Level 2: inputs consist of observable inputs other than quoted prices for identical assets, which include inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: inputs are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 and 2011.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Value is based on the cost as of the time of purchase and thereafter accreting/amortizing any purchase discount/premium at a constant rate until maturity. Amortized cost approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012 and 2011:

	Assets at Fair Value		
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>
<u>December 31, 2012</u>			
Mutual funds	\$ 998,586	\$ 998,586	\$ -
Money market fund	4,600	-	4,600
Total	\$ 1,003,186	\$ 998,586	\$ 4,600
<u>December 31, 2011</u>			
Mutual funds	\$ 609,174	\$ 609,174	\$ -
Money market fund	3,300	-	3,300
Total	\$ 612,474	\$ 609,174	\$ 3,300

NOTE E – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by T. Rowe Price. T. Rowe Price is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than direct payment. The Union pays directly any other fees related to the plan's operations.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE G - TAX STATUS

The Plan adopted a prototype non-standardized profit sharing plan with CODA. The Internal Revenue Service has determined and informed the prototype sponsor by letter dated March 31, 2008 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. And therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2012</u>	<u>2011</u>
Net assets available for benefits per the financial statements	\$ 936,973	\$ 571,611
Excess contributions payable per the financial statements	<u>-</u>	<u>40,863</u>

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of participant contributions per the financial statements for the year ended December 31, 2012, to the Form 5500:

Participant contribution per the financial statements	\$ 268,242
Excess contributions payable included in benefit payments on 5500	<u>66,213</u>
Participant contributions per the Form 5500	<u><u>\$ 334,455</u></u>

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2012, to the Form 5500:

Benefits paid to participants per the financial statements	\$ 8,094
Excess contributions payable in prior year	40,863
Excess contributions payable netted against contributions on financial	<u>66,213</u>
Participant contributions per the Form 5500	<u><u>\$ 115,170</u></u>

Excess contributions payable were netted against current year contributions on the financial statements, however, on the Form 5500, they are required to be included with benefit payments. The 2011 excess contributions payable were not recorded on the prior year 5500 and are included in the 2012 amount.

NOTE J – RESTATEMENT

The 2011 financial statements presented were restated to reflect a decrease in net assets available for benefits of \$40,863 for excess contributions payable that were not recorded in 2011. The amount decreased participant contributions by \$40,863 and therefore decreased the change in net assets for 2011 by that amount.

NOTE K – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 25, 2013, the date the financial statements were available to be issued.
