To the Plan Administrator of
Vitalize Consulting Solutions, Inc. 401(k) Plan:

Report on Financial Statements

We were engaged to audit the accompanying financial statements of the **Vitalize Consulting Solutions, Inc. 401(k) Plan** (the "Plan"), which comprise the statements of net assets in liquidation available for benefits as of December 31, 2012 and 2011, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company (U.S.A.), the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of December 31, 2012 and 2011, and for the years then ended, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

As further discussed in Note 1 to the financial statements, the plan administrator adopted a resolution to terminate the Plan effective August 4, 2011. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis to the liquidation basis for periods after August 4, 2011.

Other Matter

The supplemental schedule, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2012, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(k) Plan

Notes to Financial Statements

- 1. Description of the Plan** The following description of **Vitalize Consulting Solutions, Inc. 401(k) Plan** ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.
- General* The Plan is a defined contribution plan covering all eligible employees of **Vitalize Consulting Solutions, Inc.** (the "Company", "Plan administrator"). On August 5, 2011 ("acquisition date") the Company was acquired by Science Applications International Corporation ("SAIC"). As a prerequisite of this acquisition, the Plan was terminated on August 4, 2011.
- Plan termination* In connection with the termination of the Plan (which occurred on August 4, 2011), the Plan document provides that the participants' accounts become 100% vested and not subject to forfeiture upon termination.
- Participant accounts* Each participant's account is credited with an allocation of investment earnings. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
- Notes receivable from participants* Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance in the previous 12 months or 50% of their vested account balance. Loan terms may not exceed five years, unless used for the purchase of a primary residence, in which case the term may be up to 15 years. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate of interest charged by the plan sponsor's primary bank as of the date of the loan. Principal and interest is paid ratably through payroll deductions. No new loans were available following the Plan termination.
- Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest on notes receivable from participants is accrued and paid every pay period.
- Payment of benefits* Benefits from the participant's vested account are normally payable to the Plan participants upon retirement, disability, death, or other termination. The only form of payment under the Plan is a lump sum distribution. Benefits are recorded when paid.

Vitalize Consulting Solutions, Inc.

401(k) Plan

Notes to Financial Statements

<i>Forfeitures</i>	Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeited amounts are retained in the Plan and are used to reduce future employer contributions. Forfeited non-vested accounts were \$0 and \$2,806 at December 31, 2012 and 2011, respectively.
2. Summary of Significant Accounting Policies	This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP") and have been consistently applied in the preparation of the financial statements.
<i>Basis of accounting</i>	As a result of the Plan's termination, the basis of accounting used to present Plan assets is on a liquidation basis, in conformity with accounting principles generally accepted in the United States of America ("GAAP").
<i>Use of estimates</i>	The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.
<i>Cash and cash equivalents</i>	The Plan considers all highly liquid debt instruments with an initial maturity date of three months or less to be cash equivalents. Cash and cash equivalents excludes temporary cash held in participant accounts.
<i>Investments and related transactions</i>	<p>Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.</p> <p>Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.</p>

401(k) Plan

Notes to Financial Statements

Administrative expenses Except for the Custodian fees, the Plan's administrative costs and expenses are generally paid by the Company.

Adoption of new accounting pronouncement In May 2011, the FASB issued Accounting Standards Update No. 2011-04, *Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and International Financial Reporting Standards (Topic 820)—Fair Value Measurement* (ASU 2011-04), to provide a consistent definition of fair value and ensure that the fair value measurement and disclosure requirements are similar between U.S. GAAP and International Financial Reporting Standards. ASU 2011-04 changes certain fair value measurement principles and enhances the disclosure requirements particularly for Level 3 fair value measurements. ASU 2011-04 is effective for the Plan prospectively for the year ending December 31, 2012. The adoption of ASU 2011-04 did not have a material impact on the Plan's financial statements.

3. Fair Value Measurements

The "*Fair Value Measurements and Disclosures*" topic of the FASB ASC provides the framework for measuring fair value. Fair value is determined using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Quoted prices in active markets for identical assets and liabilities.

Level 2 – Significant other observable inputs.

Level 3 – Significant unobservable inputs.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Pooled separate accounts are valued based on the quoted price for the underlying marketable securities. The Plan has a stable value fund which invests in a trust whose investment strategy is to preserve principal and provide liquidity. The trust invests in mutual funds and bond accounts maintained by the trustee. The trust uses stabilization agreements to offset

Vitalize Consulting Solutions, Inc.

401(k) Plan

Notes to Financial Statements

3. Fair Value Measurements, Cont'd

price fluctuations. The stable fund is valued based on this quoted market price for the underlying securities. The contract value of the stable value fund approximated fair value. The average yield on the stable value fund was 1.89% and 1.84% during the years 2012 and 2011, respectively. The trust reserves the right to delay withdrawals for up to thirty days if the withdrawal could have an adverse affect on the trust. There have been no changes in the valuation methodologies used at December 31, 2012 and 2011.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan did not hold any Level 1 or Level 3 investments in 2012 or 2011.

At December 31, 2012 and 2011, the Plan's investments were categorized as follows in the fair value hierarchy as Level 2:

	2012	2011
Aggressive Stock Funds	\$ 1,598,297	\$ 1,569,625
Balanced Funds	3,884,089	3,583,719
Bond Funds	892,619	734,307
Growth and Income Stock Funds	2,675,095	2,677,495
Growth Stock Funds	2,325,010	2,701,327
Stable Value Fund	422,090	291,519
Total	\$ 11,797,200	\$ 11,557,992

4. Information Certified by the Plan's Custodian (Unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-58 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

All Plan assets are held by the Plan Custodian, who is responsible for the maintenance of all accounting records and the preparation of reports of activity related to those assets. The Trustee has certified to the Company the completeness and accuracy of the financial information and data presented in the Plan's financial statements and supplemental schedule.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets in liquidation available for benefits.

**7. Parties-In-
Interest
Transactions**

Certain Plan assets are invested in Custodian accounts. These transactions qualify as party-in-interest transactions.

**8. Reconciliation
