Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Capital Bank and Trust, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held At End of Year) and Schedule H, line 4a-Schedule of Delinquent Participant Contributions, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

E+ HEALTHCARE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2012 and 2011

1. DESCRIPTION OF THE PLAN

The following description of the E+ Healthcare 401(k) Plan (the "Plan"), as adopted on January 1, 2003, is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan was established as a defined contribution plan for employees of E+ Healthcare, LLC (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company serves as Plan Administrator.

The Plan covers employees who are at least 21 years old. Once employees have met the eligibility requirements, they may enter the Plan on the first day of the following month. Capital Bank and Trust serves as the trustee of the Plan.

Contributions - Participants may contribute up to the lesser of Form W-2 compensation, excluding fringe benefits, bonuses and commissions, or the statutory maximum to the Plan through a pretax salary deferral, as defined in the Plan Agreement. The salary deferral percentage can be changed at the discretion of the participant. The Plan provides for matching contributions equal to 100% of salary deferrals that do not exceed 3% of eligible compensation plus 50% of salary deferrals between 3% and 5% of eligible compensation. The Plan also provides for discretionary profit sharing contributions that can be made by the Company. No discretionary profit sharing contributions were made to the plan during the year ended December 31, 2012. Participants direct the investment of their contributions and the Company's matching contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants.

Participant accounts - Each participant's account is credited with the participant's elective deferral contributions and withdrawals, allocations of the Company contributions, and Plan earnings. Allocations are based on either the participant's eligible compensation or account balance, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant loans - Participant loans are not permitted through the Plan.

Hardship distributions - Hardship distributions are permitted if the distribution is due to expenses incurred or necessary for medical care described in the Internal Revenue Code ("IRC") Section 213(d), purchase of a principal residence, payment of tuition, to prevent eviction from or foreclosure of the principal residence, or any other condition which the Commissioner of the Internal Revenue Service determines is a deemed immediate and financial need of the participant.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Beginning January 1, 2008, the Plan elected "safe harbor" provisions, which provide for 100% immediate vesting of all employer matching contributions calculated on eligible compensation. Contributions prior to January 1, 2008 by participants formerly employed by Rocky Mountain Oncology Center, LLC (merged January 1, 2008) vest as follows:

0% = 1 Year of Service	20% = 2 Years of Service
40% = 3 Years of Service	60% = 4 Years of Service
80% = 5 Years of Service	100% = 6 Years of Service

1. DESCRIPTION OF THE PLAN (Continued)

Payments of benefits - On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of his or her vested interest in their account, in either a lump-sum amount or paid directly to an eligible retirement plan specified by the participant in a direct rollover. For termination of service due to other reasons, a participant may elect any of the aforementioned options or roll over the account balance into an IRA or new employer's qualified plan. Participants should refer to the Plan documents for a full description of the distribution methods offered by the Plan.

Forfeited accounts - At December 31, 2012 and 2011, the forfeited non-vested accounts were \$11,401 and \$2,143 respectively. The funds are used to reduce future employer contributions or reallocated to participants as a percentage of compensation. During 2012, employer contributions were reduced by \$2,126.

Investment options - Upon enrollment in the Plan, a participant may direct contributions in any investment funds approved by the Company. All investments are participant-directed. Participants should refer to the Company for a description of the investment options and their respective investment objectives.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in net assets available for benefits of the Plan, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend rate. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits paid - Benefits are recorded when paid.

Administrative expenses - Administrative expenses of the Plan may be paid by the Plan, the company or the self-directing participants.

Subsequent events - The Plan has evaluated subsequent events through October 9, 2013, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* ("ASC 820") provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

4. FAIR VALUE MEASUREMENTS (continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 or 2011.

Mutual funds and Interest-bearing cash: Valued at the net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012 and 2011:

Assets at Fair Value as of December 31, 2012

5. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by American Funds Group, a related party to Capital Bank and Trust, the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their employer contributions and the assets under the Plan will be distributed to the participants based upon their account balances.

7. TAX STATUS

The Company adopted the American Funds Prototype Basic Plan Document. An opinion letter has been issued by the national office of the Internal Revenue Service as evidence that the Plan is qualified under section 401 of the IRC as tax-exempt. The Plan has been amended since receiving the determination letter. However, the Plan's administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2012 and 2011:

10. PROHIBITED TRANSACTIONS

The Company failed to remit to the Plan's trustee certain employee contributions totaling approximately \$32,584 within the period prescribed by Department of Labor regulations. Delays in remitting contributions to the trustee were due to administrative errors, and the company has calculated and remitted the lost earnings on those late deposits.
