NOTES TO FINANCIAL STATEMENTS
December 31, 2012

NOTE A – DESCRIPTION OF PLAN

The following description of the Gold Coast Eagle Distributing Employees Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all eligible employees of Gold Coast Eagle Distributing, LLLP, (the Company). Employees who are at least twenty-one years of age and have completed one year of service, (with a minimum of 1,000 hours of service) are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts

Each participant account is credited with the participant's contribution, and allocations of the Company's discretionary contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may contribute to the Plan up to $16,500 of their annual compensation for 2011. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company elected to make a discretionary non elective contribution. The Company contribution is allocated among eligible participants based on a uniform percentage of included compensation as follows: 3% for 1-3 years of service and 1-2 years of participation; 4% for 4-5 years of service and 3-4 years of participation; 5% for over 6 years of service and 5 years of participation. The Company, at its discretion, may also make other qualified non-elective contributions.

Vesting

Participants are immediately 100% vested in their voluntary pre-tax contributions plus actual earnings thereon. Participants vest in the Company contributions as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE A – DESCRIPTION OF PLAN – CONTINUED

Payment of Benefits

Upon termination of service, (due to termination, retirement, death or disability), a participant may elect to receive an amount equal to the value of his or her vested account balance.

Upon reaching normal retirement age of 59 ½, participants are entitled to all of their accounts under the Plan. Generally, the Plan is compelled to begin minimum distributions of vested balances of participants reaching 70½. All other active participants may only receive a distribution of their vested balances in the event of financial hardship as defined by the Internal Revenue Service and as set forth in the Plan.

Forfeitures

Forfeitures of non-vested accounts are used to reduce future Company contributions and are allocated to eligible participant accounts. At December 31, 2012, forfeitures in the amount of $6,338 were available for use to reduce future Company contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value, based on the last reported sales price on the last business day of the Plan year. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchased and sales of investments are recorded on a trade-date basis.

Realized gains/(losses) on investments sold during the year have been included with unrealized gains/(losses) for the year in Net Appreciation (Depreciation) in Fair Value in the Statement of Changes in Net Assets Available for Benefits.

Contributions

Contributions from Plan participants are recorded in the plan year the Company makes the payroll deductions from participants' wages. Company contributions are made on a quarterly basis and are recorded in these financial statements in the year they pertain to.

Payment of Benefits

Benefits are recorded when paid. At December 31, 2012, there was approximately $0 allocated to persons who, at the financial statement date, have elected to withdraw from the plan, but have not been paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from these estimates.

Expenses of the Plan

Plan administrative expenses and professional fees are paid by the Plan. These expenses include commissions and administrative expenses.

NOTE C – INVESTMENTS

Hartford Life Insurance Company was the custodian of the Plan assets, at December 31, 2012 and December 31, 2011. Information with respect to investments held by Hartford Life Insurance Company and their market values, as well as income and losses on investments included in the financial statements and supplemental schedules have been certified by Hartford Life Insurance Company as being complete and accurate.

The December 31, 2012 and 2011 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefit for the year ended December 31, 2012, and the accompanying notes to the financial statements were prepared in part from information certified by Hartford Life Insurance Company in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $2,613,321 and $2,224,128 at December 31, 2012 and 2011, respectively. The certified information also includes related investment income of $226,971 for the year ended December 31, 2012. All investment gains (losses) are included in the net appreciation (depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits. This classification is consistent with the presentation in Form 5500.

The following are investments held by Hartford Life Insurance Company and Capital Bank and Trust Company that represent 5% or more of the Plan's net assets at December 31:

	2012	2011
Hartford Fixed Account	$ 1,084,537	$ 918,061
Hartford Target Retirement 2020 R3	266,643	289,036
Hartford Target Retirement 2030 R3	231,772	168,071
Hartford Target Retirement 2040 R3	247,482	167,697
American Funds Growth Fund of America R1	124,311	117,112

During 2012, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) which are held in various types of mutual funds and a guaranteed investment contract, appreciated in the amount of $196,294.

NOTE D – ADMINISTRATIVE EXPENSES

Certain Plan investments are shares of mutual funds with American Funds Distributors, Inc. As American Funds Distributors, Inc. provides third party services to the plan, these transactions qualify as party-in-interest transactions. The Company provides to the Plan certain accounting and administrative services for which no fees are charged. The Company also absorbs significant plan expenses.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

NOTE F – TAX STATUS

The plan obtained its latest determination letter on May 28, 2002, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan's management has analyzed the tax provisions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure I the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal income tax return for fiscal years ended December 31, 2011, December 31, 2010, and December 31, 2009 are subject to examination by the Internal Revenue Service, generally for three years after the federal income tax returns were filed.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31, 2012	December 31, 2011
Net assets available for benefits per the financial statements	$ 2,683,852	$ 2,281,585
Employer contribution receivable	(57,915)	(57,457)
Net Assets Available for Benefits per Schedule H of Form 5500	$ 2,625,937	$ 2,224,128

NOTE I – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements
The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end and are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements
The fair value of stable value funds are generally obtained directly from the fund house or other investment provider. Valuations are based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly, i.e. quoted prices used to value similar instruments in active market such as bonds.

Level 3 Fair Value Measurements
The fair value of guaranteed investment contract is valued by discounting the related cash flows based on the current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

NOTE I – FAIR VALUE MEASUREMENTS – CONTINUED

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2012 and 2011:

		Fair Value Measurements at Reporting Date Using:	
	December 31, 2012	Level 1	Level 3

Effective January 1, 2013 - Role of MassMutual

Massachusetts Mutual Life Insurance Company (together, with its affiliates, "MassMutual") acquired The Hartford's retirement plans business effective January 1, 2013. In connection with the acquisition, The Hartford appointed MassMutual to provide all of administrative services necessary to support your plan's contract. In this role, MassMutual receives all charges, fees and compensation – both direct and indirect – as payable to The Hartford for the services provided to your plan under the packaged retirement services programs. Additionally, MassMutual and its affiliates are responsible for marketing and selling the retirement plan services programs and for paying sales commissions and other compensation to Financial Intermediaries for sales and marketing activities related to the retirement plan services programs.

For Form 5500 Schedule C reporting purposes, all Direct Compensation items (e.g., fees distributed from participant accounts) plus certain Indirect Compensation items (e.g., sales commissions) are reported on a Plan Year basis, and all remaining Indirect Compensation items (e.g., revenue sharing) are reported on a Calendar Year basis. As a result, if your 2012 Plan Year is an off-calendar year Plan Year (e.g., July 1, 2012 - June 30, 2013) certain of your Plan's Schedule C information may list multiple entities as payors or payees of Direct and Indirect Compensation.

Massachusetts Mutual Life Insurance Company: EIN 04-1590850

MassMutual Retirement Services, LLC (formerly Hartford Retirement Services, LLC): EIN 26-1589907

Hartford Life Insurance Company: EIN 06-0974148

Hartford Securities Distribution Company, Inc.: EIN 06-1408044

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator ("you") in completing the Form 5500 Schedule C[1] by identifying different types of compensation paid with respect to the Hartford product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2012 - 12/31/2012 and indirect compensation is presented on a calendar year basis ending 12/31/2012.

This report includes compensation actually paid to or by the Hartford within the indicated plan year as part of your Hartford product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your Hartford customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than Hartford). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our Hartford product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your Hartford Service Team should you require additional information regarding the compensation paid to or by Hartford with respect to your plan.

****

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

---

[1] Please refer to the Schedule C of the Form 5500 and its instructions (available at: http://www.dol.gov/ebsa/5500main.html), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Total Direct Compensation Paid **$250.00**

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction for the plan year. Service providers which have received portions of these direct fees are listed below, along with the amount of fees they received. Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: Hartford Life Insurance Company EIN: 06-0974148

Service Codes: 15, 23, 37, 38, 54, 55, 59, 60, 62, 63, 64, 65, 66, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **$250.00**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2012 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Hartford Life Insurance Company are the net result of aggregating direct compensation after the effects of adjustments processed in 2012, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Float compensation **$4.59**

Bank accounts and investments associated with short-term investment pool, 200 Hopmeadow Road, Simsbury, CT 06089

This is an estimate based on the annual average rate of float (0.1285% for 2012) earned on the bank accounts and investments associated with the short-term investment pool for the 2012 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted to The Hartford cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor. The Plan Sponsor should consult with their tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. Hartford's Code of Ethics and Business Conduct generally restricts Hartford employees from giving to or receiving gifts from customers and/or business partners having a value of over $100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the calendar year, including Hartford, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-Hartford parties may not be available to The Hartford.

Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in Hartford Life Insurance Company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The list includes any investment option held by the plan on at least one month end during the 2012 calendar year. To arrive at an estimate of the dollar amount that Hartford received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable,

the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

* This amount is the sum of the fund's distribution, management and other fees, which are also identified in the fund's prospectus. Please note that, for 2012, affiliates of Hartford Life Insurance Company act as advisor to the Hartford funds. Such affiliates are identified in the fund's prospectus and receive management fees in the following amounts:

Hartford Capital Appreciation R3	0.65% x assets
Hartford Index HLS IB	0.30% x assets
Hartford Intl Small Company R3	0.90% x assets
Hartford Target Retirement 2020 R3	0.15% x assets
Hartford Target Retirement 2030 R3	0.15% x assets
Hartford Target Retirement 2040 R3	0.15% x assets
Hartford Target Retirement 2050 R3	0.15% x assets

NOTE: In 2012, Hartford participated in Morgan Stanley Smith Barney's ("MSSB") retirement platform for sales and marketing support, and paid a Training Support Fee of $250,000 to MSSB for its services, with respect to 2,458 Hartford brokerage-based plans. MSSB has instructed Hartford to use MSSB's per plan allocation reflected above for 2012 Form 5500 Schedule C reporting purposes, which MSSB has advised was calculated based on the total amount of Training Support Fee payments MSSB collected from all participating providers, including Hartford, divided by MSSB's entire book of brokerage-based plans with those participating providers. Please note that this per plan allocation would have been different if presented based on the Training Support Fee paid by a particular participating provider (e.g., Hartford), divided by the number of brokerage-based plans with that participating provider.
