Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which were certified by TD Ameritrade Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at year end) as of December 31, 2012 and delinquent participant contributions for the year ended December 31, 2012, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2012

(1) Description of Plan

The following description of the Autumn Corporation 401(k) Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- b. Contributions. Participants may make contributions by electing to have their pretax compensation reduced by an amount not to exceed \$17,000 per year. Qualifying individuals may contribute an additional \$5,500 "catch up" contribution. Participants may also contribute amounts representing distributions from other qualified plans. The employer may make matching contributions equal to a discretionary percentage, (determined by the employer) of the participant's salary reductions.

Upon enrollment in the Plan, a participant directs employee and employer contributions in any of the Plan's investment options. Participants may change their investment options on a daily basis.

- c. Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of the employer's contribution and Plan earnings (losses) and charged with an allocation of Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Participants become fully vested upon total and permanent disability or death.
- e. Participant Notes Receivable. The Plan allows loans to participants of up to one-half of their vested balance (not to exceed \$50,000) but not less than \$1,000. Loans are repaid within a five-year period or less by payroll deduction and bear interest at a financial institution's prime loan rate, currently 4.25 percent. Loans are secured by the balance in the participant's account.
- f. Payment of Benefits. On termination of service, due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his account as a lump-sum distribution.
- g. Forfeited Accounts. At December 31, 2012 and 2011, forfeited nonvested accounts totaled \$18,592 and \$40,359, respectively. These accounts will be used to reduce employer contributions. Forfeitures of \$18,592 and \$40,359 were used to reduce employer contributions for 2012 and 2011, respectively,

(2) Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

**AUTUMN CORPORATION 401(K)
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements, Continued

December 31, 2012

(2) Summary of Significant Accounting Policies, Continued

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note (4) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits:

Benefits are recorded when paid.

Operating Expenses:

Except for loan origination fees associated with notes receivable from participants, all expenses of maintaining the Plan are paid from Plan assets and deducted from participant accounts in accordance with the plan document.

(3) Information Certified by the Trustee (Unaudited)

At December 31, 2012 and 2011 the Plan's investments were held in trust and administered by the Trustee. All investment information presented in the accompanying financial statements and supplementary schedules, including investments held and net appreciation (depreciation) in fair value of investments and interest and dividends, was obtained or derived from information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(3) Information Certified by the Trustee (Unaudited), Continued

During 2012 and 2011, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

	<u>2012</u>	<u>2011</u>
Mutual funds	\$ <u>1,748,258</u>	<u>(724,599)</u>

(4) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for plan benefits.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were used.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2012 and 2011.

(5) Related-party Transactions

Fees paid by the Plan for trust and recordkeeping services amounted to \$204,978 and \$193,689 for 2012 and 2011, respectively. These transactions qualify as exempt party-in-interest transactions.

(6) Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

(7) Tax Status of Plan

The Plan, last amended July 8, 2011, is a volume submitter plan document which has received a favorable advisory opinion letter dated March 31, 2008 from the Internal Revenue Service. The plan administrator believes that the Plan is qualified and operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2009.

(8) Risks and Uncertainties

The Plan invests in various investment securities as directed by participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) Subsequent Events

The need for disclosure of subsequent events has been evaluated through September 30, 2013, the date the financial statements were available to be issued.
