LEP Special Fasteners, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2012 and 2011

Note 1 - Plan Description

The following description of LEP Special Fasteners, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan was established by LEP Special Fasteners, Inc. (the "Company") on March 1, 2007 and covers all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective July 1, 2013, the Company changed its name to Fontana Fasteners, Inc. and the plan name has been amended to Fontana Fasteners, Inc. 401(k) Plan.

Any covered employee of the Company who has attained 18 years of age is eligible to participate in the Plan. Participants were eligible to participate in the Plan on the first day of the month subsequent to their date of hire date. Effective February 2, 2013, participants are eligible to participate in the Plan on the first day of the plan quarter following the date the individual met the eligibility requirements.

Contributions - Participants may elect to make 401(k) deferral contributions up to 100 percent of their total earnings. These contributions are made out of pretax earnings and are subject to certain Internal Revenue Service (IRS) limitations.

Participants may also contribute, with the consent of the plan administrator, amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan provides for employer matching contributions of 50 percent of the participant's contribution not to exceed 6 percent of the employee's compensation.

The Company may make a discretionary qualified nonelective contribution to each participant based on a uniform percentage of each participant's compensation. The Company did not make any discretionary contributions to the Plan in 2012.

Participant Notes Receivable - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. Loan terms range from one to five years. However, a loan may exceed five years if used for the purchase of a principal residence. The loans are secured by the balance in the participant's vested account and bear interest at a reasonable fixed rate, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

LEP Special Fasteners, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2012 and 2011

Note 1 - Plan Description (Continued)

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting - Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon. Participants vest in their employer matching and discretionary contribution accounts in accordance with the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	50
3	100

Benefit Payments - Distributions are payable upon death, disability, or termination of service. A participant may elect to receive the value of the participant's vested interest in his or her account in the form of a lump-sum payment. Active participants may also begin taking tax-free distributions from the Plan upon reaching the age of 59½.

Hardship Withdrawals - Participants may request that all or a portion of their account be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.

Forfeitures - If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions.

Party-in-interest Transactions - Certain plan assets are in investment funds managed by Nationwide Financial Services, Inc. or its affiliates. Nationwide Financial Services, Inc. is the custodian of the Plan and therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines.

Termination - While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

LEP Special Fasteners, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2012 and 2011

Note 2 - Summary of Significant Accounting Policies

Investment Valuation - The Plan's investments are stated at fair value.

The money market fund is valued at fair value based on its outstanding balance. All other investments are valued based on quoted market prices. See Note 4 for additional information.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Various administrative costs are paid by the Company.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Participant Notes Receivable - Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Subsequent Events - The financial statements and related disclosures include evaluation of events up through and including October 7, 2013, which is the date the financial statements were available to be issued. See Note 6 for additional information.

Reclassification and Restatement - Certain prior year amounts have been reclassified to conform to the current year presentation. As a result of the reclassification during 2012, it was determined that investments previously classified as Level 2 investments should have been classified as Level 1 based on the fair value hierarchy. Accordingly, the 2011 fair value disclosure has been updated.

LEP Special Fasteners, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2012 and 2011

Note 3 - Unaudited Information

Nationwide Financial Services, Inc., including its subsidiary Nationwide Trust Company, FSB, a division of Nationwide Bank (the "Custodian"), holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information provided by the Custodian.

Investments that comprise a significant portion of end-of-year net assets are as follows:

	2012	2011
Mutual funds:		
Vanguard Target Retirement 2020 Total	\$ 1,031,413	\$ 862,552
Vanguard Target Retirement 2030 Total	627,851	505,731
Vanguard Target Retirement 2040	765,465	668,433
Money market fund - Dreyfus Institutional Preferred		
Money Market Fund	187,220	178,456

Note 4 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2012 and 2011.

Level 1 - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2 - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

LEP Special Fasteners, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2012 and 2011

Note 4 - Fair Value Measurements (Continued)

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Assets Measured at Fair Value on a Recurring Basis at December 31, 2012

	Level 1	Level 2	Balance at December 31, 2012
Mutual funds:			
Equity investments	\$ 653,736	\$ -	\$ 653,736
Retirement-year based investments	2,971,368	-	2,971,368
Fixed-income investments	76,001	-	76,001
Money market fund - Short-term investment	-	187,220	187,220
Total	<u>\$ 3,701,105</u>	<u>\$ 187,220</u>	<u>\$ 3,888,325</u>

Assets Measured at Fair Value on a Recurring Basis at December 31, 2011

	Level 1	Level 2	Balance at December 31, 2011
Mutual funds:			
Equity investments	\$ 576,982	\$ -	\$ 576,982
Retirement-year based investments	2,383,926	-	2,383,926
Fixed-income investments	56,701	-	56,701
Money market fund - Short-term investment	-	178,456	178,456
Total	<u>\$ 3,017,609</u>	<u>\$ 178,456</u>	<u>\$ 3,196,065</u>

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no transfers between levels of fair value hierarchy during 2012.

Note 5 - Tax Status

The Plan, as adopted, is a volume submitter plan of Sungard Corbel, LLC, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2008. The Plan has not individually sought its own determination letter.

LEP Special Fasteners, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2012 and 2011

Note 5 - Tax Status (Continued)

In accordance with guidance on accounting for uncertainty in income taxes, management evaluated the Plan's tax position and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The plan administrator believes the Plan is no longer subject to tax examinations for years prior to 2009.

Note 6 - Subsequent Events

Effective January 28, 2013, the Plan amended its period of service to include that any time spent with an affiliated employer shall be recognized. Affiliated employers include Fontana America, Inc. (the parent company of the plan sponsor) and the now defunct Fontana USA, Inc (which merged operations with LEP Special Fasteners, Inc. effective January 1, 2012).

Effective September 12, 2013, all assets of the plan were transferred to State Street Bank and Trust Co., the new trustee of the Plan. ADP Retirement Services, Inc. serves as the new recordkeeper for the Plan. As a result of this transfer, the Plan adopted a new prototype plan document under similar terms.
