Xencom Facility Management LLC and 401(k) Plan

INDEPENDENT AUDITOR'S REPORT

I was engaged to audit the accompanying statement of net assets available for benefits of Xencom Facility Management LLC and 401(k) Plan as of December 31, 2012 and 2011 and the related statement of changes in net assets available for benefits for the years then ended and the supplemental schedule of assets held for investment purposes at December 31, 2012. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo National Bank, the trustee, of the Plan during 2012 and 2011, except for comparing the information with the related information included in the financial statements and the supplemental schedules. The plan administrator has informed me that Wells Fargo National Bank, the trustee, holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustees is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying 2012 and 2011 financial statements and supplemental schedule taken as a whole. The form and content of the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of Xencom Facility Management LLC 401(k) Plan, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The accompanying notes are an integral part of these financial statements.

The following is a description of the Xencom Facility Management, LLC 401(K) Plan ("Plan"). The Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all employees of Xencom Facility Management, LLC ("Company") who are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The company absorbs the significant costs of the Plan.

B. Contributions

Each year, participants may make elective contributions of pretax compensation subject to the provisions of Internal Revenue Code Section 401(k) and the provisions of the Plan. Participants may also make rollover contributions from other qualified defined benefit or contribution plans. The Plan allows the company to make matching contributions in the amount determined by the company at its discretion. In 2012 and 2011, the company matched 100% of the participant contributions up to a maximum of 3% of participant compensation and 50% of the 4th and 5th percent. Total matching contributions are maximized at 4% of participant compensation. The company may make additional discretionary contributions.

C. Participant Accounts

Each participant's account is credited with the participant's contribution and rollover amounts, if any, and allocations of Plan earnings and the company contribution, and charged with an allocation of administration expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits each participant to direct the investment of his account balance under the Plan in the investment funds provided by the Plan.

D. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the company's matching contribution portion of their accounts plus actual earnings is based on years of continuous service; a participant is 100% vested after five years of credited service for company contributions made for years ending through December 31, 2002. A participant is 100% vested immediately in company contributions for years ending after December 31, 2002.

E. Payment of Benefits

The benefits to which participants are entitled are the vested portions of their accounts. On termination of service, a participant's vested account balance will be paid in a lump-sum distribution. Net assets available to terminated employees at December 31, 2012 and 2011 were $47,875 and $32,877, respectively.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

F. *Forfeited Accounts*

Forfeited, non-vested accounts are used to reduce future company contributions. There were no unallocated forfeitures at December 31, 2012 and 2011.

G. *Participant Notes Receivable*

Participants may borrow from their fund accounts a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear reasonable rates of interest. Principal and interest are paid ratably through payroll deductions.

H. *Investment Options*

The Plan allows participants to direct their accounts on a daily basis. The Plan's investments are held by a trust fund. The trustee, Wells Fargo Bank, N.A., maintains investment funds and a participant loan fund for the benefit of the participants. The investment funds include a money market fund and investments in registered investment companies, which invest in various combinations of debt and equity securities (Note 3).

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A. *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual method of accounting. Investments are recorded at fair value.

B. *Estimates*

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. *Investment Valuation and Income Recognition*

The Plan's investments in registered investment companies are stated at fair value as certified by Wells Fargo Bank, N.A., the Plan's trustee. Purchases and sales of securities are recorded on a trade date basis. Participant notes receivable are stated at fair value.

D. *Fair Value Instruments*

The Plan defines fair value within a framework established by generally accepted accounting principles. The framework includes a three-tier hierarchy for measuring fair value as follows: level 1 – quoted market prices in active markets; level 2 – inputs other than quoted prices that are directly or indirectly observable or level 3 – unobservable inputs where there is little or no market activity. The fair value of the Plan's investments in the accompanying financial statements was determined using quoted prices from active markets (level 1).

NOTE 3 – INVESTMENTS

The Plan's investments are held in a bank-administered trust fund. The following table presents investments at December 31, 2012 and 2011:

	December 31, 2012		December 31, 2011	
	Cost	Fair Value	Cost	Fair Value
Participant directed funds	$ 1,647,200	$ 1,730,705	$ 1,146,848	$ 1,244,783
Total investments	$ 1,647,200	$ 1,730,705	$ 1,146,848	$ 1,244,783

During the year 2012 and 2011, the participant directed funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value in the amount of $45,717 and $(14,161) respectively.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts. Any unallocated assets of the plan shall be allocated to participant accounts and distributed in such a manner as the company may determine.

NOTE 5 – TAX STATUS
