Maguire Companies Profit Sharing and 401(k) Plan

INDEPENDENT AUDITOR'S REPORT

I was engaged to audit the accompanying statement of net assets available for benefits of Maguire Companies Profit Sharing and 401(k) Plan as of December 31, 2012 and 2011 and the related statement of changes in net assets available for benefits for the years then ended and the supplemental schedule of assets held for investment purposes at December 31, 2012. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform any auditing procedures with respect to the information summarized in Note 3, which was certified by Vanguard Fiduciary Trust Company, the trustee, of the Plan during 2012 and 2011, except for comparing the information with the related information included in the financial statements and the supplemental schedules. The plan administrator has informed me that Vanguard Fiduciary Trust Company, the trustee, holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustees is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying 2012 and 2011 financial statements and supplemental schedule taken as a whole. The form and content of the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of Maguire Companies Profit Sharing and 401(k) Plan, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Maguire Companies Profit Sharing and 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Participating companies include Maguire Oil Company and Components Corporation of America and subsidiaries (which include Para Systems, Inc., Staco Systems, Inc., and Staco Energy Products Company)(collectively "the Company"), which are affiliated through common ownership.

A. General

The Plan is a defined contribution plan covering all employees of the Company who have one month of service as defined by the Plan and are age twenty-one or older. The Plan is a 401(k) plan and is subject to the provisions of the Employee Retirement Income Act of 1974 (ERISA). The Plan was created to enable eligible employees to share in the profits of the Company and to save and invest funds for retirement.

The Plan's trustee is Vanguard Fiduciary Trust Company ("VFTC"). The Plan administrator selected certain funds from VFTC from which employees may choose for self-directed investment of their 401(k) account balances. The trustee manages the funds and provides recordkeeping services. All administrative expenses are paid by the Plan.

B. Contributions

Each year, participants may elect to defer to the Plan a portion of their total compensation on a before-tax basis of not less than 2% and not more than 100% subject to a maximum contribution of $17,000 (elective compensation deferral contributions) for 2012 and $16,500 for 2011. Participants age 50 and older may make additional "catch-up" contributions up to a maximum of $5,500 for 2012 and 2011. The Company may contribute between 0% and 100% of the aggregate of participants' elective compensation deferral contributions to the Plan (matching employer contributions). This discretionary annual contribution, made by the Company, is determined by its Board of Directors, within the limits of the Internal Revenue Code.

NOTE 1 – DESCRIPTION OF THE PLAN, CONTINUED

C. *Participant Accounts*

Each participant's account is credited with the participant's contribution, an allocation of the employer contribution, Plan earnings, changes in fair market value and forfeitures of terminated participants' non-vested accounts. The Company's contribution and forfeitures are allocated based on the current year's elective compensation deferral contributions. Allocations of Plan earnings and changes in fair market value are based on account balances in each investment fund. The participants determine, for their own account, both the amount to be invested and the allocation of the investment to one or more of the investment funds. The benefit to which a participant is entitled is limited to the amount of the participant's vested account balance. The Plan permits participants to direct the investment of their account balance under the Plan in the investment funds provided by the Plan.

D. *Vesting*

Participants are immediately vested in their elective compensation deferral contributions and in the earnings received on those contributions. Vesting in the remainder of their accounts is based upon continuous service. At a vesting rate of 20% per year, a participant is 100% vested after five years of credited service.

E. *Forfeited Accounts*

Forfeited, non-vested accounts are reallocated to participants. Forfeitures reallocated in the years ending December 31, 2012 and 2011 were $2,372 and $1,655, respectively.

F. *Payment of Benefits*

Payments for benefits under the Plan are recorded when paid. On termination of service, a participant may elect to receive either a lump-sum distribution, a direct roll-over equal to the value of his account, or periodic payments to be made over a period equal to the participant's life expectancy. Net assets available to terminated employees at December 31, 2012 and 2011 were $2,898,627 and $2,773,246, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN, CONTINUED

G. Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus one. Principal and interest are paid ratably through payroll deductions.

H. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting. Investments are recorded at fair value.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as certified by the Plan's trustee. Quoted market prices are used to value the investments. If a quoted market price is not available, an estimated fair value is used. Purchases and sales of securities are recorded on a trade date basis. Investment income is recorded when earned.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES, CONTINUED

D. *Fair Value Instruments*

The Plan defines fair value within a framework established by generally accepted accounting principles. The framework includes a three-tier hierarchy for measuring fair value as follows: level 1 – quoted market prices in active markets; level 2 – inputs other than quoted prices that are directly or indirectly observable or level 3 – unobservable inputs where there is little or no market activity. The fair value of the Plan's investments in the accompanying financial statements was determined using quoted prices from active markets (level 1).

NOTE 3 – INVESTMENTS

The Plan invests in shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company, who acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules and are participant-directed.

The fair value of participant directed funds above includes the unrealized gain of $920,203 and $24,145 for the years ended December 31, 2012 and 2011, respectively.

NOTE 4 – TAX STATUS

The Plan administrator adopted the Vanguard Fiduciary Trust Company prototype plan. The Internal Revenue Service determined per a letter dated March 31, 2008, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan files income tax returns (Form 5500) in the U.S. The Plan's income tax returns are open for examinations by tax authorities for the previous three years. The Plan follows the provisions of uncertain tax positions as addressed in FASB Accounting Standards Codification 740-10-65-1 and has not taken an uncertain tax position that would require additional disclosures.

NOTE 5 – CORRECTIVE DISTRIBUTIONS

The Plan has been tested in accordance with the Nondiscrimination Testing under IRC Sections 401(k), 402(g) and 415. Accordingly, it has been determined that the Plan met the average deferral percentage of the highly compensated employees test for 2012 but failed that test in 2011. Accordingly, corrective distributions for 2011 were $1,137.

NOTE 6 – SUBSEQUENT EVENTS

Events have been evaluated through September 27, 2013, the date the financial statements were available for release, and management has determined that no additional disclosures are required.

Maguire Companies Profit Sharing and 401(k) Plan

INDEPENDENT AUDITOR'S REPORT

I was engaged to audit the accompanying statement of net assets available for benefits of Maguire Companies Profit Sharing and 401(k) Plan as of December 31, 2012 and 2011 and the related statement of changes in net assets available for benefits for the years then ended and the supplemental schedule of assets held for investment purposes at December 31, 2012. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform any auditing procedures with respect to the information summarized in Note 3, which was certified by Vanguard Fiduciary Trust Company, the trustee, of the Plan during 2012 and 2011, except for comparing the information with the related information included in the financial statements and the supplemental schedules. The plan administrator has informed me that Vanguard Fiduciary Trust Company, the trustee, holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustees is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying 2012 and 2011 financial statements and supplemental schedule taken as a whole. The form and content of the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of Maguire Companies Profit Sharing and 401(k) Plan, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Maguire Companies Profit Sharing and 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Participating companies include Maguire Oil Company and Components Corporation of America and subsidiaries (which include Para Systems, Inc., Staco Systems, Inc., and Staco Energy Products Company)(collectively "the Company"), which are affiliated through common ownership.

A. General

The Plan is a defined contribution plan covering all employees of the Company who have one month of service as defined by the Plan and are age twenty-one or older. The Plan is a 401(k) plan and is subject to the provisions of the Employee Retirement Income Act of 1974 (ERISA). The Plan was created to enable eligible employees to share in the profits of the Company and to save and invest funds for retirement.

The Plan's trustee is Vanguard Fiduciary Trust Company ("VFTC"). The Plan administrator selected certain funds from VFTC from which employees may choose for self-directed investment of their 401(k) account balances. The trustee manages the funds and provides recordkeeping services. All administrative expenses are paid by the Plan.

B. Contributions

Each year, participants may elect to defer to the Plan a portion of their total compensation on a before-tax basis of not less than 2% and not more than 100% subject to a maximum contribution of $17,000 (elective compensation deferral contributions) for 2012 and $16,500 for 2011. Participants age 50 and older may make additional "catch-up" contributions up to a maximum of $5,500 for 2012 and 2011. The Company may contribute between 0% and 100% of the aggregate of participants' elective compensation deferral contributions to the Plan (matching employer contributions). This discretionary annual contribution, made by the Company, is determined by its Board of Directors, within the limits of the Internal Revenue Code.

NOTE 1 – DESCRIPTION OF THE PLAN, CONTINUED

C. *Participant Accounts*

Each participant's account is credited with the participant's contribution, an allocation of the employer contribution, Plan earnings, changes in fair market value and forfeitures of terminated participants' non-vested accounts. The Company's contribution and forfeitures are allocated based on the current year's elective compensation deferral contributions. Allocations of Plan earnings and changes in fair market value are based on account balances in each investment fund. The participants determine, for their own account, both the amount to be invested and the allocation of the investment to one or more of the investment funds. The benefit to which a participant is entitled is limited to the amount of the participant's vested account balance. The Plan permits participants to direct the investment of their account balance under the Plan in the investment funds provided by the Plan.

D. *Vesting*

Participants are immediately vested in their elective compensation deferral contributions and in the earnings received on those contributions. Vesting in the remainder of their accounts is based upon continuous service. At a vesting rate of 20% per year, a participant is 100% vested after five years of credited service.

E. *Forfeited Accounts*

Forfeited, non-vested accounts are reallocated to participants. Forfeitures reallocated in the years ending December 31, 2012 and 2011 were $2,372 and $1,655, respectively.

F. *Payment of Benefits*

Payments for benefits under the Plan are recorded when paid. On termination of service, a participant may elect to receive either a lump-sum distribution, a direct roll-over equal to the value of his account, or periodic payments to be made over a period equal to the participant's life expectancy. Net assets available to terminated employees at December 31, 2012 and 2011 were $2,898,627 and $2,773,246, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN, CONTINUED

G. Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus one. Principal and interest are paid ratably through payroll deductions.

H. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting. Investments are recorded at fair value.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as certified by the Plan's trustee. Quoted market prices are used to value the investments. If a quoted market price is not available, an estimated fair value is used. Purchases and sales of securities are recorded on a trade date basis. Investment income is recorded when earned.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES, CONTINUED

D. *Fair Value Instruments*

The Plan defines fair value within a framework established by generally accepted accounting principles. The framework includes a three-tier hierarchy for measuring fair value as follows: level 1 – quoted market prices in active markets; level 2 – inputs other than quoted prices that are directly or indirectly observable or level 3 – unobservable inputs where there is little or no market activity. The fair value of the Plan's investments in the accompanying financial statements was determined using quoted prices from active markets (level 1).

NOTE 3 – INVESTMENTS

The Plan invests in shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company, who acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules and are participant-directed.

	December 31, 2012		December 31, 2011	
	Cost	Fair Value	Cost	Fair Value
Participant directed funds	$ 13,968,509 *	$ 15,150,225	$ 13,108,283 *	$ 13,369,795
Total investments	$ 13,968,509	$ 15,150,225	$ 13,108,283	$ 13,369,795

* Represents 5% or more of net assets available for benefits.

The fair value of participant directed funds above includes the unrealized gain of $920,203 and $24,145 for the years ended December 31, 2012 and 2011, respectively.

NOTE 4 – TAX STATUS

The Plan administrator adopted the Vanguard Fiduciary Trust Company prototype plan. The Internal Revenue Service determined per a letter dated March 31, 2008, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan files income tax returns (Form 5500) in the U.S. The Plan's income tax returns are open for examinations by tax authorities for the previous three years. The Plan follows the provisions of uncertain tax positions as addressed in FASB Accounting Standards Codification 740-10-65-1 and has not taken an uncertain tax position that would require additional disclosures.

NOTE 5 – CORRECTIVE DISTRIBUTIONS

The Plan has been tested in accordance with the Nondiscrimination Testing under IRC Sections 401(k), 402(g) and 415. Accordingly, it has been determined that the Plan met the average deferral percentage of the highly compensated employees test for 2012 but failed that test in 2011. Accordingly, corrective distributions for 2011 were $1,137.

NOTE 6 – SUBSEQUENT EVENTS

Events have been evaluated through September 27, 2013, the date the financial statements were available for release, and management has determined that no additional disclosures are required.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net appreciation in fair value of investments per the financial statements to Form 5500 at December 31, 2012:

INDEPENDENT AUDITOR'S REPORT

I was engaged to audit the accompanying statement of net assets available for benefits of Maguire Companies Profit Sharing and 401(k) Plan as of December 31, 2012 and 2011 and the related statement of changes in net assets available for benefits for the years then ended and the supplemental schedule of assets held for investment purposes at December 31, 2012. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform any auditing procedures with respect to the information summarized in Note 3, which was certified by Vanguard Fiduciary Trust Company, the trustee, of the Plan during 2012 and 2011, except for comparing the information with the related information included in the financial statements and the supplemental schedules. The plan administrator has informed me that Vanguard Fiduciary Trust Company, the trustee, holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustees is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying 2012 and 2011 financial statements and supplemental schedule taken as a whole. The form and content of the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of Maguire Companies Profit Sharing and 401(k) Plan, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Participating companies include Maguire Oil Company and Components Corporation of America and subsidiaries (which include Para Systems, Inc., Staco Systems, Inc., and Staco Energy Products Company)(collectively "the Company"), which are affiliated through common ownership.

A. General

The Plan is a defined contribution plan covering all employees of the Company who have one month of service as defined by the Plan and are age twenty-one or older. The Plan is a 401(k) plan and is subject to the provisions of the Employee Retirement Income Act of 1974 (ERISA). The Plan was created to enable eligible employees to share in the profits of the Company and to save and invest funds for retirement.

The Plan's trustee is Vanguard Fiduciary Trust Company ("VFTC"). The Plan administrator selected certain funds from VFTC from which employees may choose for self-directed investment of their 401(k) account balances. The trustee manages the funds and provides recordkeeping services. All administrative expenses are paid by the Plan.

B. Contributions

Each year, participants may elect to defer to the Plan a portion of their total compensation on a before-tax basis of not less than 2% and not more than 100% subject to a maximum contribution of $17,000 (elective compensation deferral contributions) for 2012 and $16,500 for 2011. Participants age 50 and older may make additional "catch-up" contributions up to a maximum of $5,500 for 2012 and 2011. The Company may contribute between 0% and 100% of the aggregate of participants' elective compensation deferral contributions to the Plan (matching employer contributions). This discretionary annual contribution, made by the Company, is determined by its Board of Directors, within the limits of the Internal Revenue Code.

NOTE 1 – DESCRIPTION OF THE PLAN, CONTINUED

C. *Participant Accounts*

Each participant's account is credited with the participant's contribution, an allocation of the employer contribution, Plan earnings, changes in fair market value and forfeitures of terminated participants' non-vested accounts. The Company's contribution and forfeitures are allocated based on the current year's elective compensation deferral contributions. Allocations of Plan earnings and changes in fair market value are based on account balances in each investment fund. The participants determine, for their own account, both the amount to be invested and the allocation of the investment to one or more of the investment funds. The benefit to which a participant is entitled is limited to the amount of the participant's vested account balance. The Plan permits participants to direct the investment of their account balance under the Plan in the investment funds provided by the Plan.

D. *Vesting*

Participants are immediately vested in their elective compensation deferral contributions and in the earnings received on those contributions. Vesting in the remainder of their accounts is based upon continuous service. At a vesting rate of 20% per year, a participant is 100% vested after five years of credited service.

E. *Forfeited Accounts*

Forfeited, non-vested accounts are reallocated to participants. Forfeitures reallocated in the years ending December 31, 2012 and 2011 were $2,372 and $1,655, respectively.

F. *Payment of Benefits*

Payments for benefits under the Plan are recorded when paid. On termination of service, a participant may elect to receive either a lump-sum distribution, a direct roll-over equal to the value of his account, or periodic payments to be made over a period equal to the participant's life expectancy. Net assets available to terminated employees at December 31, 2012 and 2011 were $2,898,627 and $2,773,246, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN, CONTINUED

G. Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus one. Principal and interest are paid ratably through payroll deductions.

H. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting. Investments are recorded at fair value.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as certified by the Plan's trustee. Quoted market prices are used to value the investments. If a quoted market price is not available, an estimated fair value is used. Purchases and sales of securities are recorded on a trade date basis. Investment income is recorded when earned.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES, CONTINUED

D. *Fair Value Instruments*

The Plan defines fair value within a framework established by generally accepted accounting principles. The framework includes a three-tier hierarchy for measuring fair value as follows: level 1 – quoted market prices in active markets; level 2 – inputs other than quoted prices that are directly or indirectly observable or level 3 – unobservable inputs where there is little or no market activity. The fair value of the Plan's investments in the accompanying financial statements was determined using quoted prices from active markets (level 1).

NOTE 3 – INVESTMENTS

The Plan invests in shares of mutual funds managed by an affiliate of Vanguard Fiduciary Trust Company, who acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules and are participant-directed.

	December 31, 2012		December 31, 2011	
	Cost	Fair Value	Cost	Fair Value
Participant directed funds	$ 13,968,509 *	$ 15,150,225	$ 13,108,283 *	$ 13,369,795
Total investments	$ 13,968,509	$ 15,150,225	$ 13,108,283	$ 13,369,795

* Represents 5% or more of net assets available for benefits.

The fair value of participant directed funds above includes the unrealized gain of $920,203 and $24,145 for the years ended December 31, 2012 and 2011, respectively.

NOTE 4 – TAX STATUS

The Plan administrator adopted the Vanguard Fiduciary Trust Company prototype plan. The Internal Revenue Service determined per a letter dated March 31, 2008, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan files income tax returns (Form 5500) in the U.S. The Plan's income tax returns are open for examinations by tax authorities for the previous three years. The Plan follows the provisions of uncertain tax positions as addressed in FASB Accounting Standards Codification 740-10-65-1 and has not taken an uncertain tax position that would require additional disclosures.

NOTE 5 – CORRECTIVE DISTRIBUTIONS

The Plan has been tested in accordance with the Nondiscrimination Testing under IRC Sections 401(k), 402(g) and 415. Accordingly, it has been determined that the Plan met the average deferral percentage of the highly compensated employees test for 2012 but failed that test in 2011. Accordingly, corrective distributions for 2011 were $1,137.

NOTE 6 – SUBSEQUENT EVENTS

Events have been evaluated through September 27, 2013, the date the financial statements were available for release, and management has determined that no additional disclosures are required.
