INDEPENDENT AUDITORS' REPORT

Employee's Savings & Retirement Plan
750 Northgate Parkway
Wheeling, IL 60090

Dear Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of Durable Packaging International, Inc. Employee's Savings & Retirement Plan which comprise the statements as of December 31, 2012 and 2011, and for the years ended December 31, 2012 and 2011, as listed in the accompanying Table of Contents, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Trust Company, the Custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2012 and 2011, and for the year ended December 31, 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial status of Durable Packaging International, Inc. Employee's Savings & Retirement Plan as of December 31, 2012 and 2011, and the changes in its financial status for the years ended December 31, 2012 and 2011, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules listed in the accompanying Table of Contents, together referred to as "Supplemental Information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effects on the Schedules of Assets Held for Investments of the matter described in the Basis for Qualified Opinion paragraph, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Respectfully submitted,

Employee's Savings & Retirement Plan
Notes to Financial Statements
December 31, 2012 and 2011

Note 1 - Organization

Durable, Inc., a subchapter S corporation, formed the above named plan on January 1, 1995. On September 1, 2011 Durable Packaging International, Inc. Employee's Savings & Retirement Plan restated the Plan with Principal Financial Group Prototype for Savings Plan Adoption Agreement. All assets of the plan were transferred to Principal Financial Group on October 3, 2011.

Effective January 1, 2007, the shareholders of Durable, Inc. formed Durable Packaging International, Inc., a subchapter S corporation. This company handles the employees who receive health insurance. This company became the plan sponsor and administrator. The plan changed its name to Durable Packaging International, Inc. Employee's Savings & Retirement Plan.

Prior to September 1, 2011, all employees who have one year of service, greater than 1000 hours of employment in the year, and are at least 21 years of age are eligible for the Plan. As of September 1, 2011, all employees who have one month of service and are at least 21 years of age are eligible for the Plan.

Employees may make elective deferrals after thirty days of service. The Company may match the deferral with a discretionary amount. In addition, the Company may contribute to the plan up to the maximum amount allowed as deductible in accordance with The Internal Revenue Code and regulations. The Company's contribution and any available forfeitures are allocated to all participants who are employed on the last day of the plan year in proportion to the participant's eligible compensation to total eligible compensation.

Vesting is as follows:

Year 1	20%
Year 2	40%
Year 3	60%
Year 4	80%
Year 5	100%

Employees who are terminated before being fully vested forfeit the non-vested portion of the account. Forfeitures are maintained in an unallocated account at the investment company. The forfeited amount is either used to reduce the Company's contribution or allocated to the remaining participants. As of December 31, 2012 and 2011, unallocated forfeitures totaled $210 and $2,557, respectively. The Company reduced the matching contribution by forfeitures of $203 and $ 2,459 for 2012 and 2011, respectively.

Certain administrative operating expenses of the Plan are paid by the Company, as provided in the Plan agreement.

Each year the company has chosen to contribute 25% of the lower of 4% of compensation or the amount that a participant contributes to the Plan.

The Custodian, Principal Trust Company, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, has certified that the investments included in the accompanying financial statements and supplemental schedule is complete and accurate.

Principal Trust Tgt 2020 Fund R3	149,473	124,621

* Less than 5% of net assets at December 31, 2011
** Less than 5% of net assets at December 31, 2012

Note 5 - Fair Value Measurements

The Plan's investments are reported at fair value. Fair value measurement accounting establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2012 and 2011.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies: Valued at the net asset value (NAV) of shares held by the plan at yearend. These are considered Level 1 inputs.

Common/Collective Trusts, Pooled Separate Accounts and Insurance Company General Account: Valued using fair values of the mutual funds, stocks, and bonds that Common/Collective Trusts and Pooled Separate Accounts invest in, which are publically quoted (level 1) inputs. The investments are not publically quoted, which is why they are considered to have used level 2 inputs in determining fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement.
