INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Working Solutions and W S Live 401(k) Profit Sharing Plan

Report on Financial Statements

We were engaged to audit the accompanying financial statements (modified cash basis) of Working Solutions and W S Live 401(k) Profit Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statement of changes in net assets available for benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and the supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator is complete and accurate.

CPWR

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule of Assets Held for Investment Purposes at End of Year, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

WORKING SOLUTIONS AND W S LIVE
401(K) PROFIT SHARING PLAN
Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Working Solutions (WSOL, Inc.) and W S Live (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of WSOL, Inc., WS Live, LLC and Virtual Voice Solutions, Inc. who have reached the age of 21 and completed one year of service. The Company absorbs most administrative costs of the plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute a percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Beginning in 2012, the Plan is intended to qualify as a "Safe Harbor 401(k) Plan." The safe harbor provision is satisfied by the Company's match in an amount equal to 100% of salary deferrals that do not exceed 3% of compensation plus 50% of deferrals between 3% and 5% of compensation. Participants are 100% vested in this match. The Company may make an additional profit sharing contribution at the option of the Company's Board of Directors. Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings and losses, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested portion of their account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the non-safe harbor Company's contribution portion of their account is based on years of continuous service. A participant is 100% vested after five years of credited service.

Note 1 - Description of Plan (Continued)

Participant loans

Participants may borrow from their fund accounts a minimum of $500 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans (no more than one at any time) are secured by the balance in the participant's account and bear interest at rates determined by the administrator, which are commensurate with local prevailing rates. The term of the loans may not exceed five years unless the loan is used to purchase a principal residence. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

On termination of service, a participant, with an account balance exceeding $5,000 may elect to receive a single lump-sum payment, equal to the value of the participant's vested interest in his or her account. Vested account balances of $5,000 or less are automatically distributed in a lump-sum payment only.

Forfeited accounts

Forfeited balances of terminated participants' nonvested accounts are used to reduce plan expenses first and then to reduce employer contributions. As of December 31, 2012, unallocated forfeited accounts totaled $214.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting. Under this method, assets are reflected on a cash basis except for contributions.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest and dividend income are recorded on the cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 3 – Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule, as of and for the year ended December 31, was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	2012	2011
Investments	$ 2,699,189	$ 2,243,493
Investment income (loss)	312,738	(50,805)

Note 4 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2012:		
Interest bearing cash	$ 884,878	$ 884,878
Registered investment company	1,555,021	1,555,021
Value in common/collective trusts	259,290	259,290
	$ 2,699,189	$ 2,699,189
December 31, 2011:		
Registered investment company	$ 2,189,248	$ 2,189,248
Value in common/collective trusts	54,245	54,245
	$ 2,243,493	$ 2,243,493

Level 1 Fair Value Measurements

The fair value of mutual funds and the assets in common/collective trusts is based on quoted net asset values of the shares held by the Plan at year-end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2012 are reported in net appreciation in fair value of investments.

Note 5 – Investments

The following presents investments, at fair value, that represent 5% or more of the Plan's net assets as of December 31:

	2012	2011
Janus Advisor Forty Fund	$ 238,716	$ 177,853
Columbia Diversified Equity Income	152,051	310,076
Wells Fargo/Evergreen Treasury Money Market	884,875	121,311
Oakmark Equity and Income Fund II	161,073	279,260
T. Rowe Price Retirement 2030	142,173	123,088
Thornburg Mid Cap Value Fund	-	165,688

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 - Tax Status

The Plan is based on a prototype plan document sponsored by Wells Fargo Bank, N.A., the Plan's trustee. Wells Fargo Bank N.A. received an opinion letter from the IRS dated March 31, 2008, which states that the prototype document satisfies the applicable requirements of the IRS. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS.

Note 8 – Related Party Transactions

Certain Plan investments include Wells Fargo Advantage Funds and funds managed by Wells Fargo Institutional Retirement and Trust which are affiliates of the Plan's trustee. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to $6,007 for the year ended December 31, 2012.

Note 9 - Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits and contribution income per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2012:

Net assets available for benefits per the financial statement	$ 2,809,996
Less contributions receivable as of December 2012	(8,257)
Net assets available for benefits per Form 5500	$ 2,801,739

Contributions income per the financial statement	$ 448,158
Less contributions receivable as of December 2012	(8,257)
Plus contributions receivable as of December 2011	11,382
Contributions income per Form 5500	$ 451,283

Note 10 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 – Subsequent Events

Subsequent events have been evaluated through October 9, 2013, which is the date the financial statements were available to be issued.

Effective January 1, 2013, eligibility for participant deferrals was changed from one year of service to six months of service. Eligibility for receiving company matching or profit sharing contributions continues to be one year of service.
