This filing was delayed due to the following difficulties that were experienced while attempting to file the form 5500 electronically for 2012:

- Change in payroll companies and termination of 401K through ADP
- Went online and believed the 5500 had been filed and didn't realize I needed one for 2012. I believed the plan had been terminated in 2011 and all funds were to be appropriately transferred in 2011.
- I have filed in the past and paid for all services to be completed by ADP. This was totally unintentional and has only caused hard ache to myself and Foster Country Club.

I have every intention of complying with reporting and disclosure rules. I believe that the late filing of this Form 5500 is the result of reasonable cause, not willful neglect. I do not anticipate the same issues in the future and the filings in the future will be timely. I would ask for abatement of the purposed late filing penalty.

Thank you,
