Aspen Systems Corporation Profit Sharing Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Aspen Systems Corporation Profit Sharing Plan (the Plan), formerly the Aspen Systems Corporation Employee Stock Ownership Plan prior to April 1, 2012, provides only general information. Participants should refer to the Summary Plan Description or the Plan Document for a more complete description of the Plan's provisions.

General

Aspen Systems Corporation (Aspen Systems) established the Plan effective as of January 1, 1993. In 2006, Lockheed Martin Corporation (the Corporation) purchased Aspen Systems and, consequently, the Corporation became the Plan Sponsor and the Plan Administrator of the Plan. The Aspen Systems stock held within the Plan was converted to cash, and the Plan was changed from an employee stock ownership plan to a profit sharing plan, subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Additionally, the Plan was amended so that i) no employee could become an eligible employee or participant under the Plan, if not already a participant, ii) no further contributions to the Plan could be made, and iii) participants' non-vested account balances became 100% vested.

The Plan's assets are held in a trust under an agreement between the Corporation and Greatbanc Trust Company. The Corporation filed an application with the Internal Revenue Service (IRS) on April 2, 2012 for a tax determination letter for terminating the Aspen Systems Corporation Profit Sharing Plan. The tax determination letter was subsequently received by the Corporation (see Note 4 and 5). The Plan initiated full distribution of participants' account balances subsequent December 31, 2012 and will terminate the Plan once all funds have been withdrawn from the trust.

Payment of Benefits

On termination of service for any reason, a participant may elect to receive his or her account balance. If the total benefit is less than \$1,000 then an automatic distribution will be made. If the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or receive the distribution, then the Plan Administrator shall pay the distribution in a direct rollover to an individual retirement account.

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Basis of Accounting

As the Lockheed Martin Aspen Systems Corporation's (LM Aspen) Board of Directors approved the termination of the Plan in 2012 (see Note 4), the financial statements of the Plan are prepared based on the liquidation basis of accounting as of and for the year ended December 31, 2012. The financial statements of the Plan are prepared based on the accrual basis of accounting as of December 31, 2011. There were no material differences in the Plan's financial statements using the liquidation basis of accounting compared with the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Corporation.

Subsequent Events

The Plan's management has evaluated subsequent events through October 9, 2013, the date the financial statements were available to be issued. Other than the initiation of distributing participants' account balances in connection with the Plan's termination as discussed above, no other material subsequent events have occurred since December 31, 2012 that required recognition or disclosure in these financial statements.

3. Investments and Fair Value Measurements

All investment information disclosed in the accompanying financial statements as of December 31, 2012 and 2011, supplemental schedules including investments held as of December 31, 2012, and interest income for the year ended December 31, 2012, was obtained or derived from information certified as complete and accurate by Greatbanc Trust Company, the trustee of the Plan.

Aspen Systems Corporation Profit Sharing Plan

Notes to Financial Statements

The Plan's investment is in a money market fund, whose assets are reported at amortized cost. The underlying investments of the money market fund consist primarily of short-term debt securities whose fair value for the purpose of categorization in the fair value hierarchy is primarily determined based on quoted prices for similar securities. As a result, the money market fund is designated as a Level 2 investment in the fair value hierarchy established in GAAP. As of December 31, 2012 and 2011, the total value of the investment was \$1,017,989 and \$2,783,911, respectively.

4. Plan Termination

On April 2, 2012, the LM Aspen Board of Directors approved the termination of the Plan. On November 15, 2012, a favorable determination letter was received from the IRS with respect to the termination of the Plan. As a result, the 2012 financial statements have been prepared on the liquidation basis in accordance with GAAP.

5. Income Tax Status

The IRS has determined and informed the Corporation by letter dated November 15, 2012, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC).

GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2005.

6. Parties-in-Interest Transactions

There were no party-in-interest transactions in 2012 and 2011.
