INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Polk Mechanical Company
Employee Investment and Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Polk Mechanical Company Employee Investment and Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by ING Life Insurance and Annuity Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

EMPLOYEE INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Polk Mechanical Company Employee Investment and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed, defined contribution plan covering full-time employees of Polk Mechanical Company (the Company) who have completed 500 hours of service and have attained 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make contributions to the Plan in the form of salary reductions subject to a maximum dollar limitation as determined by the Internal Revenue Service. Participants direct the investment of their contributions into various investment options offered by the Plan. The employer may contribute to the Plan matching contributions and discretionary profit sharing contributions. Employer discretionary contributions are allocated based upon compensation of the participants and may vary for certain employees in order to meet special tests prescribed by law.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary reduction contributions plus actual earnings thereon. Employer contributions are vested on the following time schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years or more	100%

**POLK MECHANICAL COMPANY
EMPLOYEE INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1. DESCRIPTION OF THE PLAN – CONTINUED

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or installment payments over a period not to exceed the life expectancy of the participant or his or her designated beneficiary. All benefits are recorded when paid.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are for a period not exceeding five years unless used to acquire a personal residence and bear interest at Prime plus 1%. The loans are secured by the balance in the participant's account, bear interest at rates ranging from 4.25% - 6.25% and are due at various dates through November 2016. Principal and interest are paid ratably through payroll deductions.

Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all Plan assets would, at the discretion of the Company, either be distributed to the participants in the form of lump sum distributions in cash or would continue to be held in a trust fund to be distributed to each participant upon retirement, death, permanent disability, or termination of employment.

Forfeited Accounts

Forfeitures may be applied to reduce the employer's contribution to the plan. During the years ended December 31, 2012 and 2011, there were minor forfeited accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

**POLK MECHANICAL COMPANY
EMPLOYEE INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of plan assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

All Plan investments are stated at fair value, as determined by the Plan custodian, in order to reflect the current values of assets available for plan benefits. Fair values were determined by closing prices for securities traded in the over-the-counter market.

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan documents.

Income Tax Status

The Plan, as adopted, meets the requirement of Section 401-1(b)(3) of the Internal Revenue Service code and is exempt from taxation. The Plan administrator believes that the Plan has been operated in a manner that did not jeopardize this tax status.

Subsequent Events

The Plan evaluated all events or transactions that occurred after December 31, 2012 through October 8, 2013, the date these financial statements were available to be issued.

**POLK MECHANICAL COMPANY
EMPLOYEE INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 3. INVESTMENT SECURITIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan held the following investments in a trust fund administered and certified by ING Life Insurance and Annuity Company. In addition, the trustee certified net investment gain of \$730,565 for the year ended December 31, 2012. All investments are participant-directed. Investments that represent 5 percent or more of the Plan's net assets are separately identified (*).

NOTE 4. FAIR VALUE MEASUREMENTS

Accounting standards generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2012 and 2011.

Separate account: Amounts allocated to the separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions.

Investment contract with insurance company: Contract value approximates fair value as it is the amount to be received upon redemption.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
