Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Alerus Financial, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2012 and 2011 and for the year ended December 31, 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held at End of Year, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the DEHCO, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The purpose of the Plan is to provide retirement income to eligible employees of DEHCO, Inc., its wholly owned subsidiary (Cast Products Corporation and Remis America, LLC, a 60% owned joint venture, individually and collectively referred to as the Company or the Employer) through salary reduction and Employer matching contributions. The Plan is subject to Section 401(k) of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation - All employees of the Company who have attained the age of 18 and who have completed at least six months of service are eligible to participate in the Plan. Each eligible employee who elects to participate in the Plan may contribute any whole percentage of his or her compensation per payroll period, up to a specified percentage of the participant's compensation not to exceed 50%. The Plan allows for employee deferral contributions under Code Section 414(v) for employees who have attained age 50 by the end of the Plan year. The Employer's discretionary matching contribution (employer contributions range from 0%-4% of eligible employee compensation) is allocated to participant's accounts under the term of the Plan agreement.

The Employer may also make discretionary contributions which are allocated to participants based on a percentage of participant compensation as a percentage of the compensation of all eligible employees. No discretionary contribution was made during the year ended December 31, 2012.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of the Employer's contributions and Plan earnings. Amounts credited to a participant's account are invested by the trustee based on the investment direction as determined by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are fully vested in their own contributions and Employer contributions, plus earnings thereon.

Payment of Benefits - On termination of employment, participants receive all vested amounts credited to their accounts. A participant may elect to receive benefits under one of the following options: (a) lump sum cash payment or (b) periodic installments. Benefits are recorded when paid.

Notes Receivable from Participants - A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. All loans must be repaid in level payments over a five year period unless it is for the purchase of a primary residence, in which case the loan is repaid over a period as determined by the Plan Administrator. The loans are collateralized by the participant's vested account balance and bear interest at a fixed rate as determined by the Plan Administrator. The loans bear interest at rates of 3.25% to 8.25% at December 31, 2012. Principal and interest are paid through payroll deductions.

DEHCO, INC.
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (continued)

Administration - The Company retains the overall authority to control and manage the operation and administration of the Plan. The Company provides certain administrative and accounting services to the Plan at no cost. Investment management fees are netted against investment returns. The Plan paid \$16,231 for administrative services and the Plan sponsor paid \$2,911 directly to the Trustee during the year ended December 31, 2012.

Note 2. Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administration to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. It is at least reasonably possible that a significant change may occur in the near term for the estimates of investment valuation.

Investment Valuation - The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on an accrual basis.

Notes Receivable From Participants - Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses. Participant loans that are in default are reclassified as distributions based upon the terms of the Plan document.

Subsequent Events - The Plan has evaluated subsequent events for recognition and disclosure through September 17, 2013, which is the date the Plan's financial statements were available to be issued.

Net Appreciation (Depreciation) in Fair Value of Investments - Net realized and unrealized appreciation (depreciation) is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in investments.

Note 3. Income Tax Status

The Plan sponsor, DEHCO, Inc. adopted the restated version of the standardized prototype plan document. The Internal Revenue Service has determined and informed the prototype plan sponsor that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Plans that adopt prototype documents are not required to file for an individual determination letter. Although the Plan has been amended from the original prototype document, Plan management believes the Plan is currently designed and operating in compliance with the IRC.

DEHCO, INC.
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3. Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits for any tax jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to December 31, 2009.

Note 4. Benefits Payable

Benefits payable to persons who have withdrawn from participation in the earnings and operations of the Plan in the amount of approximately \$608,262 and \$985,379 at December 31, 2012 and 2011, respectively, are included in net assets available for benefits.

Note 5. Investments

The fair value of individual investments is as follows at December 31:

	<u>2012</u>	<u>2011</u>

Vanguard Target Retirement 2015	\$	\$ 292,565*

Note 7. Party In Interest Transactions

A party in interest is defined under Department of Labor's Rules and Regulations as any fiduciary of the plan, any party rendering services to the plan, the employer and certain others. Participant loans, custodian fees and trustee fees paid to Alerus Financial, N.A. are considered to be party in interest transactions.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 9. Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standards describe three levels of inputs that may be used to measure fair value:

NOTES TO FINANCIAL STATEMENTS

Note 9. Fair Value Measurements (continued)

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than Level 1 prices as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Plan utilizes the market approach to measure fair value for its financial assets and liabilities. The market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities.

Assets and liabilities measured at fair value on a recurring basis are summarized below:

	<u>Fair Value Measurements at December 31, 2012</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
