Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company (the "Trustee"), except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of December 31, 2012 and for the year ended December 31, 2012, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the accompanying financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2012 is required by ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

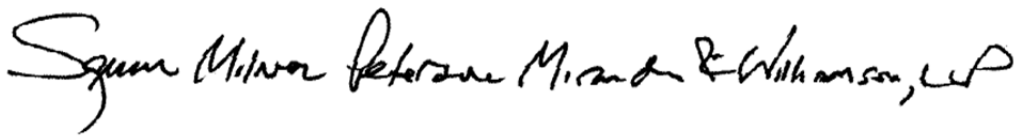

Other Matter—2011 Financial Statements

The financial statements of the Plan as of December 31, 2011, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the Trustee. Their report, dated October 10, 2012, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

1. DESCRIPTION OF PLAN

The following description of the Cumming Corporation 401(k) Plan-II (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees who are over age 20½ and employed by Cumming Construction Management, Inc., Construction Controls Group, Inc. and Southern Management Group, Inc. (collectively referred to as the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Fidelity Management Trust Company is the trustee of the Plan.

Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan and subject to certain limitations. Participants may also elect to have between 0% and 100% of employer bonuses deferred. At the participant's irrevocable designation, contributions may be deemed Roth or pretax contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

In 2011, the Company made the final Safe Harbor Match for the period of January 1, 2010 through June 11, 2010 for the Southern Management Group, Inc. 401K Plan. The Southern Management Group Plan was amended on June 11, 2010 to eliminate the Safe Harbor provision and was merged into the Plan effective August 2, 2010. Contributions are subject to certain limitations. Plan participants direct the investment of their contributions and the employer matching contributions into the various investment options offered by the Plan.

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various investment options for participants. Participants may change their investment options or transfer funds based upon policies established by the Plan. Such policy currently allows participants to change their options at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution, if any, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct their elective deferral contributions into various investment options offered by the Plan and may change their investment options on a daily basis.

1. DESCRIPTION OF PLAN (continued)

Vesting (continued)

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on years of continuous service, as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	67%
3 or more years	100%

Effective March 20, 2009, Construction Controls Group, Inc. 401(k) Retirement Savings Plan ("CCG Plan") was merged into the Plan. Effective August 2, 2010, Southern Management Group, Inc. 401(k) Plan ("SMG Plan") was merged into the Plan. The CCG Plan's and SMG Plan's sponsor is a related party under common control of the Company.

Participants of the former Construction Controls Group, Inc. 401(k) Retirement Savings Plan vest in their prior employer matching contributions plus actual earnings thereon according to the following schedule:

Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	33%
2 years	66%
3 or more years	100%

Participants of the former Southern Management Group, Inc. 401(k) Plan vest in their prior employer matching contributions plus actual earnings thereon according to the following:

Years of Service	Vesting Percentage
Less than 3 years	0%
3 or more years	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount of 50% of their vested account balance subject to certain Department of Labor and Internal Revenue Service requirements. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid through payroll deductions.

1. DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service due to death, disability, retirement or termination, a participant may elect to have the value of his or her vested interest disbursed through a lump-sum distribution or transferred to another qualified plan. If the vested value of the participant's account exceeds $1,000, the participant may elect to keep the account in the Plan and maintain his or her account in any of the Plan's investment options.

Forfeitures

Participant forfeitures of employer contributions are used to first pay administrative expenses under the Plan, if so directed by the Company. To the extent that forfeitures are not used to reduce administrative expenses under the Plan, forfeitures may be used to reduce employer contributions. For the year ended December 31, 2012, no forfeitures were used to reduce employer contributions.

Administrative Expenses

Loan origination fees associated with notes receivable from participants and other service fees charged to participant balances are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment income reported by the Plan (Note 7). All other expenses of the Plan are paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances and bear interest ranging from 5.5% to 9.75% at December 31, 2012.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Recent Accounting Pronouncements

In May 2011, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2011-04, *Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in GAAP and International Financial Reporting Standards (Topic 820)—Fair Value Measurement*, to provide a consistent definition of fair value and ensure that the fair value measurement and disclosure requirements are similar between GAAP and International Financial Reporting Standards. ASU 2011-04 changes certain fair value measurement principles and enhances the disclosure requirements particularly for Level 3 fair value measurements. The Plan adopted ASU 2011-04 for the year ended December 31, 2012. Adoption of ASU 2011-04 had no effect on the Plan's financial statements.

3. RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

4. UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income and interest earned on notes receivable from participants, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

5. INVESTMENTS

The following presents the fair value of investments that represent five percent or more of the Plan's net assets available for benefits.

	2012	2011
Fidelity Retire Money Market Fund	$ 1,192,431	$ 1,575,037
Fidelity Freedom 2035 Fund	861,991	*
Fidelity Freedom 2020 Fund	823,196	700,933
Fidelity Total Bond Fund	715,637	729,295
Fidelity Freedom 2030 Fund	592,062	*
Fidelity Mid Cap Value Fund	*	517,297

* less than five percent of the Plan's net assets

During 2012, the Plan's mutual fund investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $948,171.

6. FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds

The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

As of December 31, 2012 and 2011, the Plan did not hold any Level 3 investments. There have been no changes in the methodologies used to measure fair value at December 31, 2012 and 2011.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds mutual fund investments managed by Fidelity Investments, an affiliate of Fidelity Management Trust Company. Fidelity Management Trust Company is the Plan trustee and, therefore, these transactions and the Plan's payment of trustee fees to Fidelity Management Trust Company qualify as party-in-interest transactions. Amounts paid by the Plan to parties-in-interest for investment management and administrative services also qualify as party-in-interest transactions. Notes receivable from participants held by the Plan are considered party-in-interest transactions.

8. TAX STATUS

The Internal Revenue Service issued an opinion letter dated March 31, 2008 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are currently no audits for any tax periods in progress.

9. SUBSEQUENT EVENT

Plan management has evaluated subsequent events for recognition and disclosure through October 7, 2013, which is the date the financial statements were available to be issued.
