Pompano Beach, Florida

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Merritt's Boat & Engine 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2012, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements. The financial statements as of December 31, 2011 were audited by other auditors whose report, dated September 25, 2012, disclaimed an opinion on those financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 3 and 4, which was certified by ING Institutional Plan Services, LLC, as agent for Reliance Trust Company, the custodian/trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian/trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian/trustee as of and for the year ended December 31, 2012, that the information provided to the plan administrator by the custodian/trustee is complete and accurate.

Basis of Accounting

As more fully described in Note 2, these financial statements were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held for Investment, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian/trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Merritt's Boat & Engine 401(k) Plan (the "Plan") provides only general information. A more complete description of the Plan's provisions may be found in the Summary Plan Description, which has been distributed to all participants, and also in the Plan document, which is also available to all participants upon request.

General:

The Plan is a defined contribution plan covering all full-time employees of Merritt's Boat & Engine Works, Inc., Merritt Marine Supply, Inc., Roy-Al Management Enterprises Corp. and Smith-Merritt Insurance, Inc. (collectively, the "Company") who have one year of service and are of age eighteen or older. Employees may enter the Plan on the first day of each Plan quarter following the date they satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Companies are located in southeast Florida.

Administration of plan assets:

The Plan's assets, through December 31, 2012, are held by Reliance Trust Company, custodian of the Plan. Participants' contributions are held and managed by the custodian who invests contributions and investment income and makes distributions to participants.

Certain uncompensated administrative functions are performed by the employees of the Company. Substantially all administrative expenses are paid by the Company.

Effective January 1, 2013, plan assets are held by Wilmington Trust Corporation (WTRISC).

Contributions:

Each year, participants may contribute up to 92% of pretax annual compensation, as defined and limited in the Plan, and to the maximum amount allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollover contributions"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 20% of the first 5% of base compensation that a participant contributes to the Plan. The matching Company contribution is invested in the same funds as the participants' contributions. Additional profit sharing amounts may be contributed at the option of Company's board of directors; however, no such contributions have been made. Contributions are subject to certain limitations, and are funded on a weekly basis.

Participant accounts (self-directed):

Each participant's account is credited with the individual contributions and allocations of (a) the Company's contribution and, (b) Plan earnings, and is charged with specific administrative expenses for participant loan activity. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Vesting:

Participants are immediately vested on their voluntary contributions plus the earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant begins vesting after two years of credited service and is 100% vested after six years of credited service.

Participant accounts become fully vested regardless of the established vesting schedule upon death, disability, attainment of normal retirement age (65), or upon termination of the Plan.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of $ 1,000 up to a maximum equal to the lesser of $ 50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest rates of prime plus 2 points as of the loan date, as determined by the Plan administrator.

Payment of benefits:

On termination of service due to death, disability, or normal retirement, a participant with a vested individual account balance greater than $ 5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or a payment in the form of an annuity. For accounts less than $ 5,000, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. See the Plan document for minimum distribution requirements, and involuntary cash-outs provisions.

Forfeitures:

At December 31, 2012 and 2011, forfeited non-vested accounts totaled $ 17 and $ 303, respectively. Forfeitures are allocated in the same proportion that an employee's compensation bears to the total compensation of all participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting; consequently certain additions to net assets are recognized when received rather than when earned and certain deductions from net assets are recognized when paid rather than when the obligation is incurred.

Investment valuation and income recognition:

The Plan's investments are stated at their estimated fair value. The difference between fair value and the cost of investments is reflected as appreciation or depreciation in fair value of investments in the statement of changes in net assets available for benefits

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded when received.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits:

Benefits are recorded when paid. If benefit payment checks have not been cashed, a liability is recorded for the amount of the stale checks.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures at the date of the financial statements and the reported amounts of additions to and reductions from net assets during the reporting period. Actual results may differ from those estimates.

Administrative expenses:

Certain fees are paid directly from Plan assets, which amounted to $ 2,236 for the Plan year ending December 31, 2012.

Date of Management Review:

Subsequent events have been evaluated by management through October 11, 2013, the date the financial statements were available to be issued.

NOTE 3 - ASSETS HELD FOR INVESTMENT

The following information was certified by ING Institutional Plan Services, LLC, as agent for Reliance Trust Company, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations under ERISA. No auditing procedures were performed with respect to the information except for comparing the information with the financial statements of the Plan.

The fair value of investments that represented five (5%) percent or more of the Plan's net assets available for benefits at December 31, 2012 and 2011 are as follows:

	2012	2011
Cash awaiting investment	$ 4,845,181	$ -
ING Money Market Portfolio - Class I	-	915,688
Legg Mason ClearBridge Aggressive Growth Fund - A	-	356,954
Legg Mason ClearBridge Appreciation Fund - A	-	406,542
Western Asset Mortgage Backed Securities Fund - A	-	254,165
Lord Abbett Mid-Cap Stock Fund - P Shares	-	235,775
American Funds: The Growth Fund of America - R3 Shares	-	747,300

The net appreciation in the fair value of the Plan's investments (including gains and losses on investments bought and sold) was $ 490,826 for the year ended December 31, 2012.

NOTE 3 - ASSETS HELD FOR INVESTMENT (continued)

All investment information disclosed in the accompanying financial statements including investments held at December 31, 2012, and net appreciation (depreciation) in fair value of investments, interest and dividend income and administrative expenses for the year ended December 31, 2012, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by ING Institutional Plan Services, LLC, an agent for Reliance Trust Company.

The Plan investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits–modified cash basis and the statement of changes in net assets available for benefits–modified cash basis.

Effective December 31, 2012, the Plan's Sponsor authorized a change of the custodian/trustee of the Plan's assets. The investments within participants accounts were liquidated, held in cash at year end, and invested with the new custodian/trustee subsequent to year end, as directed by Plan participants (Note 9).

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: *Level 1* inputs consist of unadjusted quoted prices in active markets for identical investments and have the highest priority; *Level 2* inputs consist of observable inputs other than quoted prices included within Level 1 that are observable for the investments, either directly or indirectly; and *Level 3* inputs are unobservable inputs for the investments and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits as follows:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2012:		
Registered Investment Companies	$ 56	$ 56
December 31, 2011:		
Registered Investment Companies	$ 4,221,278	$ 4,221,278

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Cash awaiting investment at December 31, 2012, amounted to $ 4,845,181. Disclosures under FASB ASC 820 are not applicable.

Level 1 fair value measurements:

The fair value of investments in registered investment companies is based on quoted net asset values of the shares held by the Plan at year end.

NOTE 5 – RELATED PARTY TRANSACTIONS

ING Institutional Plan Services, LLC and its affiliate Reliance Trust Company are custodians of the Plan assets. Fees paid by the Plan for the participant loan management services aggregated $ 2,236 for the year ended December 31, 2012.

The sponsoring company paid certain administrative fees of the Plan, including annual fees paid to the custodian, fidelity bond premiums, and professional fees.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated October 18, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax provisions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, tax filings for three years after the filing date of the Form 5500 may be subject to IRS examination. Under the provisions of ERISA, the Plan and its fiduciaries may be subject to examination for six years.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RECONCILIATION TO FORM 5500

The Plan financial statements are in agreement with the Form 5500 except for the following:

	Per Form 5500	Stale Check Liability	Per Accompanying Financial Statements
Net assets available for benefits, beginning	$ 4,407,676	$ (387)	$ 4,407,289
Net increase in net assets available for benefits for 2012	593,883	-	593,883
	$ 5,001,559	$ (387)	$ 5,001,172

NOTE 9 – SUBSEQUENT EVENT

As discussed in Note 3, the Plan's Sponsor authorized a change in custodian/trustee during the year and held all participant account balances in cash at December 31, 2012. Subsequent to year end, this cash was invested as follows, as directed by Plan participants:

JP Morgan Large Cap Growth	$ 1,335,276
Metlife Stable Value	1,183,160
