To the Administrative Committee
CNC Door Corporation of Charlotte, N.C. 401(K) Plan
Charlotte, North Carolina

We have audited the financial statements of CNC Door Corporation of Charlotte, N.C. 401(K) Plan for the year ended December 31, 2012, and have issued our report thereon dated October 11, 2013. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (and, if applicable, *Government Auditing Standards* and OMB Circular A-133), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 8, 2013. Professional standards also require that we communicate to you the following information related to our audits.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by CNC Door Corporation of Charlotte, N.C. 401(K) Plan are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2012.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 11, 2013.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these types of discussions occur in the normal course of our professional relationship and our responses were not a condition to our retention.

We also communicate matters that are opportunities for strengthening internal controls and operating efficiency. We have already discussed these comments and suggestions with various personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Plan Administrator Authorization

During our testing procedures it was noted that on occasion certain election forms and distribution forms were not signed by the Plan Administrator. We recommend all forms used to make changes to a participant's account be signed by the participant and by the Plan Administrator.

Participant Data

During our testing procedures it was noted that one terminated participant was not marked as terminated on the census. We recommend that participant data be accurately reported.

Delinquent Remittances of Deferrals

During our testing procedures it was noted that there were several instances where employee contributions were not timely remitted to the Plan. We recommend all employee deferrals be timely remitted to the plan.

This report is intended solely for the information and use of management and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Rives & Associates LLP
