To the Administrative Committee
Diversified Roofing & Affiliates 401(k) Plan

I have conducted a DOL limited-scope audit of the financial statements of Diversified Roofing & Affiliates 401(k) Plan for the year ended December 31, 2012 and have issued my report thereon dated October 4, 2013. As permitted by 29 CR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 7 to those financial statements. Because of the information I did not audit, I am unable to, and have not, expressed an opinion on those financial statements and supplemental schedules taken as a whole. I did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that I provide you with information about my responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of my audit. I have communicated such information to you in our engagement letter dated August 27, 2013. Professional standards require that I communicate to you the following information related to my audit.

Significant audit findings

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Diversified Roofing & Affiliates 401(k) Plan are described in Note 2 of the financial statements. No new accounting policies were adopted and the application of the existing policies was not changed during the year ended December 31, 2012. I noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions that have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

I encountered no significant difficulties in performing and completing my audit.

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

For purposes of this letter, a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. I am pleased to report that no disagreements arose during the course of our audit.

I have requested certain representations from management that are included in the management representation letter dated October 4, 2013.

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with me to determine that the consultant has all the relevant facts. To my knowledge, there were no such consultations with other accountants.

I generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditor. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to my retention.

With respect to the supplementary information accompanying the financial statements, I made certain inquiries of management and evaluated the form, content and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. I compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan's administrative committee, and management of Diversified Roofing & Affiliates 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely yours,

James B. Wendt

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Diversified Roofing & Affiliates 401(k) Plan
Phoenix, Arizona

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of Diversified Roofing & Affiliates 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Managements Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with auditing principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis of Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Nationwide Trust Company, the trustee of the Plan from October 18, 2012 thru December 31, 2012, and by Hartford Life Insurance Company, the trustee of the Plan from January 1, 2011 thru October 17, 2012 except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustees as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at year end, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1: Description of the plan

The following description of the Diversified Roofing & Affiliates 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General. The Plan is a defined-contribution plan covering substantially all full-time employees of Diversified Roofing Corporation who have three months of service and have attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 100 percent of pretax annual compensation up to the maximum permitted under law, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Matching contributions are at the discretion of the Company. For the year ended December 31, 2012, the Company matched 100% of a participant's deferral up to a maximum of $500. There were no matching contributions in 2011.

Participants accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the allocation of the investments in their own account.

Vesting. Participants are immediately vested in their voluntary contributions, plus the earnings thereon. Vesting in the remainder of their account balance is based on years of continuous service, with a participant becoming 100% vested after 5 years of credited service.

Payment of benefits. On termination of service, a participant will receive a lump-sum distribution equal to the value of the participant's account if the amount is $5,000 or less. If the amount is greater than $5,000, the participant can elect to receive either a lump sum amount or an installment distribution.

Plan costs. The majority of the annual costs of the Plan are paid by the Company.

Forfeited accounts. For years ended December 31, 2012 and 2011, terminating participants forfeited nonvested accounts totaling $10,442 and $881, respectively. This forfeiture account, which has a balance of $22,348 at December 31, 2012, will be used to reduce future employer contributions and/or pay Plan expenses. There were no such reductions made in 2012 and 2011.

Note 2: Summary of significant accounting policies

Investment valuation
The Plan's investments are stated at fair market value.

Note 2: Summary of significant accounting policies, continued

Basis of accounting
The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates by management
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of benefits
Benefits are recorded when paid.

Date of management's review
Subsequent events were evaluated through October 4, 2013, which is the date the financial statements were available to be issued.

Note 3: Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4: Tax status

The Company has adopted a standardized 401(k) pension plan sponsored by The Hartford Life Insurance Company, the third party administrator of the Plan. The Internal Revenue Service has determined and informed The Hartford, by a letter dated March 31, 2008, that the Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan continues to operate in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2009.

Note 5: Reconciliation of financial statements to Form 5500

There were no material differences noted between the financial statements of the Plan and the Plan's 2012 Form 5500.

Note 6: Fair value measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 is used only when Level 1 or Level 2 inputs are not available.

Level 2 Fair Value Measurements

The Plan's mutual fund investments for the period October 18, 2012 thru December 31, 2012 were administered by and certified by Nationwide Trust Company. The Plan's mutual fund investments for the period ended October 17, 2012 and the year ended December 31, 2011 were administered by and certified by The Hartford Life Insurance Company.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2012 and 2011:

		Fair value measurements using:	
	Fair Value	Level 1	Level 2
December 31, 2012			
Mutual funds	$ 809,592	$ -	$ 809,592
Total	$ 809,592	$ -	$ 809,592
December 31, 2011			
Mutual funds	$ 783,515	$ -	$ 783,515
Total	$ 783,515	$ -	$ 783,515

Note 7: Investments

The following investment information, included in the accompanying financial statements and supplemental schedules, was obtained from the data that has been prepared and certified to be complete and accurate by Nationwide Trust Company and The Hartford Life Insurance Company for the years ended December 31, 2012 and 2011 (see note 6). The Plan's mutual fund investments are part of various groups of mutual funds as determined by the Plan's Administrative Committee. Upon initial enrollment in the Plan, a participant directs the allocation of contributions among the various mutual funds designated by the Plan's administrative committee. The mutual funds held at year end were as follows:

Note 8: Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9: Related party transactions

Certain Plan investments are shares of mutual funds that were managed by The Hartford Life Insurance Company. The Hartford is a trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
