We were engaged to audit the accompanying financial statements of the Spatz Laboratories 401(k) Plan (the "Plan"), which comprise the statements of net assets available for plan benefits as of December 31, 2012 and 2011, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Trustee as of December 31, 2012 and 2011, and for the year ended December 31, 2012, that the information provided to the plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

As described in Note 7, the Plan Sponsor is in the process of submitting a Voluntary Correction Procedure to the IRS for an operational error. As of the report date, it is uncertain what impact, if any, the operational error will have on the financial statements.

Report on Supplemental Schedules

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2012 and the Schedule of Delinquent Participant Contributions for the year ended December 31, 2012 are required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with DOL Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. PLAN DESCRIPTION

The following description of the Spatz Laboratories 401(k) Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees who are employed by Spatz Laboratories (the "Company" and the "Plan Sponsor") and have attained 21 years of age. To be eligible for discretionary Company contributions, participants must be employed on the last day of the Plan year and complete at least 501 hours of service during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participant Contributions

Participants may contribute up to 60 percent of pretax annual compensation and up to 100 percent on certain specified payroll periods and bonuses, as defined in the Plan and subject to certain limitations under the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan.

Company Contributions

The Plan provides for discretionary Company matching and nonelective contributions, none of which were made during the year ended December 31, 2012.

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the discretionary Company contributions is based on years of service. Participants hired after December 1, 2003 are vested in discretionary Company contributions at 20 percent after two years of service, and an additional 20 percent each year thereafter until 100 percent vested upon six years of service. Participants hired prior to December 1, 2003 are immediately vested in all contributions.

Forfeitures

Forfeitures may first be used to pay Plan administrative expenses and then to reduce Company contributions. No forfeitures were utilized during the year ended December 31, 2012. As of December 31, 2012, forfeitures of $86 are available for future use.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. PLAN DESCRIPTION (Continued)

Payment of Benefits

On termination of service for any reason, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account as permitted under the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from data provided by Fidelity Management Trust Company (the "Trustee").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. The investments and changes therein of the funds have been reported to the Plan by the Trustee using fair value.

Investments are valued daily. Interest income is recorded on an accrual basis. Dividend income is included in net appreciation of investments.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Through participant direction, approximately 17 percent of the Plan's net assets are invested in the Fidelity Retirement Money Market Portfolio Fund.

Administrative Expenses

Administrative expenses incidental to the administration of the Plan, including fees of the Trustee and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees that reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 and 2011.

Mutual Funds – This category consists of publicly traded funds of registered investment companies. The net asset value of the mutual fund's shares is quoted on the exchange where the fund is traded and therefore classified as Level 1 within the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

All of the Plan's investments are Level 1 and the following table sets forth, by investment type, the Plan's investments at fair value as of December 31:

	2012	2011
Mutual Funds:		
Target date funds	$ 187,242	$ 158,100
Growth funds	171,739	258,107
Blend funds	151,883	61,038
Value funds	194,896	184,526
Money market fund	163,942	147,739
Fixed income funds	98,448	105,223
Total investments at fair value	$ 968,150	$ 914,733

NOTE 3. INVESTMENTS

Investment options are selected by the Plan Sponsor and are participant-directed. The participants have several investments they can choose from. See the attached Schedule of Assets (Held at End of Year) for a detailed listing of investments.

The following presents investments that represent five percent or more of the Plan's net assets at December 31:

	2012	2011
Fidelity Retirement Money Market Portfolio Fund	$ 163,942	$ 147,739
Fidelity Freedom 2045 Fund	102,014	70,031
Fidelity Contrafund	*	67,523
Fidelity Intermediate Bond Fund	88,030	74,782
Fidelity Value Fund	59,219	52,166
Fidelity Low-Priced Stock Fund	57,411	67,525
Fidelity Diversified International Fund	*	57,281
Spartan Total Market Index Fund	91,653	*

* Less than five percent of net assets at December 31.

For the year ended December 31, 2012, net appreciation of investments in registered investment companies (mutual funds) was $120,107.

NOTE 4. PARTICIPANT LOANS

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balance. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at a rate of five percent. Principal and interest is paid ratably through payroll deductions.

NOTE 5. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee. Transactions with the Trustee qualify as party-in-interest transactions for which exemptions exist. The Trustee received $392 for transaction fees, all of which was paid by participants through the Plan and receives indirect compensation based on a formula.

NOTE 7. TAX STATUS

The Company adopted a volume submitter plan which is the subject of a favorable tax opinion letter from the IRS dated March 31, 2008. The Company routinely self reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plans Compliance Resolution System. In addition, the Company has identified certain operational errors related the Plan's operation and is in the process of submitting a Voluntary Correction Procedure to the IRS. The Company is unable to estimate the amounts, if any, that may be required to be contributed to the Plan as of December 31, 2012 and 2011. The Company believes that the Plan, as subsequently amended, currently is being operated in compliance with the applicable requirements of the IRC. Accordingly, except for the errors being corrected, the plan administrator believes that the Plan is designed in accordance with applicable sections of the IRC and, accordingly, is exempt from income taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE 8. FINANCIAL DATA CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Trustee and was not subjected to any auditing procedures performed by the independent public accountants:

NOTE 8. FINANCIAL DATA CERTIFIED BY THE TRUSTEE (Continued)

a. Participant-directed investments and participant loans as shown in the accompanying statements of net assets available for plan benefits of $968,150 and $9,626, respectively, as of December 31, 2012 and $914,733 and $1,143, respectively, as of December 31, 2011.
