INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Sport Clips Game Plan

Report on the Financial Statements

We have audited the accompanying financial statements of The Sport Clips Game Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, the related statement of changes in net assets available for benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Sport Clips Game Plan as of December 31, 2012 and 2011, and the changes in net assets available for benefits for the year ended December 31, 2012 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4j – Schedule of Reportable Transactions, as listed in the accompanying table of contents, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

THE SPORT CLIPS GAME PLAN
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2012

NOTE 1 - DESCRIPTION OF THE PLAN

General:
The Sport Clips Game Plan (the Plan) is a single employer defined contribution plan covering substantially all eligible employees of Sport Clips, Inc. (the Sponsor). The Plan became effective January 1, 1989. Effective December 1, 2004, the Sponsor adopted a Safe Harbor provision for employer contributions. Plan assets are held by SunGard Business Systems, LLC as of December 31, 2012 and 2011, under the direction of the Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Complete information regarding the Plan is included in the Plan document. Significant Plan provisions are summarized below.

Eligibility:
Employees of the Sponsor may participate in the Plan if they are 20 years or older and have completed 1,000 hours of service in a period of 12 consecutive months. Non-resident alien employees and union employees are excluded from the Plan. The Plan's enrollment dates for existing employees are January 1 or July 1 after satisfying the eligibility requirements.

Contributions:
An employee electing to participate in the Plan may contribute up to 100% of their eligible compensation on a pre-tax and/or after tax basis up to the maximum allowed by the Internal Revenue Code. The Plan also provides for a default contribution election in the amount of 3% in the absence of an affirmative decision not to participate. Participants who have attained the age of 50 at the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution cannot exceed $5,500 in 2012 and 2011.

The Sponsor has adopted the Safe Harbor matching contribution in which the employer will match each eligible participant's contribution in the amount equal to 100% of the first 3% of compensation contributed by the participant and 50% of the next 2% of compensation contributed by the participant.

Participant accounts:
Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the allocated share of (1) the Sponsor's contributions, (2) Plan earnings or losses, and (3) administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan.

Vesting:
Participants are immediately vested in their contributions plus earnings thereon, and on the Sponsor's Safe Harbor match contributions. Any discretionary employer contributions are vested over a six year period, beginning after the second year of service and adding an additional 20% for each year following.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Payment of benefits:
Under the terms of the Plan, participants are eligible for benefit payments upon the later of age 65, or age 55 and the participant's sixth anniversary of joining the Plan. The Plan also provides for distributions to participants, or their beneficiaries, upon death, disability and termination of employment. A participant or their beneficiary will receive a lump-sum distribution.

If upon termination of employment a participant's balance is $5,000 or less, the Sponsor will automatically distribute the Participant's vested balance.

Forfeitures:
Non-vested forfeitures of terminated accounts are used to pay administrative expenses and reduce the employer contributions that the Sponsor would otherwise make for the Plan year in which the forfeitures are allocated. At December 31, 2012 and 2011, forfeited nonvested accounts totaled $552 and $425, respectively. During the year ended December 31, 2012, no forfeitures were used to pay employer contributions and administrative expenses.

Notes receivable from participants:
Under the terms of the Plan, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participants' accounts and bear interest commensurate with local prevailing rates, as determined by the Sponsor.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:
The financial statements of the Plan are presented under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and cash equivalents:
The Plan considers all highly liquid debt instruments and short-term investments purchased with an original maturity of three months or less to be cash equivalents.

Use of estimates:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management of the Plan make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Notes receivable from participants:
Notes receivable for participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2012 or 2011. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment valuation and income recognition:
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:
Benefits are recorded when paid.

Administrative expenses:
Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:
Management has evaluated subsequent events through October 14, 2013, the date on which the financial statements were available to be issued.

NOTE 3 - TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Sponsor and the plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements for the Internal Revenue Code and the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 3 - TAX STATUS - CONTINUED

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2009.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

NOTE 5 - INVESTMENTS

Investments representing 5% or more of the Plan's net assets at December 31, 2012 and their comparable balances as of the end of the prior year are as follows:

	2012	2011
Investments:		
American Funds Cash Management Trust of America	$ 1,535,134	$ 1,422,690
American Target 2010 R2	524,463	480,773
American Balanced Fund	537,302	448,846
Investments that individually represent less than 5% of net assets available for benefits	1,043,869	850,398
Total investments	$ 3,640,768	$ 3,202,707

During the year ended December 31, 2012, the Plan's investment in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $155,442 and earned dividends of $55,758.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NOTE 6 - FAIR VALUE MEASUREMENTS - CONTINUED

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 and 2011.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
Money market	$ 1,535,134
Mutual funds:	
Allocation funds	537,302
Blended funds	142,399
Bond funds	78,764
Growth funds	148,054
Target date funds	1,009,953
Other funds	189,162
Total mutual funds	2,105,634
Total assets at fair value	$ 3,640,768

NOTE 6 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
Money market	$ 1,422,690
Mutual funds:	
Allocation funds	448,846
Blended funds	146,208
Bond funds	61,727
Growth funds	113,119
Target date funds	830,996
Other funds	179,121
Total mutual funds	1,780,017
Total assets at fair value	$ 3,202,707

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
