We were engaged to audit the accompanying financial statements of the Thomas Safran & Associates 401(k) Plan (the "Plan"), which comprise the statement of net assets available for plan benefits as of December 31, 2012, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Transamerica Life Insurance Company, the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of and for the year ended December 31, 2012, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2012 is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with DOL Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Other Matter – 2011 Financial Statements

The financial statements of the Plan as of December 31, 2011, were audited by another auditor. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditor not to perform, and he did not perform any auditing procedures with respect to the information certified by the Custodian. His report, dated August 8, 2012, indicated that (a) because of the significance of the information that he did not audit, he was unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. PLAN DESCRIPTION

The following description of the Thomas Safran & Associates 401(k) Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees, as defined by the Plan, who have been employed for at least one month by Thomas Safran & Associates, Inc. and participating employers (collectively, the "Company" and the "Plan Sponsor") and are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may make pre-tax and Roth deferrals of up to 100 percent of their annual compensation, as defined by the Plan and subject to Internal Revenue Code ("IRC") limitations. In addition, the Plan includes an automatic enrollment provision that all eligible employees are automatically enrolled at a deferral rate of three percent of eligible compensation. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan.

The Company made a discretionary matching contribution of 25 percent of the participant's deferrals. For the year ended December 31, 2012, the Company made matching contributions of $83,924. The Company may also make discretionary profit sharing contributions. Participants must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year in order to be eligible for Company discretionary profit sharing contributions. For the year ended December 31, 2012, the Company did not make a discretionary profit sharing contribution. The Plan also provides for qualified non-elective contributions ("QNEC"). The Company intends on making a QNEC of $27,582 subject to IRS approval of a Voluntary Compliance Procedure (see Note 4).

Vesting

Participants are immediately vested in their contributions and QNEC, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contribution portion of their accounts is based on years of service. Participants are vested in Company discretionary matching and profit sharing contributions at 20 percent after two years of service and an additional 20 percent each year thereafter until 100 percent vested upon six years of service. While still employed by the Company, if a participant becomes disabled, dies or reaches normal retirement age, the participant becomes 100 percent vested.

Forfeitures

Forfeitures of Company contributions may first be used to pay Plan administrative expenses and to reduce Company contributions. During the year ended December 31, 2012, forfeitures of $1,797 were utilized to pay Plan administrative expenses. As of December 31, 2012, there were $2,233 of forfeitures available for future use.

NOTE 1. PLAN DESCRIPTION (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service for any reason, a participant or their beneficiaries, as applicable, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments in accordance with the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from data provided by Transamerica Life Insurance Company (the "Custodian" and "Transamerica").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Through participant direction, approximately 23 percent of the Plan's net assets are invested in the Transamerica Stable Value Option, a guaranteed income fund. The viability of this fund is dependent upon the continued viability of Transamerica, among other factors.

Benefits Payable to Participants

Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses incidental to the administration of the Plan, including fees of the Custodian and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees which reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. The investments and changes therein of the funds have been reported to the Plan by the Custodian using fair value. Accounting principles generally accepted in the United States of America require that the amount representing the difference between the fair value of a fully benefit-responsive investment contract and the contract value be presented on the face of the statements of net assets available for plan benefits. As of December 31, 2012 and 2011, there is no difference between the contract value and fair value for the Transamerica Stable Value Option.

Investments are valued daily. Interest income is recorded on an accrual basis. Dividend income is included in net appreciation of investments.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2012 and 2011.

Pooled Separate Accounts – Valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV of Pooled Separate Accounts ("PSA") is based on the readily available market value of its underlying investments. The PSA NAV is not a publicly-quoted price in an active market, therefore, the PSA are classified as Level 2 within the valuation hierarchy.

Guaranteed Income Fund – The Guaranteed Income Fund ("GIF") is a fully benefit-responsive investment fund and is classified as a Level 2 investment. The GIF is valued based upon the participant contributions made in the fund, plus earnings from money market funds and one-year U.S. Treasury bills, less withdrawals and fees.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The PSA do not have any unfunded commitments relating to their investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

All of the Plan's investments are Level 2 and the following table sets forth, by investment type, the Plan's investments at fair value as of December 31:

	2012	2011
PSA:		
Blend funds	$ 351,624	$ 353,728
Value funds	159,155	135,796
Growth funds	401,236	359,540
Target date funds	741,547	554,696
Fixed income funds	212,032	154,348
Total PSA	1,865,594	1,558,108
GIF	595,220	447,856
Total investments at fair value	$ 2,460,814	$ 2,005,964

Reclassifications

Reclassifications have been made to the prior year presentation of the Plan's investments at fair value by investment type to conform to the current year presentation.

NOTE 3. INVESTMENTS

Investment options are selected by the Plan Sponsor and are participant-directed. The participants have several investments they can choose from. See the attached Schedule of Assets (Held at End of Year) for a detailed listing of investments.

The following presents investments that represent five percent or more of the Plan's net assets at December 31:

	2012	2011
Transamerica Stable Value Option	$ 595,220	$ 447,856
AEGON Balanced Retirement Option	*	117,976
American Funds Fundamental Investors Investment Option	191,199	210,195
Vanguard Target Retirement 2035 Retirement Option	*	122,667
Vanguard Target Retirement 2045 Retirement Option	325,496	232,411

* Less than five percent of net assets at December 31.

For the year ended December 31, 2012, net appreciation of investments in registered investment companies (mutual funds) held in pooled separate accounts was $211,499.

The Plan entered into a fully benefit-responsive investment contract with Transamerica. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

Because the investment is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the investment contract. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of Transamerica or otherwise. The crediting interest rate is based on a formula agreed upon with Transamerica, but may not be less than zero. Such interest rates are viewed on a semi-annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with Transamerica, such as a significant decline in the credit worthiness of Transamerica. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Average yields for the Transamerica Stable Value Option:	2012	2011
Based on actual earnings	1.75%	2.45%
Based on interest rate credited to participants	1.75%	2.45%

NOTE 4. FEDERAL INCOME TAX STATUS

The Company adopted a volume submitter plan which is the subject of a favorable tax opinion letter from the IRS dated May 30, 2008. The Company routinely self-reviews the administration of the Plan and has identified certain operational errors related to the Plan's operation and has submitted a Voluntary Compliance Procedure to the IRS. Accordingly, except for the errors being corrected, the Company believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan will remain tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE 5. FINANCIAL DATA CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Custodian and was not subjected to any auditing procedures performed by the independent public accountants:

a. Participant-directed investments as shown in the accompanying statements of net assets available for plan benefits of $2,460,814 as of December 31, 2012 and $2,005,964 as of December 31, 2011.

b. Net appreciation of investments of $211,499 and interest income on investments of $9,448 as shown in the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2012.

c. Total participant-directed investments as of December 31, 2012 as shown in the accompanying Schedule of Assets (Held at End of Year).

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Investments are managed by the Custodian. Transactions with the Custodian qualify as party-in-interest transactions for which exemptions exist. The Custodian received management and contract administration fees of $16,615 from the Plan. In addition, the Company utilizes an investment advisor that received indirect fees of $5,430 from the Plan.

NOTE 7. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their Company contributions.

NOTE 8. PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the highest outstanding loan balance during the previous 12 months, or 50 percent of their vested account balance. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 6.25 percent. Principal and interest is paid ratably through payroll deductions.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500 as of December 31, 2012:

Net assets available for plan benefits per the financial statements	$ 2,598,103
Receivable	(27,582)
Corrective distributions	4,736
Net assets available for plan benefits per the Form 5500	$ 2,575,257

NOTE 10. SUBSEQUENT EVENTS

The Plan Sponsor has made the decision to transfer all of the Plan's assets from Transamerica Life Insurance Company to City National Bank. The transfer is anticipated to occur on November 1, 2013.

The Company has evaluated subsequent events through October 9, 2013, which is the date that the financial statements were available to be issued, and determined that there were no other subsequent events or transactions that required recognition or disclosure in the financial statements.
