Independent Auditors' Report

The Board of Directors of
Solution Point 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Solution Point 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2012 and 2011, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2012 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2. This includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which were certified by State Street Bank and Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2012 and 2011 and for the year ended December 31, 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Other Matter

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2012 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule (modified cash basis), other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Solution Point 401(k) Plan

Notes to Financial Statements
December 31, 2012

1. Description of Plan

The following description of Solution Point 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

On January, 1, 2011, Solution Point International, Inc. (the "Company") formed the Plan under the provisions of Section 401 of the Internal Revenue Code (the "IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was formed to merge the individual 401(k) plans of the following entities (collectively "the Companies"):

Solution Point International, Inc.
NSM Surveillance, Inc.
The Bode Technology Group, Inc.
Guidepost Solutions, LLC

In February 2011, these Companies transferred all of their assets into the Plan.

Plan Administration

The Plan is administered by Solution Point International, Inc. and State Street Bank and Trust Company is the trustee of the Plan.

Eligibility

The Plan is a defined contribution plan covering all employees of the Company except for employees who: are union employees whose employment is governed by a collective bargaining agreement, are non-resident aliens without earned income from U.S. sources, or are part-time/temporary (work less than 1,000 hours). Employees of the affiliated companies NSM Surveillance, Inc., The Bode Technology Group, Inc., and Guidepost Solutions, LLC, will have their service recognized for eligibility, vesting and contribution allocation purposes. An employee is eligible for participation in the Plan upon obtaining twenty-one years of age and completion of thirty days of service.

Contributions

Each year, participants may contribute to the Plan a portion of their annual compensation, up to 90% of eligible compensation as defined by the Plan, subject to a maximum annual limit as defined by law. Participant contributions may be deducted in pre-tax dollars for the 401(k) and post-tax dollars for the Roth 401(k). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Transfers from qualified plans (rollover contributions) are also permitted. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

1. Description of Plan *(continued)*

Contributions (continued)

The Companies will make a safe harbor matching contributions to each eligible participant in an amount equal to 100% of a participant's elective deferrals up to 3% of their eligible compensation and 50% of a participant's elective deferrals that exceed 3% up to 5% of their compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

A participant is 100% vested in his or her account including allocated earnings thereon at all times.

Notes Receivable from Participants

Participants may borrow from their account balance a minimum of $1,000 up to a maximum amount of the lesser of 50% of their vested account balance or $50,000. A participant may only have one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates plus 1% as determined by the plan administrator. The term of a loan can range from one to five years or up to ten years if the purpose of the loan is for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

Payments of Benefits

Upon termination of a participant's employment as a result of retirement, death, disability, dismissal, or resignation, as defined by the provisions of the Plan, the participant's account shall be paid to the participant, or designated beneficiary, in a lump-sum amount.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis; investment income is recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds are valued at the net asset value of shares held by the Plan at year-end. The Plan's interest in common/collective trusts is based on the fair value of the common/collective trust's underlying investments based on information reported to the Plan by the investment advisors using the audited financial statement of the common/collective trust at year end. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

2. Summary of Significant Accounting Policies *(continued)*

Payment of Benefits

Benefits are recorded when paid.

Accounting for Uncertainty in Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Plan is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to December 31, 2009.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 10, 2013.

3. Information Certified by Trustee (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all the investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2012 and 2011, the supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2012, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2012.

4. Investments

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2012

PIMCO Total Return Fund	781,010	1,002,375
Blackrock Equity Dividend Fund	*	604,088

* - Amount was less than 5% of the Plan's net assets available for benefits.

4. Investments *(continued)*

During 2012, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

Mutual Funds	$ 895,744
Common/Collective Trusts	162,349
	$ 1,058,093

5. Common/Collective Trusts

The Plan invests in seven common/collective trusts which include: the Invesco Stable Asset ADP 85 ("Invesco Trust"), the SSGA S&P 500 Index, the SSGA U.S. Bond Index, the SSGA REIT Index, the SSGA S&P Mid Cap Index, the SSGA International Index, and the SSGA Russell Small Cap Index. All of the common/collective trusts are not fully benefit-responsive except for the Invesco Trust. The statement of net assets available for benefits presents the fair value of the Plan's common/collective trusts as well as an adjustment from fair value to contract value for the Invesco Trust only since it is fully benefit-responsive. The statement of changes in net assets available for benefits is prepared on a contract value basis.

The Invesco Trust is a collective trust established by Invesco National Trust Company for the purpose of collectively investing and reinvesting the assets of eligible retirement plans. The Inveso Trust holds synthetic guaranteed investment contracts ("synthetic GICs") which is a portfolio of securities (debt securities or units of collective trusts) owned by the Invesco Trust with wrap contracts associated with the portfolios. The net unit value of the Invesco Trust is determined at the close of each business day. Participant units are issued and redeemed only at the end of each day and at the net unit value at contract value, provided the participating plans comply with the required one year notice provision. When the market value of the units are less than their contract value, participant plans may also elect to withdraw units at their market value upon 10 days' notice. Net investment income earned by the Invesco Trust is not distributed and is retained within the net assets.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. Tax Status

The Internal Revenue Service issued an opinion letter to the prototype plan document preparer, ADP Inc., dated March 31, 2008, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

8. Party-in-Interest

Certain Plan investments are shares/units of common/collective trusts that are managed by State Street Bank and Trust Company. State Street Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

ADP Inc. is the record-keeper as defined by the Plan. Fees paid by the Plan to ADP Inc. amounted to $2,075 for the year ended December 31, 2012.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
