Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by John Hancock Life Insurance Company and Fidelity Management Trust Company, the custodian and trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Fidelity Management Trust Company held the Plan's investment assets and executed investment transactions from January 1, 2012 to December 31, 2012, and that John Hancock Life Insurance Company held the Plan's investment assets and executed investment transactions for the period January 1, 2011 to December 30, 2011. The plan administrator has obtained certifications from the trustee and custodian of and for the year ended December 31, 2012 and the period January 1, 2011 to December 30, 2011, that the information provided to the plan administrator by the trustee and custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets (held at end of year), which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

NOTE A - DESCRIPTION OF THE PLAN

The following description of HRD Aero Systems, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan established by HRD Aero Systems, Inc. (the "Employer") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"). The Plan provides for a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Employer. The Plan is administered by the management of the Employer and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Custodian of the Plan through December 30, 2011 was John Hancock Life Insurance Company (USA) (the "Former Custodian"). Effective December 15, 2011, the Board of Directors elected to change the custodian of the Plan to Fidelity Management Trust Company ("Successor Trustee") (see Note J).

Effective January 1, 2012, the Plan was restated and the Successor Trustee assumed custodian and recordkeeping responsibilities for the Plan. The transfer initiated a blackout period from December 23, 2011 through February 9, 2012. During this period, funds could not be applied to the employee-selected funds with the Successor Trustee or withdrawn from the Plan until the Former Custodian and Successor Trustee had time to accurately complete the transfer. Employee contributions continued to be made through payroll deductions, and the contributions were deposited and held with the Successor Trustee until the completion of the blackout period. On January 3, 2012, plan assets of $3,246,547 were received by the Successor Trustee and transferred into funds comparable to those offered by the Former Custodian.

2. Eligibility

Effective January 1, 2012, all non-union and non-leased employees who are U.S. residents are eligible for participation in the Plan upon completion of three months service and attainment of age 18 prior to the first day of each month by the Successor Trustee. Prior to January 1, 2012, all non-union and non-leased employees who are U.S. residents are eligible for participation in the Plan upon completion of six months of employment and attainment of age 18 prior to the entry dates of January 1, April 1, July 1 and October 1 by the Former Custodian.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Contributions

Effective January 1, 2012, participants may elect to contribute, on a tax-deferred basis, up to 90% of their eligible compensation subject to certain limitations under the IRC by the Successor Trustee. Prior to January 1, 2012, participants could elect to contribute, on a tax-deferred basis, up to 100% of their eligible compensation subject to certain limitations under the IRC by the Former Custodian. Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may direct contributions, as desired, in any of several investments offered by the Successor Trustee and Former Custodian and may change their investment options daily. In addition, the Employer may make a discretionary matching contribution on behalf of each participant, limited to deferrals of up to 4%, in an amount subject to determination on an annual basis by the Board of Directors of the Employer.

The Employer may also make a discretionary profit sharing contribution in an amount subject to determination on an annual basis by the Board of Directors of the Employer for participants employed on the last day of the Plan year with 1,000 or more hours of service.

4. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses, subject to a $20 annual cap per participant. Plan earnings are allocated based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Participant Loans

Participants may borrow from their account a minimum of $1,000 up to a maximum of 50% of their vested account balance (not to exceed $50,000 less the highest outstanding loan balance during the prior twelve-month period). All loans shall bear a reasonable fixed rate of interest as determined by the plan administrator upon issuance. Loans must be paid back within five years of the date of issuance in accordance with terms established by the plan administrator. Loans for the purchase of a principal residence may be paid back over ten years. Loans are due and payable upon the participant's termination of employment with the Employer.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

6. Vesting

Employee contributions, rollovers, and actual earnings on all such contributions are fully vested at all times. Employer discretionary matching and profit sharing contributions and actual earnings thereon are fully vested as follows:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

7. Benefit Payments

Upon termination of employment with the Employer, a participant will receive a lump sum disbursement if his or her vested account balance is $1,000 or less. If the vested account balance is between $1,000 and $5,000, a lump sum will be distributed directly to an individual retirement account unless the participant elects otherwise. For balances greater than $5,000, the participant is entitled to receive a lump sum amount or installment payments. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account. In-service and hardship withdrawals for participants are also permitted if certain criteria are met.

8. Administrative Expenses

Administrative expenses incurred by the Successor Trustee and Former Custodian in performance of their duties are paid from the assets of the Plan. Effective January 1, 2012, administrative expenses incurred by the Plan are limited to $20 per participant annually. Substantially all other administrative expenses of the Plan are paid by the Employer.

9. Forfeitures

Forfeitures of terminated participants' nonvested accounts may be applied against administrative expenses or future Employer contributions. As of December 31, 2012 and 2011, outstanding forfeitures available totaled $11,570 and $5,902, respectively, and are included in net assets available for benefits.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

10. Plan Amendments and Termination

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on the contract value basis for the fully benefit-responsive investment contracts.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. The Fidelity Managed Income Portfolio includes fully benefit-responsive investment contacts and the Plan's allocable share is adjusted to contract value.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

5. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to deductions from net assets.

6. Benefit Payments

Benefits are recorded when paid.

7. Subsequent Events

Subsequent events were evaluated through October 10, 2013, which is the date the financial statements were available to be issued.

NOTE C - CERTIFICATION BY SUCCESSOR TRUSTEE AND FORMER CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all of the investment information, including investment income, included in the accompanying financial statements and supplemental schedule has been certified as complete and accurate by the Successor Trustee and Former Custodian of the Plan. In addition, notes receivable from participants, and the related interest income, have been certified as complete and accurate by the Successor Trustee as of December 31, 2012.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

Common collective trusts: Valued at the net asset value of units held by the Plan at year end. The unit value represents the fair value of the underlying assets, including direct and indirect interests in fully benefit-responsive investment contracts, as reported by the fund manager.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012:

December 31, 2012	Level 1	Level 2	Level 3	Total

Total investments at fair value	$ 3,495,648	$ 111,724	$ -	$ 3,607,372

NOTE E - INVESTMENTS

Investments that represent 5% or more of total net assets available for benefits as of December 31 are as follows:

	2012	2011
Manning & Napier Pro Blend Conservative Fund	$ 323,736	$ -
Invesco Charter Fund	313,563	-
Oakmark Equity and Income Fund	436,842	-
Calamos Growth & Income Fund	234,659	-
Fidelity Contra Fund	363,753	-

During the year ended December 31, 2012, the Plan's variable investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $248,819. These investments consist of mutual fund accounts offered by the Trustee.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

The Successor Trustee and Former Custodian are parties-in-interest with respect to the Plan. Investments are held with and managed by the Successor Trustee and Former Custodian. Loans receivable from participants and the related interest income are considered related party transactions.

NOTE H - INCOME TAX STATUS

The Internal Revenue Service ("IRS") has issued a determination letter to the Plan Sponsor dated June 2, 2010, that the adopted plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan did not seek a favorable determination letter with respect to the initial adoption of the plan document, nor with any plan amendments or restatements, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2012 and 2011, there are no uncertain positions taken or expect to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to the Form 5500 at December 31:

	2012	2011
Net assets available for Plan benefits per the financial statements	$ 3,709,056	$ 3,285,315
Adjustment from contract value to fair value for fully benefit-responsive investment contracts	3,198	-
Net assets for Plan benefits per the Form 5500	$ 3,712,254	$ 3,285,315

The following is a reconciliation of changes in net assets available for Plan benefits per the financial statements to the Form 5500 for the year ended December 31, 2012:

Net increase in net assets available for Plan benefits per the financial statements	$ 423,741
Adjustment from contract value to fair value for fully benefit-responsive investment contracts at the current year end	3,198
Net increase in net assets available for Plan benefits per the Form 5500	$ 426,939

NOTE J - PLAN RESTATEMENT

Effective January 1, 2012, the plan was restated to provide for a three month service requirement for purposes of eligibility instead of a six month service requirement when the Successor Trustee assumed custodian and recordkeeping responsibilities for the Plan (see Note A-1 and A-2).
