INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
E3 Electric, L.P. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of E3 Electric, L.P. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with U.S. generally accepted auditing standards. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by John Hancock Life Insurance Company (U.S.A), the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2012 and 2011, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year, which is the responsibility of Plan management, is presented for the purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with U.S. generally accepted auditing standards and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

E3 Electric, L.P. 401(k) Plan

Notes to Financial Statements

December 31, 2012 and 2011

Note 1 - Description of the Plan

The following brief description of the E3 Electric, L.P. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

General

The Plan, established in September 2004, is a defined contribution retirement plan covering certain employees of E3 Electric, L.P. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan custodian

John Hancock Life Insurance Company (U.S.A.) (the "Custodian") is the custodian of the Plan and holds all Plan assets in a trust account.

Eligibility

Employees who have attained age 21 and who have completed one month of service are eligible to participate in the Plan. The entry date of the Plan for eligible participants is on the first day of the pay period that coincides with, or next follows, the date that a participant first satisfies the age and service requirements.

Contributions

Participants may elect to contribute up to 100% of their eligible compensation on a pre-tax basis to the Plan, up to the maximum limit allowed by the Internal Revenue Code (the "IRC"). Participants may also rollover amounts representing distributions from other qualified plans.

The Company may make a discretionary matching contribution in an amount to be determined as a specific dollar amount and/or any specific percentage of elective deferrals. No discretionary employer contributions have been made to the Plan since its inception.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, and actual earnings thereon. Vesting in the Company contributions, if any, is based on years of continuous service according to the following schedule, as defined in the Plan.

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Note 1 - Description of the Plan (Continued)

Forfeitures

Forfeitures result from non-vested Company contributions remaining in the Plan from terminated participants. Forfeitures, if any, may be used at the discretion of the Plan administrator to pay Plan administration costs or added to future employer contributions.

Notes receivable from participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The note terms may not exceed five years unless the note qualifies as a residential mortgage note in which case the Plan administrator may permit a longer repayment term. All notes bear interest at 1% higher than the lending rate of a commercial U.S. bank available within a reasonable geographic vicinity for a note of similar duration and security level. Notes are secured by the participants' accounts.

Benefit payments

Upon termination of employment due to death, disability or retirement, benefits are payable from participant account balances in the form of a lump sum payment.

The Plan provides for mandatory distribution if the value of the participant's account balance is less than $1,000 in a single lump sum payment. If the participant's account balance is between $1,000 and $5,000 and the participant does not affirmatively consent to receive a distribution, the balance will be rolled into an individual retirement account established on behalf of the participant by the Plan administrator. Any taxable distribution paid directly to the participant will be subject to mandatory federal income tax withholding of 20% of the requested distribution.

Administrative expenses

All administrative expenses, unless paid by the Company, are paid by the Plan.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"). Benefits paid to participants are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions, based upon terms of the *Plan Document*, upon liquidation of their account balance.

Investment valuation and income recognition

The Plan's investments in pooled separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income earned on the shares of the external funds is recorded on the ex-dividend date. Unrealized appreciation or depreciation in the fair value of investments held at year-end is determined using the fair value at the beginning of the year or the purchase price if the investment is acquired during the year. The realized gain or loss on the sale of investments is determined using historical cost. Unrealized appreciation or depreciation and realized gains and losses are reported as net appreciation or depreciation in fair value of investments in the statements of changes in net assets available for benefits.

Financial instruments and credit risk

Financial instruments which potentially subject the Plan to credit risk include investments in pooled separate accounts. Investments are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan participants bear the risk of any investment losses.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make use of estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Note 3 - Fair Value Measurements

The Plan uses a three-level hierarchy for grouping assets and liabilities, based on the significance of inputs. The hierarchy of fair value measurements is described below:

- Level 1 - quoted prices in active markets for identical assets or liabilities;
- Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of these assets or liabilities; or
- Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments in pooled separate accounts are valued daily at net asset value of the units held by the Plan based on the quoted market value of the underlying funds. Fair value of shares of an underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund. The investment strategies of the Plan's pooled separate accounts are indicative of the category of investments described within the fund titles. All investments can be redeemed daily and have no unfunded commitments. Distributions from the underlying funds are reinvested in additional shares on that date.

This valuation may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the valuation method is considered appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 - Fair Value Measurements (Continued)

The fair value of the Plan's investments classified as Level 2 are as follows as of December 31:

	2012	2011
Pooled separate accounts

Note 4 - Investments

The following table presents the fair value of individual investments representing 5% or more of the Plan's net assets as of December 31:

	2012	2011
Pooled separate accounts		
Energy Fund	$ (a)	$ 48,145
Lifestyle Fund - Conservative Portfolio	38,473	(a)
Lifestyle Fund - Growth Portfolio	332,843	289,157
Money Market Fund	86,400	61,586
Retirement Living through 2025	39,869	35,018

(a) Investment does not represent 5% or more of the Plan's net assets available for benefits as of the respective year-end.

During 2012 and 2011, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $79,082 and $(20,457), respectively.

Note 5 - Information Certified by the Plan Custodian (Unaudited)

For Plan years 2012 and 2011, the financial information included in the Plan's financial statements and Schedule H, line 4i, except for contributions, benefits paid to participants and administrative expenses, has been derived from information certified as complete and accurate by the Custodian, in accordance with 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

Note 6 - Party-In-Interest Transactions

Plan investments are funds managed by the Custodian and therefore, these transactions qualify as party-in-interest transactions.

Note 7 - Income Tax Status

The Plan is an adoption of a prototype plan which received a opinion letter dated March 31, 2008, in which the Internal Revenue Service states that the Plan, as then designed, was acceptable under the requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated within the applicable requirements of the IRC and was tax-exempt as of December 31, 2012 and 2011.

The Plan recognizes in the financial statements the impact of uncertain tax positions taken only if it is more likely than not of being sustained upon examination by the taxing authority based on the technical merits of the position. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

Note 8 - Subsequent Events

Management has evaluated subsequent events through October 11, 2013, which was the date that the financial statements were available to be issued, and has determined that there are no subsequent events to be reported.
