### **Independent Auditors' Report**

To the Administrative Committee of  
the Employer Operations, LLC Safe Harbor 401(k) Plan:

#### **Report on the Financial Statements**

We were engaged to audit the accompanying financial statements of Employer Operations, LLC Safe Harbor 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

#### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 3 and 9, which was certified by Fidelity, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

#### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

#### **Other Matter**

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

#### **Report on Form and Content in Compliance With DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**EMPLOYER OPERATIONS, LLC**  
**SAFE HARBOR 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2012**

---

**Note 1 - Significant accounting policies**    **Basis of accounting** - The financial statements of the Employer Operations, LLC Safe Harbor 401(k) Plan (the Plan; formerly known as the Intermountain Consulting Group, Inc. Safe Harbor 401(k) Plan until a name change amendment effective December 1, 2010), are prepared using the accrual method of accounting in accordance with generally accepted accounting principles.

**Payment of benefits** - Benefits are recorded when paid.

**Investment valuation and income recognition** - The Plan's investments are reported at fair value. Quoted market prices are used to value investments. Shares of mutual funds and common and collective trusts are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Operating expenses** - Expenses are recorded as incurred. The Plan sponsor pays some of the Plan administrative expenses.

**Management estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Note 2 - Description of the Plan**    The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan covering all full-time employees of Employer Operations, LLC (the Company; successor company to Intermountain Consulting Group, Inc., the previous Plan sponsor). It is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

**Eligibility** - Employees of the Company become eligible to participate in the Plan at the age of twenty-one and after one hour of service, provided they are not excluded employees.

**Contributions** - All eligible employees may make elective deferral contributions into the Plan. For each year the Company elects to satisfy the Safe Harbor, the Company will contribute to the Plan an amount equal to 100% of the participant's contribution not to exceed 3% of compensation plus 50% of the contributions between 3% and 5% of compensation. The Company may elect to make a matching contribution on employee elective deferral contributions in excess of the minimum, but is not obligated to do so per the Plan document. Eligible participants may make an additional catch-up contribution to the Plan. Contributions are subject to certain Internal Revenue Code limitations.

**EMPLOYER OPERATIONS, LLC**  
**SAFE HARBOR 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2012**

**Note 2 - Description of the Plan (continued)**    **Vesting** - A participant's elective deferral account balance is always 100% vested. If the Company makes a qualified matching contribution or qualified nonelective contribution, the participant is 100% vested on any match except profit sharing for which the participant is vested as follows:

| <b>Years of Service *</b> | <b>Vested %</b> |
|---------------------------|-----------------|
| 1 year                    | 33%             |
| 2 years                   | 66%             |
| 3 years or more           | 100%            |

\* All years of service will be counted except for years with less than 1,000 hours.

**Participant accounts** - Each participant's account is credited with the participant's contribution and allocation of the Company's contribution, if any, and Plan earnings, if any, and charged with an allocation of administrative expenses. The Company's contribution is generally allocated to participants based upon the participant's considered compensation for the Plan year. Allocation of Plan earnings to participants is based on the performance of participant selected investment options as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Payment of benefits** - On termination of service or upon reaching age 59 and ½, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested benefit or receive the vested benefit in installments over a period of not more than the assumed life expectancy of the participant or their beneficiary. If the value of the vested account balance is \$5,000 or less the balance will be distributed in a single lump-sum payment.

**Notes receivable from participants** - Participant loans are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Participants may borrow from their fund account balances a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate based on other financial institutions' base rate. Principal and interest is paid ratably through payroll deductions.

**Forfeited accounts** - Forfeited non-vested accounts totaled \$0 for the years ended December 31, 2012 and 2011. Forfeitures are held for five years after which the Company can use these funds as part of the Company matching contribution. Forfeited non-vested accounts applied to employer contributions were \$0 for the years ended December 31, 2012 and 2011.

**Note 3 - Investments**    The following presents investments that represent five percent or more of the Plan's net assets:

During 2012, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$304,717. This amount, which is included in the accompanying financial statements, was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

**Note 4 - Plan termination** Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**Note 5 - Income tax status** The Plan received a favorable determination ruling from the Internal Revenue Service dated October 14, 2005, that it is a qualified Plan under §401(a) of the Internal Revenue Code and as such the Plan is exempt from federal income tax. The Plan has been amended since the latest amendment covered by the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Administrator believes that the Plan is qualified and the related trust is tax-exempt. The Plan received another favorable determination ruling from the Internal Revenue Service dated February 1, 2011. The Plan's income tax returns for the prior three fiscal years generally remain subject to examination.

**Note 6 - Participant directed investments** The Plan provides that participants may direct how their account balance is invested among the investment alternatives offered by the Plan. The Plan administrative committee selects the investment alternatives.

**Note 7 - Risks and uncertainties** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 8 - Related party and party-in-interest transactions** Some Plan third-party administrative expenses have been paid by the Plan sponsor voluntarily. This practice could be terminated by the Plan sponsor at its option. Plan participants have the option of investing in funds that are managed by the trustee of the plan, such investments are traded in active markets and these transactions are executed at the current market price on the date of the transaction. **Note 9 - Fair value measurements** The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1**

Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities. Mutual funds, common and collective funds and money market funds are valued at the net asset value of shares held by the Plan at year end.

**Level 2**

Inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3**

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2012:
