1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the McKinney Vehicle Services, Inc. 401(K) Profit Sharing Plan & Trust ("the Plan") significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Investments

The Plan carries its investments at fair value. The Plan's trustee provides fair value based on quotations from national exchanges, if available. For investments that have no quoted market price, fair value is determined based on yield equivalents for such securities or for securities of comparable maturity, quality, and types as obtained from market makers.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. DESCRIPTION OF PLAN AND CONTRIBUTIONS

A description of the Plan and contributions is as follows:

General

The Plan is a defined contribution and profit sharing plan covering all eligible employees of McKinney Vehicle Services, Inc. (the "Company"). The Plan, subject to the provisions of the Employee Retirement Income Security Act of 1974, became effective on January 1, 1998. The Plan was most recently restated on October 2011 as a prototype standardized profit sharing plan under its custodian, ADP.

Eligibility

Employees may participate in the Plan the first day of the following month after completing three months of eligible service and attaining age 21.

Participant Contributions

Participants may voluntarily contribute to the Plan an amount from 1% to 86% of eligible earnings, subject to limitations of the Internal Revenue Code, as defined by the Plan agreement.

Employer Contributions

The Company may make a nonelective contribution as determined by the Company. Such contributions are allocated to each participant in proportion to the participant eligible earnings compared to the eligible earnings of the total participants.

Investment Direction

Each participant directs the investment of all assets attributable to their respective account.

2. DESCRIPTION OF PLAN AND CONTRIBUTIONS (Continued)

Vesting

The participants are 100% vested with respect to their own contributions upon entering the Plan. Employer nonelective contributions are based on vesting years of service as follows:

Years of Service	Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants also receive 100% vested if they become disabled, or upon death while employed.

Notes receivable from participants

The Plan allows loans to participants up to 50% of their vested account balance, up to a maximum of $50,000. The minimum loan amount is $500. Loan repayments are made through payroll deductions and must generally be repaid within five years. Loans to acquire a principal residence may be repaid in excess of five years but no more than 30 years. Loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates.

Forfeitures

Forfeitures shall be applied to offset employer's contributions in accordance with the Plan.

3. INCOME TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan is subject to routing audits by taxing authorities. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of the Plan's termination, participants in the Plan will become fully vested in their account balance.

5. INFORMATION CERTIFIED BY THE TRUSTEE

All amounts included in the financial statements, including the schedule of assets (held at end of year), except for notes receivable from participants, contributions, interest on notes receivable from participants, benefits paid to participants and administrative expenses, were provided by the trustee and, accordingly, are unaudited as permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations. The Plan administrator has obtained a certification from Reliance Trust Company as to the completeness and accuracy of the amounts relating to investments, including cost, fair values and investment income.

6. INVESTMENTS

All of the Plan's investments are held by Reliance Trust Company. The following is a summary of the unaudited information included in the Plan's financial statements, including investments representing 5% or more of net assets available for benefits as of December 31, 2012 and 2011, provided by Reliance Trust Company:

Fair Value Measurements

Assets and liabilities recorded at fair value are categorized based upon the level of judgment associated with the inputs used to measure the fair value. Level inputs, as defined by ASC 820, are as follows:

- Level 1 – quoted prices in active markets for identical assets or liabilities
- Level 2 – other significant observable inputs for the assets or liabilities through corroboration with market data at the measurement date
- Level 3 – significant unobservable inputs that reflect management's best estimate of what market participants would use to price the assets or liabilities at the measurement date

The following table summarizes fair value measurements by level at December 31, 2012 for assets and liabilities measured at fair value on a recurring basis:

	Level 1	Level 2	Level 3
Shares of registered investment companies	$ -	$ 1,433,411	$ -

The following table summarizes fair value measurements by level at December 31, 2011 for assets and liabilities measured at fair value on a recurring basis:

	Level 1	Level 2	Level 3
Shares of registered investment companies	$ -	$ 1,119,939	$ -

The valuation techniques used to measure fair value of the investments are included in Note 1.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Reliance Trust Company. Reliance Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund. The Plan issues loans to participants, which are secured by the balance in the participant's account. Such transactions are party-in-interest transactions for which a statutory exemption exists.

8. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants bear interest at 5.25% to 7.00% and are receivable in monthly installments over a period of one to thirty years. Loan balances range from $486 to $32,673 at December 31, 2012.

9. EXCESS CONTRIBUTIONS REFUNDABLE

During a Plan year, various participants may over-contribute to the Plan. The participants' excess contributions are returned to the participants.

To whom it may concern:

This filing was delayed due to the following difficulties that were experienced with the electronic filing system used when trying to file timely:

- Unreliability of various network connections creating time-out and failed filing attempts.
- Unrecognizable 'schematic' errors preventing a successful e-filing.
- Inordinate number of Warning and Error messages and system failures associated with attachment processes complicating e-filing at all, let alone timely.

I have every intention of complying with reporting and disclosure rules. I believe that the late filing of this Form 5500 is the result of reasonable cause, not willful neglect. Since next year will be the second year of this new procedure, I do not anticipate the same issues in the future and the filings in the future will be timely. I would ask for abatement of the purposed late filing penalty.

Thank you,

Mary Bernardo
