Report on Financial Statements

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis of Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by The Hartford Life Insurance Company, the custodian of the Plan, except for comparing the information with the

related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the custodian as of and for the years ended December 31, 2012 and 2011, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2012, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A - DESCRIPTION OF PLAN

The following description of Cone Distributing, Inc. (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. Once these eligibility requirements have been met, eligible employees may enroll on January 1st, April 1st, July 1st, or October 1st. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Inception of the plan was January 1, 2000.

Contributions - Each year, participants may contribute from 1% to 75% of pretax annual compensation, as defined in the Plan, subject to the limitations provided by the Internal Revenue Code ("IRC"), which was $17,000 and $16,500 for those under age 50 during 2012 and 2011 respectively, and $22,500 and $22,000 for those age 50 or over during 2012 and 2011 respectively. Participants direct their investment of all contributions credited to their accounts into various mutual funds offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make annual matching and/or basic contributions to the Plan at the option of the Company's board of directors. The Company elected to match $.25 of each dollar contributed by an employee during 2012, up to 6% of annual wages.

Excess Contributions - Contributions received from participants are net of payments made to active participants representing excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Excess contributions were $5,776 and $4,832 for the year ended December 31, 2012 and 2011, respectively.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings/(losses), and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances with certain limitations. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant becomes 100% vested after six years of credited service.

NOTE A - DESCRIPTION OF PLAN (continued)

Payment of Benefits - On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in partial payments or systematic installments as elected by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts - If participants end employment before they are 100% vested in the Company's contribution portion of their accounts, the non-vested portion of the account is forfeited. Forfeitures are reallocated as additional Company contributions to the participants remaining in the Plan. No forfeited non-vested amounts were used to reduce the Employer contributions for the year ended December 31, 2012. The forfeited non-vested account amounted to $151 and $5,984 at December 31, 2012 and 2011, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review - Subsequent events were evaluated through October 1, 2013, which is the date the financial statements were available to be issued.

Estimates - The preparation of financial statements in accordance with generally accepted accounting principles accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and changes therein, and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Operating Expenses - All expenses of maintaining the Plan are paid by the Company. These expenses do not include indirect fees charged by service providers.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 were necessary for the Plan's valuation.

Level 1 Fair Value Measurements - Mutual Funds - The fair value is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

NOTE D - INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets available for benefits:

During 2012, the Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $287,672.

NOTE E - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Hartford Life Insurance Company, the custodian of the Plan.

The Plan incurred administrative expenses of $10,154 for the year ended December 31, 2012. Of this amount, $1,250 was paid by the Plan and $8,904 was paid and/or accrued by the Company, a party-in-interest.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE G - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

NOTE I - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 7, 2001 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

NOTE I - TAX STATUS (continued)

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE K - SUBSEQUENT EVENTS

Effective January 2013, the Plan, along with all of The Hartford Life Insurance retirement plans, were purchased by Massachusetts Mutual Life Insurance Company ("Mass Mutual"). Beginning January 2013, Mass Mutual will serve as the custodian for the Plan.

Effective January 1, 2013 - Role of MassMutual

Massachusetts Mutual Life Insurance Company (together, with its affiliates, "MassMutual") acquired The Hartford's retirement plans business effective January 1, 2013. In connection with the acquisition, The Hartford appointed MassMutual to provide all of administrative services necessary to support your plan's contract. In this role, MassMutual receives all charges, fees and compensation – both direct and indirect – as payable to The Hartford for the services provided to your plan under the packaged retirement services programs. Additionally, MassMutual and its affiliates are responsible for marketing and selling the retirement plan services programs and for paying sales commissions and other compensation to Financial Intermediaries for sales and marketing activities related to the retirement plan services programs.

For Form 5500 Schedule C reporting purposes, all Direct Compensation items (e.g., fees distributed from participant accounts) plus certain Indirect Compensation items (e.g., sales commissions) are reported on a Plan Year basis, and all remaining Indirect Compensation items (e.g., revenue sharing) are reported on a Calendar Year basis. As a result, if your 2012 Plan Year is an off-calendar year Plan Year (e.g., July 1, 2012 - June 30, 2013) certain of your Plan's Schedule C information may list multiple entities as payors or payees of Direct and Indirect Compensation.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator ("you") in completing the Form 5500 Schedule C[1] by identifying different types of compensation paid with respect to the Hartford product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2012 - 12/31/2012 and indirect compensation is presented on a calendar year basis ending 12/31/2012.

This report includes compensation actually paid to or by the Hartford within the indicated plan year as part of your Hartford product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your Hartford customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than Hartford). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our Hartford product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your Hartford Service Team should you require additional information regarding the compensation paid to or by Hartford with respect to your plan.

****

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

[1] Please refer to the Schedule C of the Form 5500 and its instructions (available at: http://www.dol.gov/ebsa/5500main.html), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2012 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Hartford Life Insurance Company are the net result of aggregating direct compensation after the effects of adjustments processed in 2012, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Float compensation **$3.88**

Bank accounts and investments associated with short-term investment pool, 200 Hopmeadow Road, Simsbury, CT 06089

This is an estimate based on the annual average rate of float (0.1285% for 2012) earned on the bank accounts and investments associated with the short-term investment pool for the 2012 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted to The Hartford cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor. The Plan Sponsor should consult with their tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. Hartford's Code of Ethics and Business Conduct generally restricts Hartford employees from giving to or receiving gifts from customers and/or business partners having a value of over $100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the calendar year, including Hartford, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-Hartford parties may not be available to The Hartford.

Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in Hartford Life Insurance Company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The list includes any investment option held by the plan on at least one month end during the 2012 calendar year. To arrive at an estimate of the dollar amount that Hartford received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

* This amount is the sum of the fund's distribution, management and other fees, which are also identified in the fund's prospectus. Please note that, for 2012, affiliates of Hartford Life Insurance Company act as advisor to the Hartford funds. Such affiliates are identified in the fund's prospectus and receive management fees in the following amounts:

Hartford Growth HLS IB	0.78% x assets
Hartford Index HLS IA	0.30% x assets
Hartford SmallCap Growth HLS IB	0.62% x assets

Hartford's Code of Ethics and Business Conduct generally restricts Hartford employees from giving to or receiving gifts from customers and/or business partners having a value of over $100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the 2012 calendar year, including Hartford, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-Hartford parties may not be available to The Hartford.

Please consult with your legal or tax advisors if you have any questions.
