Audit Adjustments

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We are aware of no uncorrected misstatements that are material to either of the Plans' financial statements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. No such disagreements arose during the course of our audit.

Difficulties Encountered in Performing the Audit

We did not encounter any difficulties in dealing with management relating to performance of the audit.

Management Representation

We have requested certain representations from management that are included in the management representation letter dated October 10, 2013.

Management Consultations with Other Independent Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters related to the Plan.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, in the normal course of our professional relationship and our responses were not a condition to our retention.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by State Street Bank and Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2012 and 2011, and for the year ended December 31, 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The DHX-Dependable Hawaiian Express, Inc./Our Best Assets, Inc. 401(k) Plan (the "Plan") is a defined contribution plan established to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees of the Plan's sponsor, DHX-Dependable Hawaiian Express, Inc. (the "Company" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Officers and employees of the Company serve as the Plan's administrator. The specific provisions of the Plan are contained in the Plan document, which governs the legal operations of the Plan.

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment contracts held by a defined contribution plan are required to be reported at fair value. Contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive when initiating transactions under the terms of the Plan. The statements of net assets available for benefits are required to present the fair value of investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair to contract value. The Plan's investment in the Invesco Stable Asset Fund meets the definition of a fully benefit-responsive contract. The statements of net assets available for benefits present the fair value of the common/collective trust. The difference in the fair value and contract value is immaterial.

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2012

	$ 1,727,696	$ 564,267	$ -	$ 2,291,963

Level 1 investments consist of mutual funds valued at their quoted market prices. Level 2 investments comprise a common/collective trust valued at net asset value. The common/collective trust was established for purposes of collectively investing and reinvesting the assets of eligible pension and profit sharing trusts and other eligible entities. The trust's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The net unit values of the classes of the trust are determined as of the close of each business day. Participant units are issued and redeemed only at the end of each day and at the net unit value at contract value. When the market value of units is less than their contract value, participant plans may elect to withdraw units at their market value upon 10 days notice. There are no unfunded commitments to purchase additional shares for the common/collective trust.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Valuations are furnished by the trustee. Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation in fair value of investments relates to mutual funds.

D. Eligibility

Employees are eligible to participate in the Plan after six months of service. Participants may enter the Plan on the first day of the next calendar quarter after meeting the eligibility requirements.

E. Contributions and Vesting

Participants may contribute to the Plan through tax-deferred salary deductions of 1% to 90% of eligible compensation, as defined in the Plan, up to the statutory maximum as determined by the Internal Revenue Code ("Code"). Catch up contributions are allowed. Participants' rights to voluntary contributions, rollover contributions and earnings thereon are 100% vested immediately upon contribution. The Company may make matching contributions at its discretion; matching contributions of $36,488 were made for 2012. Participants are always 100% vested in employer matching contributions.

F. Notes Receivable from Participants

At the discretion of the Plan administrator, a participant may borrow up to the lesser of 50% of his or her vested account balance or $50,000. The minimum loan is $1,000. The term of the loan may not exceed five years, except when loan proceeds are used to purchase the participant's principal residence. Loans bear interest at prevailing market rates. Notes receivable from participants at December 31, 2012 carry interest rates ranging from 4.25% to 8.5%.

G. Distributions and Withdrawals

Each participant's share of the net assets of the Plan is allocated to an individual account. Vested benefits are payable upon termination, death or retirement. Additionally, a participant may withdraw vested amounts from his or her account prior to termination of employment with the Company after age 59½, or prior to that age for financial hardship (as defined in the Plan).

H. Retirement Age

Normal retirement age is 65. Early retirement is allowed at age 55 with five years of service.

I. Administrative Expenses

Substantially all administrative expenses are paid by the Company.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

NOTE 2 - INCOME TAX STATUS

The Plan was designed under a Prototype Non-Standardized Profit Sharing Plan, which has received a favorable opinion letter issued by the Internal Revenue Service on March 31, 2008, stating that it is acceptable under Section 401(a) of the Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board. Management believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. The Plan files information returns annually. As of December 31, 2012, information returns for years subsequent to 2008 were subject to examination by authorities.

NOTE 3 - INVESTMENT FUNDS

All amounts in each participant's account are invested and reinvested as elected by participants from among the investment funds made available by the Plan's administrator. Participants may change how their accounts are allocated daily.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY STATE STREET BANK AND TRUST COMPANY

In accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, all of the investment information, including investment income, shown in the accompanying financial statements and supplemental schedule has been certified as complete and accurate by the trustee of the Plan.
