Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with U.S. generally accepted auditing standards. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by ING Institutional Plan Services, LLC, the recordkeeper of the Plan as an agent for Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2012, that the information provided to the Plan administrator by the trustee is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2012 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with U.S. generally accepted auditing standards, and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - 2011 Financial Statements

The financial statements of the Plan as of December 31, 2011, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by ING Institutional Plan Services, LLC, the recordkeeper of the Plan as an agent for Reliance Trust Company, the trustee of the Plan. Their report, dated September 27, 2012, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2012

Note 1 - Description of the Plan

General

The Bray International, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") established on January 1, 1990 and last amended January 1, 2012, is a defined contribution plan covering all full-time employees of Bray International, Inc., Bray Sales, Inc., Flow-Tek, Inc., Ultraflo, Inc. and Unit Process Company, Inc. (the "Company" or "Employer"), subject to certain restrictions for participant eligibility as defined in the *Plan Document*. Users of these financial statements should refer to the *Plan Document* for more complete information of the Plan's provisions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan trustee

The Plan's trustee is Reliance Trust Company ("Reliance" or the "Trustee"). ING Institutional Plan Services, LLC ("ING") serves as agent for the Trustee and recordkeeper of the Plan. Effective January 1, 2013, Plan management approved a change in the trustee from Reliance to Prudential Insurance Company of America ("Prudential").

On December 31, 2012, significantly all the Plan's investments were liquidated and placed in an ING cash account. The cash balance of approximately $14.6 million was transferred to Prudential on January 1, 2013 and invested into the new investment options. The remaining investments were liquidated and transferred during January 2013.

Employee contributions

All full-time employees who have completed six months of service and are 18 years of age or older are eligible to participate in the Plan. Participants may make pre-tax contributions up to 92% of their earnings through payroll deductions not to exceed the limits set by the Internal Revenue Code ("IRC"), which limits the annual amount of salary deferrals that may be made by a participant. Effective January 1, 2012, participants may also make voluntary contributions to the Plan on an after tax basis, subject to certain limitations. Participants, who are age 50 or older by the end of the calendar year and are making deferral contributions to the Plan, may also make catch-up contributions up to the limit dictated by the IRC, which was $5,500 in 2012 and 2011.

Employer contributions

The Company, at its discretion, may make qualified matching contributions to the Plan. For 2012 and 2011, the Company's matching contributions are equal to 50% of the first 1% of participant contributions, and 15% of the next 4%, up to 5% of the participant's monthly base compensation contributed to the Plan.

Note 1 - Description of the Plan (Continued)

Participant accounts

Each participant's account is credited with the participant's contribution, rollover contribution, if any, and matching contributions and allocations of Plan earnings or losses, and administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon. A participant is vested in the Company's matching contributions and related earnings or losses thereon as follows:

Years of Service	Percent Vested
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes receivable from participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of 50% of their vested account balance or $50,000 reduced by the balance of any outstanding loans. The loans are made for terms not to exceed five years unless the loan is used to acquire a principal residence, in which case, the administrator may permit a longer repayment term. The notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Participants may have up to two loans outstanding at any one time.

Benefit payments

Upon termination of service, death, disability, or retirement, a participant may elect a distribution in the form of a lump-sum amount. In-service withdrawals are permitted when a participant reaches age 59-1/2 or in the event of financial hardship as defined by the Plan. In-service withdrawals as a result of financial hardship result in a suspension of participant contributions for a period of six months.

If the value of the participant's account balance is less than $5,000, the payment will be made in cash in a single lump-sum. If the participant's account balance is greater than $5,000 the participant must affirmatively consent to receive a distribution. Any taxable distribution paid by the Trustee directly to the participant will be subject to mandatory federal income tax withholding of 20% of the requested distribution.

Note 1 - Description of the Plan (Continued)

Forfeitures

Forfeitures represent excess employer contributions that are reconciled at year-end by the Trustee and reallocated to the forfeitures account. Forfeitures are used by the Company to reduce future Company contributions or to pay Plan expenses. As of December 31, 2012 and 2011, respectively, there were $50,976 and $44,751 of forfeitures that had not yet been applied. During 2012 and 2011, no forfeitures were utilized.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated by the Company, all participants will become 100% vested in their accounts.

Note 2 - Summary of Significant Accounting Policies

Basis of presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("GAAP").

Investment valuation and income recognition

The Plan's investments are stated at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Unrealized appreciation or depreciation in the fair value of investments held at year end is determined using the fair value at the beginning of the year or the purchase price if the investment is acquired during the year.

The realized gain or loss on the sale of investments is determined using historical cost. Upon the sale of an investment, the current year unrealized appreciation or depreciation is adjusted for unrealized gains and losses recognized in prior years. Unrealized appreciation or depreciation and realized gains and losses are reported as net appreciation or depreciation in fair value of investments in the statements of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions, based upon terms of the *Plan Document*, upon liquidation of their account balance.

Notes to Financial Statements

December 31, 2012

Note 2 - Summary of Significant Accounting Policies (Continued)

Financial instruments and credit risk

Financial instruments which potentially subject the Plan to credit risk include investments in mutual funds and self directed retirement accounts. Investments are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan participants bear the risk of any investment losses.

Administrative expenses

Administrative expenses of the Plan, if not paid by the Plan, are paid by the Company.

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results may differ from these estimates.

Note 3 - Information Certified by the Trustee (Unaudited)

For Plan years 2012 and 2011, the financial information included in the Plan's financial statements and Schedule H, line 4i, except for cash, contributions receivable, contributions, benefits paid to participants, rollover contributions and administrative expenses, has been derived from information certified as complete and accurate by the Trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 - Fair Value Measurements

The Plan uses a three-level hierarchy for grouping assets and liabilities, based on the significance of inputs. The hierarchy of fair value measurements is described below:

- Level 1 – quoted prices in active markets for identical assets or liabilities;
- Level 2 – inputs other than level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of these assets or liabilities; or
- Level 3 – unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4 - Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

- Money market fund, mutual funds and self directed retirement accounts – these investments are valued daily at the net asset value of shares or units held by the Plan based on the quoted market value of the fund assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the valuation methods are considered appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments measured at fair value are classified as Level 1 and are as follows as of December 31:

	2012	2011
Self-directed retirement accounts	$ -	$ 514,999
Money market fund	-	1,152,005
Mutual funds		
Bond	-	1,334,366
Income	-	924,244

Large value	3,864	1,929,469
Mid-cap blend	1,206	754,895
Mid-cap growth	-	570,774
Small cap growth	-	717,692
Total investments	$ 5,070	$ 11,778,665

Note 5 - Tax Status

The Plan has adopted a prototype plan document, which obtained its latest opinion letter on July 27, 2005, in which the Internal Revenue Service ("IRS") stated that the prototype plan, as designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In conjunction with the Plan switching Trustees effective January 1, 2013, the Plan adopted a new prototype plan document which obtained its latest opinion letter on March 31, 2008.

Note 5 - Tax Status (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisidictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

Note 6 - Investments

The following table presents the fair values of investments that represent 5% or more of the Plan's net assets available for benefits as of December 31:

	2012	2011
Legg Mason ClearBridge Small Cap Growth Class A	-	$ 717,762
MFS Total Return Class A	(a)	924,244
Oppenheimer Global Fund Class A	-	935,009
Legg Mason ClearBridge Aggressive Growth Class A	-	670,486
ING VP Money Market	-	1,152,005
Legg Mason Clearbridge Large Cap Value A	-	1,009,102
Invesco Comstock Class A	-	920,367

(a) Investment does not represent 5% or more of the Plan's net assets available for benefits as of December 31, 2012.

During 2012 and 2011, the Plan's investments, including realized and unrealized gains and losses on investments bought and sold, as well as held during the year, appreciated (depreciated) in value by $1,406,071 and ($298,394) respectively.

Note 7 - Party-In-Interest Transactions

Certain Plan investments are shares of investments managed by ING, therefore, these transactions qualify as party-in-interest transactions.

Note 8 - Uncertainty

The Company is currently researching certain employer matching contributions that were not funded in accordance with the Plan provisions. The Company intends to correct any instances of non-compliance with the Plan document. Further, the Company believes that the extent and nature of the contributions to be corrected will not adversely affect the operations of the Plan or have material adverse effect on the financial statements of the Plan.

Note 9 - Subsequent Events

Effective January 1, 2013, Plan management approved a change in the trustee from Reliance to Prudential Insurance Company of America ("Prudential").

On December 31, 2012, significantly all the Plan's investments were liquidated and placed in an ING cash account. The cash balance of approximately $14.6 million was transferred to Prudential on January 1, 2013 and invested into the new investment options. The remaining investments were liquidated and transferred during January 2013.

Management has evaluated subsequent events through October 15, 2013, which was the date that the financial statements were available to be issued, and has determined that there are no subsequent events to be reported.
