Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Arcadia Management, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2012 and 2011, and the related statement of changes in net assets available (modified cash basis) for benefits for the year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 3, 4, and 5, which was certified by State Street Global Services ("SSGS") and The Hartford Life Insurance Company, the custodians, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that SSGS held the Plan's investment assets and executed investment transactions from May 1, 2011 to December 31, 2012, and The Hartford Life Insurance Company held the Plan's investment assets and executed investment transactions for the period from January 1, 2011 to April 30, 2011. The plan administrator has obtained a certification from the custodians as of December 31, 2012 and 2011 and for the year ended December 31, 2012, that the information provided to the plan administrator by the custodians are complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule H, line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2012 is required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Arcadia Management, Inc. 401(k) Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of the Plan's management, which is responsible for the integrity and objectivity of the financial statements. Other than the Plan's use of the modified cash basis outlined below, these accounting policies conform to accounting principles generally accepted in the United States of America, and have been consistently applied in the preparation of the financial statements and supplemental schedules.

Basis of Accounting

The financial statements of the Plan have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Accordingly, revenue is recorded when deducted by Arcadia Management, Inc. (the "Plan Sponsor") from an employee's compensation or declared by the Plan Sponsors for employer contributions. Benefits and expenses are recorded when paid rather than when the obligation is incurred.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for a further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. Investments in variable annuities are reported at fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Events Occurring After Report Date

The Plan Sponsor evaluated events and transactions that occurred between January 1, 2013 and October 15, 2013, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 2006 to provide deferred compensation and profit sharing benefits to employees of the Plan Sponsor. The Plan was registered with the Internal Revenue Service as a prototype non-standard safe harbor profit sharing plan with a cash or deferred arrangement.

The Plan is a defined contribution plan covering all employees of the Plan Sponsor who have ninety days of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended, to include all applicable amendments up to and including the Economic Growth and Tax Relief Reconciliation Act of 2001.

For the period from January 1, 2011 to April 30, 2011, the Hartford Life Insurance Company ("The Hartford") served as the Plan custodian. Effective May 1, 2011, the Plan Sponsor transferred the Plan assets to State Street Global Services ("SSGS"). SSGS serves as the Plan custodian of the Plan assets pursuant to the terms of the Plan. The Plan Sponsor uses Automatic Data Processing ("ADP") for its administrative and recordkeeping services.

Contributions

Each year, participants may contribute to the Plan a percentage of compensation, as defined, or in specific dollar amount. Employees may elect to defer a maximum amount not to exceed the annual thresholds established by the IRS. Participants who attained age 50 by the end of the plan year were eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified plans.

The Plan provides for employer matching contributions at the discretion of the Plan Sponsor. Employees, who are eligible on the last day of the Plan year, are eligible to receive discretionary matching contributions.

NOTE 2 - DESCRIPTION OF THE PLAN *(continued)*

Additional amounts may be contributed at the option of the Plan Sponsor. Employees share in such contributions if they are eligible on the last day of the Plan year. Contributions are subject to certain limitations. During the year ended December 31, 2012, the Plan Sponsor elected not to contribute to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, and an allocation of the Plan Sponsor's contribution, the Plan's earnings, and forfeitures of terminated participants' non-vested accounts, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor contributions are vested in accordance with the following schedule:

Years of Credited Service	Percentage of Vested Interest
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

The Plan provides for participant loans at a minimum of $1,000 to a maximum of the lesser of $50,000 or 50% of a participant's account balance. The loans are secured by the balance in the participants' accounts and bear interest at rates ranging between 1.32% and 5.25%, which are commensurate with local prevailing rates at the time the loans were taken as determined by the plan administrator. Loans are repaid over a period selected by the participant, which extends no longer than five years, or fifteen years for the purchase of a principal residence. Principal and interest is repaid ratably through payroll deductions.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant.

NOTE 2 - DESCRIPTION OF THE PLAN *(continued)*

In-Service Withdrawals

In-service or hardship withdrawals are permitted by the Plan.

Payment of Benefits

Participants will reach the Plan's normal retirement age at the later of age sixty-five or the fifth anniversary of the first Plan year in which the employee became a participant. At the normal retirement age, participants will be entitled to one hundred percent of their vested account balances, but benefits may be deferred if the participants so elect. Participants are entitled to one hundred percent of their vested account balances upon separation of employment and their estates are entitled to one hundred percent of the decedents' vested account balances upon death.

Forfeitures

Forfeitures are applied against any employer discretionary contributions made during the Plan year.

Administrative Expenses

The Plan pays for all investment-related expenses, while the Plan Sponsor pay for all other costs of maintaining and administering the Plan.

Plan Amendments

The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was last amended on August 1, 2012 to remove Access Home Care and Home Companion Services as participating affiliates in the Plan as well as to update the authorized signors to the Plan. At this time, the employees of Access Home Care and Home Companion Services became one hundred percent vested in their accounts.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

Compliance Tests

As of December 31, 2012, the Plan had failed the required non-discrimination tests and corrective distributions were issued to Plan participants subsequent to the Plan year-end.

During the year ended December 31, 2012, the Plan's investment returns (including gains and losses on investments bought and sold, as well as held during the year) were as follows:

	Interest and Dividends	Net Appreciation on Investments	Total
Common/collective trusts	$ -	$ 1,387	$ 1,387
Mutual funds	33,078	96,236	129,314
Total	$ 33,078	$ 97,623	$ 130,701

For the year ended December 31, 2012, contributions were invested by SSGS in mutual funds and Collective Investment Trusts ("CIT" or the "Trusts"). SSGS hires independent money managers to sub-advise these Trusts in a manner that mirrors the performance of a particular mutual fund or meets some performance objective outlined by SSGS. A CIT is not a security in which the general public can invest, but instead is limited to participants of a qualified retirement plan for which SSGS serves in a fiduciary capacity. These Trusts are not readily traded, and as such, their values and performance are not published.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2012

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2012.

Mutual Funds (Registered Investment Companies): Valued at the quoted market price of units held by the Plan at year-end.

Common/Collective Trusts: Valued at the net asset value ("NAV") of units held by the Plan at year-end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS (*continued*)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012:

	Level 1	Level 2	Level 3	Total

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011:

NOTE 5 – FAIR VALUE OF VARIABLE ANNUITIES THAT CALCULATE NET ASSET VALUE PER SHARE

As stated above, some of the Plan's assets are invested in common/collective trust funds that are valued at NAV of shares held by the Plan at year-end. The following provides descriptions of investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2012 and 2011:

NOTE 5 – FAIR VALUE OF VARIABLE ANNUITIES THAT CALCULATE NET ASSET VALUE PER SHARE *(continued)*

Money Market Funds: An investment fund that holds the objective to earn interest for shareholders while maintaining a NAV of $1 per share. Portfolios are comprised of short-term (less than one year) securities representing high-quality, liquid debt and monetary instruments. Money market funds provide accessible cash-equivalent assets characterized as a low-risk, low-return investment.

Index Funds: Funds, usually mutual funds or exchange-traded funds, with a portfolio constructed to replicate the movements of an index of a particular financial market, such as Standard & Poor's 500 Index (S&P 500) or Dow Jones.

NOTE 6 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are shares of mutual funds managed by SSGS and The Hartford. SSGS and The Hartford are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included as part of net appreciation in fair value of investments.

NOTE 7 – TAX STATUS

The Plan Sponsor adopted a prototype non-standardized profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2008, which states that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC") and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the opinion letter. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2012 and 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2012

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 9 – INFORMATION CERTIFIED BY CUSTODIAN

The custodians certified as to the completeness and accuracy of the investments of the Plan held by SSGS from May 1, 2011 to December 31 2012 and by The Hartford for the period January 1, 2011 to April 31, 2011 and the related investment income (including interest and dividends and net appreciation in fair value of investments) for the years ended December 31, 2012 and 2011.
