To the Trustee and Plan Administrator
ERRG, Inc. 401(k) Retirement Plan

We have conducted a DOL limited-scope audit of the financial statements of ERRG, Inc. 401(k) for the year ended December 31, 2012, and have issued our report thereon dated August 21, 2013. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 6, 2013. Professional standards also require that we communicate to you the following information related to our audit:

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by ERRG, Inc. 401(k) are described in Note A to the financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of investments is based on daily market conditions. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were disclosures related to the valuation of investment and disclosures related to risks and uncertainties.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The Supplemental Schedule of Assets (Held at End of Year), which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the Supplemental Schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and Supplemental Schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A - PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Participants' accounts and vesting

Employer's contributions are allocated to each eligible participant account based upon the participant's contributions during the year. A forfeiture is determined at the distribution of the entire vested portion of a participant's account. Forfeitures of matching contributions are used to reduce the Company's matching contribution. Earnings are allocated based upon the participant's account balance at the end of the preceding year adjusted for withdrawals during the year. For the years ended December 31, 2012 and 2011, there were no forfeitures.

Participants' account balances vest at the rate of 20% per year after one year of service, and are fully vested at the earliest of five years of service, normal retirement (which is age sixty-five), or termination due to disability or death.

On termination of service, participants may elect to receive vested benefits in a lump-sum distribution or periodic installments, payable at least annually.

Basis of accounting

The Plan prepares its financial statements on the accrual basis of accounting.

Use of estimates in preparing financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein. Actual results could differ from those estimates.

NOTE A - PLAN DESCRIPTION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants (continued)

A loan that is in default is treated as a taxable distribution from the Plan of the entire outstanding balance of the loan (a "deemed distribution"). For the years ended December 31, 2012 and 2011, there were no deemed distributions.

Payment of benefits

Benefits are recorded when paid.

Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested rights. In the event of plan termination, participants' accounts will be revalued and become fully vested.

Subsequent events

Management has evaluated events and transactions for potential recognition or disclosure through August 21, 2013, which represents the date the financial statements were available to be issued. Management has identified one subsequent event as disclosed in Note G.

NOTE B - FAIR VALUE MEASUREMENTS

At December 31, 2012 and 2011, the Plan's Level 1 investments are reported at fair value in the accompanying statements of net assets available for benefit, as follows:

	2012	2011
Mutual funds		
Balanced funds	$ 4,597,972	$ 3,655,062
Stock funds	886,597	728,727
Bond funds	422,835	340,637
Money market funds	69,101	83,453
	$ 5,976,505	$ 4,807,879

The three-level hierarchy for fair value measurement is defined as follows:

Level 1

Inputs to the valuation methodology are quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2

Inputs to the valuation methodology are inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. Fair value can be determined through the use of models or other valuation methodologies.

Level 3

Inputs to the valuation methodology are unobservable inputs for the asset. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed, based on the best information available.

NOTE B - FAIR VALUE MEASUREMENTS (continued)

At December 31, 2012 and 2011, the following is a description of the valuation methodologies used by the Plan for assets measured at fair value:

Level 1 Fair Value Measurements

The fair value of mutual funds and money market fund is based on quoted net asset value ("NAV") of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

At December 31, 2012 and 2011, there were no Level 2 investments.

Level 3 Fair Value Measurements

At December 31, 2012 and 2011, there were no Level 3 investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C - INVESTMENTS

At December 31, 2012 and 2011, investments that represent 5% or more of the Plan's assets are as follows:

Investments at fair value as determined by Quoted market price	2012	2011
Fidelity Freedom 2035	$ 1,087,365	$ 816,851
Fidelity Freedom 2025	930,643	749,442
Fidelity Freedom 2030	905,273	712,928
Fidelity Freedom 2015	535,050	458,540
Fidelity Freedom 2040	523,706	422,152

NOTE D - INCOME TAX STATUS

The Plan operates under Fidelity's prototype plan and basic plan document. The Plan documents are qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net income is exempt from income taxes. The Plan received a favorable opinion letter from the Internal Revenue Service under the volume/mass submitter program. The Plan has been amended since the date of the determination letter. The Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes is provided in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan's returns are no longer subject to income tax examinations prior to 2008.

NOTE E - INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee of the Plan, and furnished by the plan administrator. The plan administrator has obtained certifications from the trustees that such information is complete and accurate at December 31, 2012 and 2011 and for the years then ended:

1. Statements of Net Assets Available for Benefits - Investments
2. Statements of Changes in Net Assets Available for Benefits - Investment Income
3. Note C - Investments
4. Supplemental Information - Schedule of Assets Held for Investment at End of Year

NOTE F - RELATED PARTY

Certain Plan investments are shares of mutual funds managed by a company related to Fidelity Management Trust Company, the trustee of the Plan, and therefore these transactions qualify as party-in-interest transactions. Recordkeeping services are provided by another company related to Fidelity Management Trust Company and these transactions also qualify as party-in-interest transactions. For the years ended December 31, 2012 and 2011, administrative expenses paid to the recordkeeping company were $6,324 and $7,050, respectively.

NOTE G - SUBSEQUENT EVENT

The Plan was amended effective January 2, 3013, to change investment options available under the Plan. All existing balances under discontinued investment options were transferred to the new/existing investment options.

Certified Public Accountants & Advisors

To the Trustee and Plan Administrator
ERRG, Inc. 401(k) Retirement Plan

We have conducted a DOL limited-scope audit of the financial statements of ERRG, Inc. 401(k) for the year ended December 31, 2012, and have issued our report thereon dated August 21, 2013. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 6, 2013. Professional standards also require that we communicate to you the following information related to our audit:

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by ERRG, Inc. 401(k) are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2012. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of investments is based on daily market conditions. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were disclosures related to the valuation of investment and disclosures related to risks and uncertainties.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

None.

Other Matters

This information is intended solely for the use of Board of Directors and management of Board of Directors and management of the ERRG, Inc. 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The Supplemental Schedule of Assets (Held at End of Year), which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the Supplemental Schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and Supplemental Schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE B - FAIR VALUE MEASUREMENTS

At December 31, 2012 and 2011, the Plan's Level 1 investments are reported at fair value in the accompanying statements of net assets available for benefit, as follows:

	2012	2011
Mutual funds		
Balanced funds	$ 4,597,972	$ 3,655,062

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C - INVESTMENTS
