To whom it may concern:

Please consider accepting this late filing. This is our company's first year filing these forms, as 2012 was our first year offering a 401k benefit to our employees. I thought I had filed this report on time. To help explain why this is late, please consider this timeline of what happened:

- I received notice of the need to file the form 5500 and went online to go through the checklist on ADP's website
- I received the auditor's packet and delivered it to our accountant
- The accountant said they did not need to audit the form
- ADP's website provided a mailing address for the form, so I printed, signed, and mailed the form as instructed in July
- On August 26th, I received and email from ADP that I did not, in fact, file the form. I emailed the client services team at ADP immediately explaining what I had done and asking for help.
- They did not respond, so I followed up. They responded that I needed to e-file, which did not answer my question as to how to do so.
- Another week passed and they provided a phone number to call. I called that number today and Josh and Jared have both been extremely helpful and now here we are.

I had every intention of complying with reporting and disclosure rules, and believed I had. I have filed many reports for the DOL (quarterly labor, payroll, etc.) and understand the importance of timeliness, which is why I did everything that I thought was required in July. Since next year I will know the procedure fully and know that the accountant cannot simply say the audit is unnecessary, I can assure you this will not happen again. I would ask for abatement of the purposed late filing penalty.

Thank you,

Schedule C, Line 2(h) Formula Description

For those service providers listed on Line 2 for which Line 2(h) has been checked "yes":

For a description of indirect compensation received by service providers listed on Line 2 that was disclosed as a formula, please see Line 3(e). Please note: If indirect compensation disclosed as a formula was received by a service provider from more than one source, there will be multiple Lines 3(e) for that service provider.

To whom it may concern:

Please consider accepting this late filing. This is our company's first year filing these forms, as 2012 was our first year offering a 401k benefit to our employees. I thought I had filed this report on time. To help explain why this is late, please consider this timeline of what happened:

- I received notice of the need to file the form 5500 and went online to go through the checklist on ADP's website
- I received the auditor's packet and delivered it to our accountant
- The accountant said they did not need to audit the form
- ADP's website provided a mailing address for the form, so I printed, signed, and mailed the form as instructed in July
- On August 26th, I received and email from ADP that I did not, in fact, file the form. I emailed the client services team at ADP immediately explaining what I had done and asking for help.
- They did not respond, so I followed up. They responded that I needed to e-file, which did not answer my question as to how to do so.
- Another week passed and they provided a phone number to call. I called that number today and Josh and Jared have both been extremely helpful and now here we are.

I had every intention of complying with reporting and disclosure rules, and believed I had. I have filed many reports for the DOL (quarterly labor, payroll, etc.) and understand the importance of timeliness, which is why I did everything that I thought was required in July.
