Report on the Financial Statements

We have audited the accompanying financial statements of the Contractors and Employees 401(k) Profit Sharing Plan sponsored by Broward Builders, Inc., which comprise the statements of net assets available for benefits (modified cash basis) as of March 31, 2013 and 2012, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended March 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting described in Note B; this includes determining that this basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Contractors and Employees 401(k) Profit Sharing Plan sponsored by Broward Builders, Inc. as of March 31, 2013 and 2012 and the changes in its net assets available for benefits for the year ended March 31, 2013 on the basis of accounting described in Note B.

Emphasis of Matter

As described in Note B, these financial statements and supplemental schedule were prepared on a liquidation basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule (modified cash basis) of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing stands generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
(Modified Cash Basis)

YEAR ENDED MARCH 31, 2013

A. DESCRIPTION OF PLAN

The following description of the Contractors and Employees 401(k) Profit Sharing Plan sponsored by Broward Builders, Inc. (formerly Broward Brothers, Inc.) (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was formed on April 1, 2002 upon adoption of the Contractors and Employees 401(k) Profit Sharing Plan (Master Plan) (Note C) and is a profit sharing plan which contains a cash or deferred arrangement pursuant to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

Eligible participants consist of employees rendering services for Broward Builders, Inc. on contracts subject to the Davis-Bacon Act, Service Contract Act or other federal, state or municipal prevailing wage laws. Other employees whose services are not subject to such prevailing wage laws, have reached age 21, and have completed one year of service may be included.

Contributions

Participants may elect to defer a portion of their compensation (as defined). Prevailing wage contributions, determined by the employer based on rates that satisfy the wage determination issued by the governmental agency responsible for certain contracts, are also allowed. Contributions may also be made for employees who are not subject to such prevailing wage laws, at rates determined by the employer. Such contributions cannot exceed the lesser of 100% of the employees compensation or $50,000.

Participant Accounts

Each participant's account is credited with the participant's elective deferral and an allocation of the employer's contribution. Each participant has the authority to direct the investment of their account to one or more of the investment funds designated as investment options by the Plan sponsor. Investment gain or loss is recognized in participants' accounts on a daily basis as the unit values of the funds change. The benefit to which a participant is entitled is the benefit that can be provided from the distributable value of the participant's account.

A. DESCRIPTION OF PLAN – Continued

Vesting

Participants are immediately vested in their share of employer prevailing wage contributions and in their deferral contributions and net Master Trust earnings allocated to those portions of their account. Employer profit sharing contributions become vested based on the participant's number of years of service with the Company according to the following schedule: Less than 2 years – 0% vested; 2 years – 20%; 3 years – 40% vested; 4 years – 60% vested; 5 years – 80% vested; 6 or more years – 100% vested.

Benefit Payments

Under terms of the Plan, participants are eligible for benefit payments upon reaching age 65. The Plan also provides for distributions to participants, or their beneficiaries, upon death, disability, early retirement at or after age 55, and termination of employment. Participants may choose to have benefits paid directly to them or to have benefits paid directly to another qualified retirement plan or individual retirement arrangement on their behalf. A terminated participant shall be entitled to receive benefits based on the distributable value of their participant account in one or more of the following ways:

(a) Lump sum payment,

(b) Purchase of a Joint and Survivor or Life Annuity

Plan Termination

The employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the modified cash basis of accounting and present net assets available for benefits and changes in those net assets. Under the modified cash basis of accounting utilized, employer contributions are recognized when received rather than when accrued by the employer. In addition, benefit payments to participants are recorded when paid and administrative expenses are accrued monthly by the Plan.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Investment Valuation

The fair value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's interest in the trust plus actual contributions and allocated investment income less actual distributions and allocated administrative expenses.

The Plan's investment in the Master Trust is exposed to various risks, such as credit and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of those investments will occur in the near term that could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Fair Value Measurements

The Plan follows The Financial Accounting Standards Board ASC 820, *Fair Value Measurements* ("FASB ASC 820").

ASC 820 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price). ASC 820 includes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the Plan at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted market prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Fair Value Measurements – Continued

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets and liabilities that are not active
- Observable inputs other than quoted prices that are used in the valuation of assets or liabilities (e.g. interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the assets or liabilities (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

103-12 Investment Entity: These investments are investment vehicles valued using the unit value provided by the administrator of the fund. The unit value is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The unit value is an input other than a quoted price that is observable. Therefore, these investments are classified within Level 2 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at Fair Value as of March 31, 2013			
	Level 1	Level 2	Level 3	Total
Investment in 103-12 IE	$ –	$2,639,413	$ –	$ 2,639,413

C. INVESTMENT IN RETIREMENT PLAN MASTER TRUST

Plan Benefit Services, Inc. is the sponsor of the master plan and trust documents. A master profit sharing plan in the form of the Contractors and Employees 401(k) Profit Sharing Plan (401(k) Plan) was established in 1993. A trust in the form of the Contractors and Employees Retirement Plan Master Trust (Trust) was established in 1987. Under the terms of the Profit Sharing Plan, all assets of the Plan are maintained in the Trust.

The investment in the Master Trust represents the allocated net portion of the Master Trust that is attributable to the Contractors and Employees 401(k) Profit Sharing Plan sponsored by Broward Builders, Inc., and includes all of the Plan's investments. The Plan's share of the net assets of the Master Trust is based on the underlying participant account values including the effects of contributions, allocated net investment income, withdrawals, and allocated administrative expenses. Net investment income, gains and losses are allocated to participating plans on a daily basis based on participants' investment choices. At March 31, 2013 and 2012, the Plan's interest in the net assets of the Master Trust was less than 1%.

The following presents the fair value of investments of the Master Trust as of December 31, 2012 and 2011, the latest date for which audited financial information is available:

	December 31,	
	2012	2011
Investments, at Fair Value		
Mutual Funds	$ 98,854,433	$101,350,595
Collective Trusts	417,906,498	387,168,871
Insurance Company General Account	16,796,471	28,651,765
Cash and Cash Equivalents	3,000,913	1,540,295
	$536,558,315	$518,711,526

C. INVESTMENT IN RETIREMENT PLAN MASTER TRUST - Continued

Investment income for the Master Trust for the year ended December 31, 2012 is as follows:

Investment Income	
Net Appreciation in Fair Value of Investments	$ 51,051,145
	$ 51,051,145

The investments held in the Trust are stated at fair value. Investments are values based on unit values as reported to the Master Trust by insurance companies holding assets for the Trust. Certain agreements with insurance companies holding the Trust's assets include provisions for withdrawals/surrender fees of up to 5% for participants with less than three years of participation in the Trust. These fees were normally charged against the participant's account immediately prior to withdrawal.

D. BENEFIT PAYMENTS

At March 31, 2013, the account balances of participants who have elected to withdraw from the Plan but have not been paid, although not accrued for financial statement purposes, amounted to $1,920.

E. RELATED PARTY TRANSACTIONS

The Plan is part of a Master Trust whose recordkeeper and Master Plan Sponsor is Plan Benefit Services, Inc. Various administrative expenses and asset charges of the Master Trust are paid to Plan Benefits Services, Inc. and are allocated to the Plan reducing the net investment income.

F. INTERNAL REVENUE SERVICE STATUS

The Master Plan obtained its latest opinion letter, dated October 1, 2009, in which the Internal Revenue Service stated that the Master Plan was in compliance with the applicable requirements of the Code. Such an opinion is not a determination as to whether the Plan sponsored by Broward Builders, Inc. qualifies under Code Section 401(a). However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe the Plan was qualified as of the financial statement date.

F. INTERNAL REVENUE SERVICE STATUS - Continued

The Plan follows the provisions of FASB ASC 740, *Accounting for Uncertainty in Income Taxes.* The Plan Administrator has analyzed the tax positions taken by the plan, and has concluded that as of March 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination for years prior to 2009.

G. SUBSEQUENT EVENTS

Management of the plan has evaluated subsequent events for disclosure and/or recognition through the date of the *Independent Auditor's Report*, which is the date the financial statements were available to be issued.
