To Whom it May Concern,

In April of 2009 we terminated our 401k plan and dispersed funds to all the plan participants. We then filed what we believed was the final 5500 form with the I.R.S. Recently we received a notice that we did not file a form 5500 for the plan period ending 12-31-2011. After researching the situation with our payroll company (ADP) I find that there is a small balance in a forfeiture account that we were unaware of. We are in the process of dealing with these funds and will file our 5500 forms for 2011 and 2012. I have called and talked to the I.R.S. and Department of Labor to make sure we do everything that we need to be compliant. Again we were under the impression that we had already done everything to completely close the plan and make the appropriate filings and ask that you wave any penalties that may be involved. I also understand that after the forfeiture funds are dealt with that we need to file a final 5500 form.

Thank you,  
Andy James
