To the Board of Trustees
Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan
Glenwood Springs, Colorado

We have audited the financial statements of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan"), as of and for the year ended December 31, 2012. Professional standards require that we provide you with the following information related to our audit.

Qualitative Aspects of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in the note 2 to the 2012 audited financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- Estimating an allowance for uncollectible amounts (none at December 31, 2012 and 2011), based on management's experience with refunds and re-insurance, together with actual collections history since year-end.
- Plan benefit obligations representing estimates of the ultimate net costs of all benefit claims incurred but unpaid at the statement of net assets date.

We evaluated the key factors and assumptions used to develop these estimates, and found them to be reasonable in relation to the financial statements taken as a whole.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements prior to the finalization of the 2012 audit financial statements. None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the 2012 audited financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

As is required in all audit engagements, we have requested certain representations from management that are included in the management representation letter.

Recommendations

In the course of the audit, we noticed opportunities for the Plan to improve internal controls and processes, which are presented below for your review and consideration.

Adherence to Investment Policies

During our audit, we noted certain funds held with Alpine Bank were not incompliance with the Plan's investment policy due to funds exceeding Federal Deposit Insurance Corporation ("FDIC") coverage on December 31, 2012. A significant portion of the funds, which were not covered by FDIC, were held in the Alpine Bank sweep account. The investment policy, adopted August1, 2011, does not specifically address the sweep account. We recommend the Board amend the investment policy to include and address the sweep account, or become compliant with the investment policy. The Board should also periodically review the policy to ensure congruence with current Board intentions and objectives. Based on our understanding, the Board has amended the investment policy to address the sweep account.

This report is intended solely for the information and use of the Board of Trustees, management, and others within the organization and is not intended to be, and should not be, used by anyone other than those specified parties.

Sincerely,

McMahan and Associates, L.L.C.

We have audited the accompanying financial statements of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT

1. Description of the Plan

The following description of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan provides medical and dental benefits to eligible current and former employees and eligible Directors of the plan sponsor, Holy Cross Electric Association, Inc. (the "Corporation"), a Colorado non-profit corporation which does business under the trade name Holy Cross Energy. The Plan, which was established by the Corporation on July 1, 1983, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Benefits

The Plan provides medical, dental, and prescription drugs benefits for active and eligible retired employees of the Corporation, retired Directors, and their dependents. Coverage for eligible retired employees and Directors extends one year for every three years of service with the Corporation, or until eligible for Medicare benefits. Maximum annual benefit of $5,000,000 per covered individual is available under the Plan. Plan benefits terminate at the date the participant ceases to be eligible for coverage, dies, or the Plan is terminated; whichever occurs earlier.

C. Contributions

The Plan is funded by contributions from the Corporation and participants. For 2012 and 2011, participant contributions were calculated at 10% of estimated premiums.

D. Termination

Although it has not expressed any intent to do so, the Corporation has the right to terminate the Plan, pursuant to the provisions of ERISA. In the event of Plan termination, any remaining net assets would be distributed to the Corporation and the Corporation would assume any liabilities.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which recognizes revenues (increases in net assets) when earned, and expenses (decreases in net assets) when incurred.

B. Cash and Cash Equivalents

The Plan considers all checking, savings, and money market accounts, as well as all highly liquid investments with a maturity of three months or less when purchased (including funds subject to sweep/repurchase agreements) to be cash equivalents.

2. Summary of Significant Accounting Policies (continued)

C. Investments

The Plan has invested certain excess funds in certificates of deposit. Because the Plan has the intent and ability to hold these securities to maturity, these investments are classified as held-to-maturity. Accordingly, such securities are reported on these financial statements at amortized cost. Interest earned by the Plan, together with all realized gains or losses are included in investment income as a component of current period earnings. Unrealized gains and losses arising from changes in the market value of these securities are not recognized by the Plan.

D. Allowance for Uncollectible Amounts

The Plan utilizes the allowance method of recognizing uncollectible amounts, whereby an allowance for possible future uncollectibility of accounts receivable is established when collectibility becomes doubtful. No such allowance was required at December 31, 2012 and 2011, as all receivables were considered to be collectible.

E. Plan Benefit Obligations

The Plan benefit obligation represents estimates of the ultimate net cost of all benefit claims incurred but unpaid at the statement of net assets date. The obligation is based on the loss and loss adjustment expense factors derived from industry averages and the Plan's premium structure. These estimates are reviewed annually, and adjustments are reflected in the statement of changes in net assets. Since the obligation is based on estimates, the ultimate settlement of claims may vary from the amounts included in the financial statements. Although it is not possible to measure the degree of variability inherent in such estimates, the Plan administrator believes that the obligation for claims and loss adjustment expenses are reasonable.

The changes in Plan benefit obligation are set forth below:

	2012	2011
Plan benefit obligation - Beginning of the year	$ 168,645	246,125
Claims accrued and/or approved for payment	2,163,421	2,612,483
Claims paid	(1,920,563)	(2,689,963)
Plan benefit obligation - End of the year	$ 411,503	168,645

F. Income Taxes

The trust established under the Plan to hold the Plan's assets is intended to qualify under section 501(c)(9) of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Corporation believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code granting tax-exempt status to the Plan.

G. Subsequent Events

Management has evaluated subsequent events through January 10, 2014; the date these financial statements were available to be issued.

2. Summary of Significant Accounting Policies (continued)

H. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Investments

	2012	2011
Certificates of deposit, maturing within one year, interest at 0.1499% - 0.25% p.a. (2011 - 0.5% - 0.519% p.a.)	$ 255,605	257,441

4. Fair Value Measurements

U.S. generally accepted accounting principles require financial assets be valued at "fair value", determined through application of a three-tiered hierarchy of input levels. Financial assets valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets valued using level 3 inputs are based on the best information available in circumstances where markets are non-existent or illiquid.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair values as of December 31, 2012 and 2011:

		Fair Value Measurement at December 31, 2012 using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Certificates of deposit	$ 255,605	-	255,605	-
Total investments at fair value	$ 255,605	-	255,605	-

		Fair Value Measurement at December 31, 2011 using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Certificates of deposit	$ 257,441	-	257,441	-
Total investments at fair value	$ 257,441	-	257,441	-

5. Credit Risk and Repurchase Agreement

The Federal Deposit Insurance Corporation insures depositors up to $250,000 for interest bearing accounts and provides unlimited coverage for non-interest bearing accounts. The Plan's uninsured cash balances totaled $2,003,490 at December 31, 2012 (2011 – $1,503,948).

Effective January 1, 2013, the FDIC insures up to $250,000 per depositor at each separately chartered FDIC-member financial institution, without regard to the nature of the accounts. Under the FDIC's new deposit insurance provisions, $2,025,483 of the Plan's cash balances at December 31, 2012 would not be insured.

The Plan has entered into a Sweep and Repurchase Agreement with Alpine Bank, under which funds in excess of a specified threshold are invested by Alpine Bank in obligations issued or guaranteed by the U.S. government or its agencies, with all such invested amounts available to the Plan upon demand. At December 31, 2012 and 2011, the Sweep and Repurchase Agreement had a maximum balance of $1,500,000. Alpine Bank has granted the Plan security interests in the securities underlying the Sweep and Repurchase Agreement, but the underlying securities are not the property of the Plan. Amounts invested under the terms of the Sweep and Repurchase Agreement are not insured by the Federal Deposit Insurance Corporation and are not guaranteed by the U.S. government or its agencies.

Alpine Bank's obligations pursuant to the Sweep and Repurchase Agreement are general obligations secured by the Underlying Securities. Prior to any event of default, the Plan will be paid the repurchase price from the general assets of Alpine Bank rather than from proceeds resulting from the sale of the Underlying Securities. However, in the event of a default, the Plan will be entitled to its ratable portions of the proceeds from the sale of the Underlying Securities in an amount equal to the repurchase price, if sufficient, and the Plan shall become a general, unsecured creditor to Alpine Bank. To the extent that the Plan's ratable share of the proceeds from any sale of the Underlying Securities is not sufficient to cover Alpine Bank's obligation, the deficiency, if any, shall be paid from the general assets of Alpine Bank.

6. Insurance Premiums

	2012	2011
Excess loss insurance	$ 429,530	380,070
Life insurance	57,057	57,201
Long-term disability insurance	65,646	65,162
Total	$ 552,233	502,433

The excess loss insurance limits the amount of claims to be paid by the Plan to $80,000 per participant per year, for 2012 and 2011, and to an aggregate of $3,200,000 per year for 2012 ($3,300,000 for 2011). Claims in excess of the specified and aggregate dollar amount are paid by the insurance.

7. Administration

Effective January 1, 2011, the Plan entered into an agreement with Regional Care, Inc. ("RCI") for the administration of the Plan. The agreement has an initial two-year term, and automatically renews for successive one-year terms unless otherwise terminated. RCI's responsibilities under the agreement include claims supervision, accounting, and other administrative services. RCI's compensation is paid as a monthly fee, and is determined using an agreed-upon rate per participant and number of dependents.

Administrative expenses are comprised of the following:

	2012	2011
Administrative services fees	$ 48,445	51,519
Audit fee	6,750	6,650
Total	$ 55,195	58,169
