INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Keeton Corrections, Inc. 401(k) Plan

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of Keeton Corrections, Inc. 401(k) Plan, which comprise the statements of net assets available for benefits as of July 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting my audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and

executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended July 31, 2013 and 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, which is the responsibility of plan management, is presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the mater described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1-DESCRIPTION OF PLAN

The following description of the Keeton Corrections, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan was established by Keeton Corrections, Inc. on September 3, 2003, for the benefit of its employees and those of its affiliate, Non-Secure Programs, Inc. The Plan is a defined contribution plan covering all full-time employees of the two participating employers who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may elect to contribute a percentage of their pretax annual compensation, as defined in the Plan, not to exceed the maximum permitted by law. Participants may also rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various mutual fund options offered by the Plan. The Company may elect annually to match 100% of the first 3%, and 50% of the next 2%, of base compensation that a participant contributes to the Plan.

Participant Accounts. Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, and Plan earnings (losses), and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions and the employer's matching contributions, plus actual earnings thereon.

Notes receivable from participants. Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits. Benefits are recorded when paid. On termination of service, participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through February 27 2014, which is the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contributions Receivable

Receivables for contributions due are considered fully collectible and no allowance for doubtful accounts is considered necessary.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company, except for administrative expenses charged directly to the Plan by the trustee, John Hancock Life Insurance Company.

NOTE 3 - TAX STATUS

The Plan utilizes a prototype plan document. The prototype plan sponsor received a determination letter regarding the prototype, in which the Internal Revenue Service stated that the employers who adopt the prototype plan, as then designed, would be in compliance with applicable requirements of the Internal Revenue Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator also believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

At July 31, 2013 and 2012, all of the Plan's investments were embodied in a group annuity contract with John Hancock Life Insurance Company. The Plan's investments consist of various pooled separate accounts for 2013 and 2012. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by John Hancock. The investments are included in the financial statements at fair value, as reported to the Plan by John Hancock.

Contributions directed into each of the pooled separate accounts are not guaranteed as to a fixed dollar amount but will fluctuate based on the performance of the underlying investments.

As required by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, John Hancock has provided a certification to the plan administrator regarding the accuracy and completeness of certain information. The certified information included the detail of investments held and their market values at July 31, 2013 and 2012, as well as the acquisitions and dispositions of securities, investment income and the net appreciation/depreciation of the market value of securities for the years ended July 31, 2013 and 2012.

The following information was included in the information certified by the custodian for the years ended July 31, 2013 and 2012, and was used by the plan administrator in the preparation of the financial statements and schedules in compliance with ERISA.

A. Balances in investments at July 31, 2013 and 2012.

B. Investment income and/or market value adjustments credited to investments for the years ended July 31, 2013 and 2012.

The information, which has not been audited by independent accountants, is summarized below:

	July 31	
	2013	2012
Investments:		
Cash not invested	$ 295	$ 295
Pooled separate accounts	781,678	717,004
Total	$ 781,973	$ 717,299

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)(CONTINUED)

The following presents investments that represent 5% or more of the Plan's net assets:

	July 31	
	2013	2012
John Hancock Lifestyle Fund-Growth	$ 349,857	$ 319,837
John Hancock Lifestyle Fund-Balanced	118,266	111,924

Schedules of all assets held by the Plan at July 31, 2013 and 2012, are included as supplemental schedules to the financial statements on page 13.

During 2013 and 2012, the Plan's mutual fund investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $127,534 and $10,944, respectively.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. Fair value was certified by the plan trustee, as explained in Note 4. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end as certified by the trustee; the fair values are based on the closing price reported on the active market where the individual securities are traded. The following schedule sets forth, by level within the fair value hierarchy, the Plan's investments at July 31, 2013 and 2012:

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value	Level 1
July 31, 2013		
Mutual funds	$ 781,973	$ 781,973
July 31, 2012		
Mutual funds	$ 717,299	$ 717,299

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended July 31, 2013 and 2012, are reported in net appreciation in fair value of investments.

NOTE 6 - RELATED PARTY TRANSACTIONS

Plan investments are shares of mutual funds managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to John Hancock for administrative services amounted to $5,691 and $5,444 for the years ended July 31, 2013 and 2012, respectively.

NOTE 7 - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Company resumed its contributions to the Plan for the year ended July 31, 2013, after suspending its contributions for the year ended July 31, 2012.

NOTE 8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
