Retirement Plan and Trust, which comprise the statements of net assets available for benefits as of June 30, 2013 and 2012, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Marca Industries, Inc. Retirement Plan and Trust as of June 30, 2013 and 2012, and its changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

MARCA INDUSTRIES, INC. RETIREMENT PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2013 AND 2012

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES:-

The accompanying financial statements have been prepared on the accrual basis and present net assets available for benefits and changes in those assets.

Valuation of Investments - Marketable investments are stated at market value as of June 30, 2013 and 2012. Market values as determined by the Trustees are obtained from various market value quotations. The change in the difference between current market value and the cost of securities is reflected in the statement of changes in net assets available for benefits as unrealized appreciation (depreciation) in the aggregate market value of securities.

Administrative Expenses - Administrative expenses and brokerage fees are also charged to the plan. Marca Industries, Inc., the Plan's sponsor, also provides some limited accounting and administrative services at no cost to the Plan.

Plan Assets Held in Trust - Plan assets are held by Wells Fargo & Company. Marca Industries, Inc., the Plan Administrator and Trustee, shall maintain investments as deemed advisable, including, but not limited to, common or preferred stock, bonds and other evidences of indebtedness or ownership, and real estate or any interest therein. The Trustee shall at all times in making investments of the Trust Fund consider, among other factors, the short and long-term financial needs of the Plan on the basis of information furnished. The Trustee shall also give due regard to any limitations imposed by the Code or the Act so that at all times the Plan may qualify as a qualified Profit Sharing Plan and Trust.

Use of Estimates - The financial statements of the Plan are presented in conformity with accounting principles generally accepted in United States of America. This presentation requires the use of estimates and assumptions made by the Plan administrator that affect certain amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - DESCRIPTION OF THE PLAN:-

The Plan is a defined contribution plan covering substantially all employees who in general complete at least one hour of service per month and have completed at least six months of service. An eligible employee shall become a participant effective as of the first day of the plan year following the date of eligibility. The Plan is subject to the Employees Retirement Income Security Act of 1974.

The Plan provides for discretionary contributions by the employer. All contributions by the employer shall be made in cash or in such property as is acceptable to the Trustee.

The employer has the right under the Plan to alter or amend the Plan in whole or in part; provided, however, that no such change shall in any way affect the vesting rights of the employees under this Plan. The employer also has the right to terminate the Plan upon which each participant is entitled to receive the entire amount credited in the account of the participant.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2013 AND 2012

NOTE 2 - DESCRIPTION OF THE PLAN:- (continued)

Contributions by the employer vest according to the following schedule:

Years of Service	Percentage
0-2	0%
3	20%
4	40%
5	60%
6	80%
7	100%

The foregoing description of the Plan provides only general information. Those individuals affected should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

NOTE 3 - FAIR VALUE MEASUREMENTS:-

Effective July 1, 2009, the Plan adopted the Accounting Standards Codification (ASC) No. 820, Fair Value Measurements. ASC No. 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC No. 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2013 and 2012.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2013 AND 2012

NOTE 3 - FAIR VALUE MEASUREMENTS:- (continued)

Money Market and Mutual funds: Valued at the net asset value ("NAV") of shares held by the Organization at year end. All stated assets were valued as Level 1 inputs at June 30, 2013 and 2012. The balance at June 30, 2013 and 2012 was \$62,026 and \$221,464, respectively.

NOTE 4 - ALLOCATION OF CONTRIBUTIONS, EARNINGS, AND FORFEITURES:-

Marca Industries, Inc., the Administrator of the Plan, has established and maintained an account in the name of each Participant to which the Administrator credits on each Plan anniversary date a portion of the contributions, earnings, and forfeitures based on the total number of eligible employees. Contributions and forfeitures are allocated to eligible participants equally. Earnings are allocated based upon beginning of the year participant account balances.

NOTE 5 - PLAN AMENDMENTS:-

Effective June 30, 2009, the Plan was closed to current and future employees that were not already enrolled in the Plan as of June 30, 2009, and current participant benefits were frozen.

In September 2012, the Plan Administrator decided to terminate the Plan and distribute the remaining Plan assets, after expenses, to the Plan participants. The Trustee and the Administrator hope to complete this process by the end of June 2014.

NOTE 6 - INCOME TAX STATUS:-

The Internal Revenue Service has issued a determination letter, dated April 24, 1995, stating the Plan is exempt from Federal income taxes under Section 401(a) of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code. The Plan has follows ASC No. 740-10 "Accounting for Uncertainty in Income Taxes". The Plan's tax returns for the years 2010-2012 are subject to examination by tax authorities. The Plan records interest and penalties, if any, in interest expense and other expense, respectively, in other expenses. During the years ended June 30, 2013 and 2012, the Plan did not have any interest or penalties related to taxes. The Plan Administrator believes that the application of this accounting standard does not have a material effect on its financial statements.

NOTE 7 - NON-VESTED BENEFITS:-

The Plan does not contain a specified length of time for non-vested benefits to be retained in former employee accounts. The Plan Administrator has established a procedure to maintain these accounts for a seven year period.

NOTE 8 - SUBSEQUENT EVENTS:-

The Plan evaluated subsequent events through April 10, 2014, the date which the financial statements were available to be issued.
