To the Plan Administrator of the Pilgrim Software, Inc.:

We have audited the financial statements of the Pilgrim Software Incorporated 401(k) Profit Sharing Plan & Trust (the "Plan") as of and for period January 1, 2012 to April 9, 2012 and have issued our report thereon dated February 5, 2014. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 27, 2013. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the period January 1, 2012 to April 9, 2012. We noted no transactions entered into by the Plan during such period for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive accounting estimates affecting the financial statements of the Plan as of and for the period January 1, 2012 to April 9, 2012.

In addition, certain disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive financial statement disclosure, which was included in Note A, related to the approval of the merger of the Plan into the DCS 401(k) MEP Solution effective April 1, 2012. As a result, all of the Plan's assets were transferred into such Plan, which effectively terminated this Plan as of April 9, 2012. We evaluated the key factors and assumptions used by management in formulating this disclosure to determine the reasonableness of such assumptions and disclosure.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We did not identify any misstatements as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We received certain representations from management that were provided to us in a management representation letter dated February 5, 2014.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We discussed a variety of matters, including the application of accounting principles and auditing standards, with management prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Plan Administrator and other management of the Plan Sponsor and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
