Re: Accountants Opinion for 4 SUNKIDS MANAGEMENT 401(K) PLAN

Dear Sir or Madam:

The audit related work performed is the Agreed-Upon Procedures. Back in January of 2014, there was a conference call with Senior Trial Attorney, Ms.Gale A. Perry and representative from OCA. In the call, our accountant had expressed that due to missing information such as hiring paperwork, signed 401k agreement by individual employees, etc, he was unable to perform the full scope of audit work. We were then asked by OCA if some macro level analysis can be performed to validate items such as withheld amounts equaling plan remitted amounts, etc. Such analysis should be performed for year 2010, 2011, 2012, and 2013. Once submitted, OCA would then determine whether or not it would be acceptable. Hence, Agreed-Upon Procedures were performed for those years in a single report. This report below has been attached in the filing in lieu of Accountant's Opinion for year 2011, 2012, and 2013. Form 5500 for 2010 had been filed previously (in 2013) by ERISA consulting firm, Chernoff Diamond so I was not able to attach the same Agreed-Upon Procedures report for year 2010.

Also, all funds from the plan has been removed as of May 2014. For those individuals whose amounts qualify for involuntary distribution, Paychex has mailed out checks to them. For the remaining, their funds have been rolled over to IRA managed by Paychex. I asked Paychex to prepare final return but they are telling me that the final return is due 7 months after all the funds have been removed. Hence the return is due in December. I have put in a request if they can prepare the filing now.

I am hopeful that you will find the attached report acceptable.

Sincerely,

Daihwan Choi

Independent Public Accountant's Report on Applying Agreed-Upon Procedures

To the Plan Administrator

4 Sunkids Management LLC 401(k) Profit Sharing Plan and Trust

We have performed the procedures enumerated below, which were agreed to by management of 4 Sunkids Management LLC 401(k) Profit Sharing Plan and Trust (Formerly known as 4 Sunkids, Inc. 401(k) & Profit Sharing Plan) (the "Plan"). This agreed-upon procedures engagement was conducted solely to assist the Company with compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The engagement to apply agreed-upon procedures was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the party specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. Procedure: For the years ended December 31, 2010 through 2013, we compared participant total contributions withheld per Paychex Payroll year-to-date report to the amounts submitted to MG Trust Company and the Company-prepared schedule of employee contributions withheld from payroll by pay period. We compared and calculated the number of business days between the date the amounts were withheld from the participants pay and the date the funds were recorded by the Plan.

Findings:

- For the year ended December 31, 2010, certain participant contributions were not remitted to the Plan within the time frame specified by the DOL's Regulation 29 (CFR 2510.3-102). During the year ended December 31, 2010, the Company transferred \$7,925 of participants' contributions late to the Plan. These delinquent participant contributions were corrected on July 9, 2013.
- For the year ended December 31, 2011, certain participant contributions were not remitted to the Plan within the time frame specified by the DOL's Regulation 29 (CFR 2510.3-102). During the year ended December 31, 2011, the Company transferred \$227 of participants' contributions late to the Plan. These delinquent participant contributions have not been fully corrected.
- For the years ended December 31, 2012 and 2013 we found the contributions to be in agreement and submitted timely in accordance with the Department of Labor's regulations.

2. **Procedure:** For the years ended December 31, 2010 through 2013, we compared the distributions per the distribution report with amounts recorded in the Plan and copies of cancelled checks.

Finding: For the years ended December 31, 2010 through 2013, we found all distributions to be in agreement.

3. **Procedure:** For the years ended December 31, 2010 through 2013, we compared total contributions per pay period to the participant valuation summary.

Findings:

- During the year ended December 31, 2010, the Company did not transfer \$2,671 of participants' contributions to the Plan. These participant contributions were corrected on July 9, 2013.
- During the year ended December 31, 2011, the Company did not transfer \$13 of participants' contributions to the Plan. These participant contributions were corrected on January 18, 2012.
- For the years ended December 31, 2012 and 2013, we found all contributions to be in agreement.
- 4. **Procedure:** For the years ended December 31, 2010 through 2013, we compared total distributions from the distribution report to the participant valuation summary.

Finding: For the years ended December 31, 2010 through 2013, we found the total of annual distributions to be in agreement.

We were not engaged to, and did not, conduct an audit, the objective of which would be the expression of an opinion on the financial amounts. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Company's management and is not intended to be and should not be used by anyone other than the specified party.
